Good News in Growing Churches Robert L. Burt, 1990

Apocalyptic Good News R. Dean Drayton, 2019-07-12

Remarkable studies in the New Testament have recovered the fact that the gospel the good news of Jesus Christ was apocalyptic good news God's redemptive action within history Today for more and more people the sheer scope of an evolutionary universe renders life on Earth as utterly insignificant religion as nothing more than superstition And now in the Anthropocene we on the pale blue dot live in an apocalyptic age in which cataclysmic issue after cataclysmic issue threaten the future of the planet The faith of the early church was in an apocalyptic cosmic Christ unleashing within history God's good news of a new creation Set within the world as we now know it this gives meaning to the cosmos and life wherever it is found around any star Screened from view for over a millennium during mission to non apocalyptic cultures now is the time for a new paradigm for church the apocalyptic church for an apocalyptic age to replace the denominational church What a difference this makes to faith worship and the role of the church in an apocalyptic future *That's Good News* Shane L. Bishop, 2023-02-14 That's Good News is a practical guide to evangelism for the everyday Christian no having all the answers special training or seminary degree required

Virtues of Rapidly Growing Churches Matt Miofsky, Dr. Jason Byassee, 2018-10-16 Leaders who are interested in planting or revitalizing congregations often feel discouraged and defeated after leadership conferences or after reading about the heroes of church planting and church growth They are amazing they say I can't be that amazing But Jesus' load is easy and his burden is light When we examine the practices and characteristics of those heroes we see striking trends and commonalities Aspiring church leaders can learn the practices and develop the characteristics that will lead to successful churches Instead of feeling defeated new leaders should have a hope filled sense of what new thing they can do Authors Matt Miofsky and Jason Byassee carefully researched interviewed and profiled successful church growers across the U.S. and identified 8 characteristics these leaders and their congregations have in common These pastors are still learning still figuring out how to do this work and how to faithfully live into God's call But for now how are they doing what they do What mistakes have they made learned from Where have they paid the stupid tax that others should avoid Each of these heroes is painfully ordinary and up front about their flaws And each can see slightly farther than the rest of us What do they see that

we can learn from Discover the 8 characteristics and learn how to adapt them for your own congregation and calling Believe in miracles and act accordingly Integrate new people quickly Love the local Exist to reach the next person Elevate the practice of giving Work in teams Preach effectively to skeptics Make friends with the denomination **The Good News About Hard Times** Jonathan H.
