Surplus-Enjoyment Slavoj Žižek,2022-08-11 Contemporary life is defined by excess There must always be more there is never enough We need a surplus to what we need to be able to truly enjoy what we have Slavoj i ek s guide to surplus and why it s enjoyable begins by arguing that what is surplus to our needs is by its very nature unsubstantial and unnecessary But perversely without this surplus we wouldn t be able to enjoy what is substantial and necessary Indeed without the surplus we wouldn t be able to identify what was the perfect amount Is there any escape from the vicious cycle of surplus enjoyment or are we forever doomed to simply want more Engaging with everything from The Joker film to pop songs and Thomas Aquinas to the history of pandemics i ek argues that recognising the society of enjoyment we live in for what it is can provide an explanation for the political impasses in which we find ourselves today And if we begin even a little bit to recognise that the nuggets of enjoyment we find in excess are as flimsy and futile might we find a way out The Complete Idiot's Guide to Urban Legends Brandon Toropov,2001 A collection of modern day urban myths and folklore explores questions relating to famous figures government conspiracies paranoia revenge chain letters and humiliating experiences

Diaries Bettina Arndt,2009 From the time I started working as a sex therapist back in the early 1970s people have been talking to me about their sex lives What I hear about most is the business of negotiating the sex supply How do couples deal with the strain of the man wishing and hoping while all she longs for is the bliss of uninterrupted sleep In The Sex Diaries Australia's leading sex therapist Bettina Arndt uncovers the night time drama being played out in bedrooms everywhere the creeping hand and feigning of sleep the staying up late in the hope that he will doze off It is one of the great inconvenient truths of relationships that after the first blissful years together most men want more sex than their female partners Bettina Arndt recruited ninety eight couples to keep diaries revealing their intimate negotiations over sex Who feels like having sex Who doesn't And how do couples cope if one person wants it more than the other She draws on her thirty five years of experience as a sex therapist and psychologist to provide a provocative analysis that challenges our basic assumptions about sex With her characteristic humour and insight Bettina Arndt proposes a new approach to how couples can enjoy regular sex and sustain loving relationships *There's Been a Murder!* Harry Morris,2010-09-09 The hilarious adventures of Harry the

Nachtigal,2022-07-17 This book is a review of my life done with the purpose of understanding why it went the way it did What I learned is that the major goals of my life were set up by an authority which I called destiny This authority conducted

events along pathways that led to the fulfilment of those goals These events were either causal determined or were synchronized and were set up by destiny which seemed to be devoid of human feelings The overwhelming intervention of destiny in life does not exclude the potential use of free will but it was not apparent that that will improve the outcome
