Economic System:

The Korean Economic System Jae-Seung Shim, Moosung Lee, 2016-03-03 Focusing on the formation of the Korean economic system this book presents a fascinating and comprehensive analysis of economic development outside of the traditional neo classical developmental state and dependency perspectives It examines in detail the evolution of institutions that contributed to economic growth and the formation and the workings of the economic system With an emphasis on the interaction between government private institutions Chaebol and financial institutions and the influence of Japan it offers one of the most stimulating and distinctive views of Korean economic development to date It will be of key interest to scholars and researchers of financial growth and development Asian finance and regional and heterodox economics **What**

Economics Is About: Understanding the Basics of Our Economic System Harlan R Day, PhD, 2006 This booklet details the fundamental economics problem scarcity and introduces students to the terms and content that are necessary for a more advanced understanding of economics **Comparative Economic Systems** David W. Conklin, 1991-07-26 This book

explores diverse economic systems and the choices societies must face in determining which economic systems best suit their needs *The Economic System of Islam* Mirza Bashir-ud-Din Mahmud Ahmad, 2013-06-01 The Economic System of Islam is an English version of a lecture delivered in Urdu by Hazrat Mirza Bashir ud Din Mahmud Ahmad the Second Khalifah Head of the Ahmadiyya Muslim Community to a gathering of academia in Lahore Pakistan in 1945 The book presents a detailed account of the teachings of Islam regarding the system of economics It demonstrates that economic system of Islam is placed within the broader teachings of Islam with the objective of attaining the pleasure of Allah and everlasting bliss in the Hereafter It provides for a healthy and progressive society in which the basic needs of all are met and incentives for achieving excellence are provided with due regard to justice and fair play The lecture then makes a critical evaluation of the economic aspects of Communism It provides ample evidence that Communism has failed in its pretensions of promoting justice and equality both within its own borders and in international affairs It brings out serious objections against Communism from a religious point of view and cites three prophecies about the decline of Communism **The Global**

Economic System Since 1945 Larry Allen, 2005 This book describes how after the end of World War II powerful corporations began to lobby governments in an effort to reduce the perceived constraints of regulation Since the 1970s these voices have become increasingly influential as governments worldwide have adopted free market policies reduced economic regulation and promoted the virtues of free enterprise capitalism The Global Economic System since 1945 presents a fresh synthesis of economic history and theory For the specialist it will provide a useful reminder that the economy needs to be looked at from different angles while the general reader will find a fascinating and impartial description of the current state of the global economy as well as hints on what to look for when scanning the economic horizon for signs of inclement weather **BOOK JACKET** **Regional Trading Blocs in the World Economic System** Jeffrey A. Frankel, Ernesto

Stein, Shang-Jin Wei, 1997 Covers trends from 1957 to 1995 *The Economic System and Income Distribution in Yugoslavia*

Henryk Flakierski, 2016-07-22 This is the second volume in the author's ongoing inquiry into the extent of income inequality in the East European socialist countries and the effect of market oriented reforms on patterns of income distribution. Although there has been remarkably little empirical research on this question in part because of the problem of obtaining reliable data both proponents and opponents of reforms voice strong views on this subject with both sides however tending to grant the assumption that decentralization and the increased use of market mechanisms will increase inequality. In this study as in the preceding volume *Economic Reform and Income Distribution A Case Study of Hungary and Poland* Henryk Flakierski undertakes a study of the data in order to shed light on this question this time with reference to the most decentralized of the East European economies and the one in which marketization of the economy has been most advanced.

Economic Systems and Society George Dalton, 1974 Textbook comprising a comparison of economic systems reviews the historical evolution of capitalism and socialism etc and contrasts economic policies and problems in developed capitalist countries in the USSR and other planned economies and in the developing countries Bibliography pp 221 to 230 and statistical tables *Economic Systems Analysis and Policies* S. Cohen, 2009-04-30 The book brings together economic systems and development economics offering theoretical foundations and empirical evidence. It examines competition technology governance public goods income transfers transition performance convergence and displacement in a range of countries worldwide *The Theory of the Accommodation Based Consumerist Economic System* Michael Salaniuk, 2019-02-18 Accommodation Based Consumerism is a solution to the problem of human poverty. It is a new economic system that stands as a third alternative to free market capitalism and socialist communism. In this system there is no unemployment or homelessness. There is only one tax. Everyone is entitled to goods and services of the highest quality. The consumerist framework provides remedies to negative externalities as well as the difficulties surrounding inflation. Accommodation Based Consumerism is a very general and elaborate theory of the functioning of the economic aspect of human experience. In these pages are described specifically how it works and how this system is to be applied to actual scenarios.

Economic Thought and Economic Reform in the Soviet Union Pekka Sutela,1991-07-26 Although the history of centrally planned economies has been widely studied the development of socialist thinking on the subject has remained largely uncharted In this 1991 work Pekka Sutela presents a detailed analysis of Soviet economic thought and theory Dr Sutela traces the competing currents in the Marxist tradition of socialist economies from the Revolution to the present day In particular he shows how the Gorbachev economic reform programme of 1987 rose from the work of Nobel Prize economist L V Kantorovich and his followers However this programme failed and the author explains in some detail why this happened Since then Soviet economists have tried to

abandon their traditional theory of central planning and move along the path and long established contacts with leading Soviet economists Pekka Sutela is able to show how Soviet economic thinking has moved from dogmatism through reformism to pragmatism

Fuzzy Models in Economics Gorkhmaz Imanov,2020-10-07 This book offers a timely guide to fuzzy methods applied to the analysis of socioeconomic systems It provides readers with a comprehensive and up to date overview of the algorithms including the theory behind them as well as practical considerations current limitations and solutions Each chapter focuses on a different economic problem explaining step by step the process to approach it using the corresponding fuzzy tools The book covers elements of intuitionistic fuzzy logics fuzzy entropy and the fuzzy DEMATEL method a fuzzy approach to calculate the financial stability index It also reports on some new models of social financial and ecological security and on a novel fuzzy method for evaluating the quality of development of information economy

The Disintegration of the Soviet Economic System Michael Ellman,Vladimir Kontorovich,2023-06-14 The Disintegration of the Soviet Economic System 1992 examines in detail the collapse of the Soviet economic system and is set in its political context both international and domestic The collapse is looked at from a macroeconomic point of view both real and financial as well as from a mesoeconomic viewpoint with chapters on such important sectors such as agriculture and the railways Because the USSR is such a large country it is also looked at in a regional perspective with chapters on Central Asia and the allocation of investment between republics and attention is also paid to the welfare of the population their health and the development of their consumption and the environment and technical progress

The Destruction of the Soviet Economic System: An Insider's History Michael Ellman,Vladimir Kontorovich,2015-02-24 The inside story of the political collapse of the Soviet Union is far better understood than the course of economic and social disintegration In order to capture the story the editors compiled a list of questions which they addressed to former top Soviet officials and economic and other policy advisors both Soviet and foreign who were privy not only to data on the functioning of the Soviet economy but also to the internal policy debate during the 1980s This volume assembles the Informants analyses of key issues and the turning points and weaves them into a compelling history of systemic collapse Among the topics investigated are economic policies in the 1980s the standard of living the reliability of Soviet statistics Gosplan s projections for the economy to the year 2000 was the arms race starving the civilian economy the role of ideology in supporting the functioning of an economic system the party s participating in economic management the influence of foreign advisors the struggle over a transition program the functioning and collapse of the supply system the CMEA and the foreign trade system
