Otis works as a waitress in order to support her three children and a jobless younger sister They live in a down trodden apartment house which they share with other working class tenants Her husband is in a State mental hospital and most likely there for good Her deadbeat younger brother and a lodger from across the hall pay board to eat in her crowded little flat As Christmas approaches there is no money for gifts and no prospect of her husband returning home As her burden becomes intolerable Sally s sturdy courage begins to falter To make matters worse the sleazy suspicious owner of the local night club Nick Toresca takes a fancy to Sally and won t leave her alone As he is the brother of her boss at the greasy spoon she is in no position to call the shots Things are shaken up when Sally s sister the swaggering glamorous independent Petey Braun appears on the scene All loud laugh deep voice self confident aplomb and worldly generosity Petey grabs the spotlight and centre of the stage and never lets them go She is an American career woman one who makes a career of men she is a master
