The Good, the Bad, and the Sexy Emily Carmichael, 2008-12-18 The spotlight doesn t get any hotter than this Rachel Marsh doesn t have time to think about the pampered lives of Hollywood stars She s too busy running her family s Lazy M Ranch in Arizona But even Rachel has heard of Jackson Stone the green eyed movie megahunk known for his sexual prowess both on and offscreen Jackson is the last person Rachel would expect to show up looking for work as a cowboy But that s exactly what happens and now

Rachel has her hands full keeping her mind on the Lazy M and off Jackson After a nasty tabloid scandal Jackson has decided it would be best to spend a little time out of the public eye When he stumbles across the Lazy M Ranch he hatches a brilliant plan to convince its pretty owner to let him go undercover as a cowboy until things blow over Jackson sees nothing wrong with spending a little time incognito especially with a woman like Rachel who looks as good roping cattle as she does by the light of an intimate campfire Now far from inquiring eyes these two slightly cynical lovers are going to discover just how good they are at being bad and the outcome may be more than downright sexy It may be true love Key Account Management Peter Cheverton,2004 With a free CD ROM containing key account selection software and planning tools Any organization s key accounts are its lifeblood This highly practical book puts forward a unique yet simple planning methodology for identifying obtaining retaining and developing key customers Completely updated and revised with lots of new material to reflect the latest best practice this edition will reinforce its standing as the premier book on the subject This is one of very few books to take the long term team selling strategic view of Key Account Management KAM Apart from finding great resonance with business practitioners all over the world Key Account Management has established itself on many academic reading lists Translated into five languages it was also short listed for Business Book of the Year in Sweden 2002 This new edition features lots of new case studies several new chapters significant updates on Selecting Key Customers Key Account plans and the use of IT a new and updated CD ROM containing the Insight key account selection software and planning tools The View from the Grass Roots - Another Look Gregory J.
