Economic Development Inequality And War Humanitarian Emergencies In Developing Countries:

Economic Development, Inequality and War E. Nafziger, J. Auvinen, 2003-09-15 Economic Development Inequality and War shows how economic decline income inequality pervasive rent seeking by ruling elites political authoritarianism military centrality and competition for mineral exports contribute to war and humanitarian emergencies Economic regress and political decay bring about relative deprivation perception by social groups of injustice arising from a growing discrepancy between what they expect and get Nafziger and Auvinen indicate that both economic greed and social grievances drive contemporary civil wars Finally the authors also identify policies for preventing humanitarian emergencies

Vivares, 2020-04-16 The Routledge Handbook to Global Political Economy provides a comprehensive guide to how Global Political Economy GPE is conceptualized and researched around the world Including contributions that range from traditional International Political Economy IPE to GPE approaches the Handbook gathers the investigations varying perspectives and innovative research of more than sixty scholars from all over the world Providing undergraduates postgraduates teachers and researchers with a complete set of traditional contending and regional perspectives the book explores current issues conceptual tools key research debates and different methodological approaches taken Structured in five parts methodologically correlated the book presents GPE as a field of global regional and national research historical waves and diverse ontological axes major theoretical perspectives beyond traditional perspectives regional inquiries research arenas Carefully selected contributions from both established and upcoming scholars ensure that this is an eclectic pluralist and multidisciplinary work and an essential resource for all those with an interest in this complex and rapidly evolving field of study **Whose Peace? Critical Perspectives on the Political Economy of Peacebuilding** M. Pugh, N. Cooper, M.

Turner, 2016-01-04 The book provides critical perspectives that reach beyond the technical approaches of international financial institutions and proponents of the liberal peace formula It investigates political economies characterized by the

legacies of disruption to production and exchange by population displacement poverty and by criminality *The Hydropolitics of Africa* Raj Bardouille, Mechthild Nagel, Muna Ndulo, 2008-12-11 Water is both an essential resource and a source of disease and conflict in contemporary Africa And we begin to learn that far distant processes of consumption and pollution can have their impact on the water systems of Africa global warming produced by the material culture of the first world threatens the weather systems and very survival of developing countries In this context this volume the product of an expert meeting at Cornell University s Institute for African Development traces and tracks the dynamics of the contemporary hydropolitics of Africa The volume contains a variety of approaches to the study of the organisation of water within Africa ranging from technical essays on water borne diseases through institutional analyses of the legal and political arrangements around the distribution of water to social policy analyses of the unmet demand for water amongst Africa s poor Taken as a whole the volume provides the reader with a useful reference work on the contemporary hydropolitics of Africa whilst simultaneously providing a lively introduction to a critical and much neglected area of African development policy

Electoral Violence in the Western Balkans Michal Mochtak, 2017-07-20 Since the end of the Cold War there have been a number of cases where the democratization process has been turbulent or even violent Addressing electoral violence its evolution and impact in the Western Balkans this book explores the conflict logic of election and tries to understand its basic patterns Two decades of electoral competition in the region are analysed to identify an interesting evolution of electoral violence in terms of forms actors motivations and dynamics By identifying the potential drivers of electoral violence and explaining the escalation and stimulus of violence related events the author combines a theoretical approach with original data to emphasise the variability of the phenomenon and its evolution in the region The book will appeal to students and scholars of post communist Europe and democratisation processes and the Western Balkans in particular It should also be of interest to political advisors and those involved in developing or implementing democratisation programmes The

Prevention of Humanitarian Emergencies E. Wayne Nafziger, Raimo Väyrynen, 2016-01-23 Since the end of the cold war civil wars and state violence have escalated resulting in thousands of deaths This book provides a toolbox for donors international agencies and developing countries to prevent humanitarian emergencies The emphasis is on long term rather than mediation or reconstruction after the conflict ensues *Africa's Pulse, No. 19, April 2019* Cesar Calderon, Gerard Kambou, Vijdan

Korman, Megumi Kubota, Catalina Cantu Canales, 2019-04-08 Economic growth in Sub Saharan Africa is estimated to have decelerated from 2.5 percent in 2017 to 2.3 percent in 2018 below the rate of growth of population for a fourth consecutive year Regional growth in 2018 is below the pace projected in 2018 October issue of Africa s Pulse 0.4 percentage points lower This slowdown was more pronounced in the first half of 2018 and it reflected weaker exports among the region s large oil exporters Nigeria and Angola due to dwindling oil production amid higher but volatile international prices for crude petroleum A deeper contraction in Sudanese economic activity and a broad based growth slowdown among non resource

intensive countries also played a role Sub Saharan African countries with fragile context have made considerable efforts to find a way out of fragility Regional and sub regional economic organizations are promoting economic cooperation and addressing security and peace challenges that go beyond national borders The special topic of this issue of Africa s Pulse argues that the digital economy can unlock new pathways for inclusive growth innovation job creation service delivery and poverty reduction in Africa The continent has made great strides in mobile connectivity however it still lags the rest of the world in access to broadband Only 27 percent of the population in the continent have access to internet few citizens have digital IDs businesses are slowly adopting digital technologies and only few governments are investing strategically in developing digital infrastructure services skills and entrepreneurship
