The Economic Impacts of Tax—Transfer Policy Fredrick L. Golladay, Robert H. Haveman, 2013-10-22 The Economic Impacts of Tax Transfer Policy Regional and Distributional Effects deals with evaluating proposed income transfer policies through tax modeling The book analyzes the direct and indirect effects of two variants of a negative income tax plan These are the standard negative income tax and the Family Assistance Plan By studying the indirect effects of income maintenance programs on industries occupations and different regions the authors point to understanding the effectiveness of alternative income maintenance programs Proposed changes in national taxes and transfer policies aim to achieve income redistribution In their studies and models the authors noted that the full impact of these tax policies throughout the income spectra covering different income classes industries occupations and regions is different from that gathered from observations involving the direct effects of these schemes The authors cite some policy implications resulting from their study such as the redistributive impacts of direct tax transfer scheme are not as efficient as expected and that increasing the demand for low skilled workers and improving their job qualities is one way of improving income distribution The text is valuable for economists and government policymakers in the finance and labor sectors as well as for sociologists and political economists

Impacts of Market-Based Greenhouse Gas Emission Reduction Policies on U.S. Manufacturing

Competitiveness Arthur M. Wiese, 1999-05 The Kyoto Protocol requires that total emissions of greenhouse gases from Annex I countries be at least 5% below 1990 levels by the 2008 2012 period Market based approaches are proscribed by the Clinton Administration to meet the U S emission targets set by the treaty This paper informs on the impacts that market based mitigation policies could have on U S manufacturing competitiveness More specifically given that the treaty calls for mandatory emission reductions from Annex I countries only U S manufacturing cost impacts are examined vis a vis those of both member non member countries 50 charts tables
