

A photograph of a dirt road winding through a forest. The trees are covered in autumn foliage, with shades of yellow, orange, and brown. The road is light-colored and leads towards a bright light at the end of the path, creating a sense of depth and perspective. The overall mood is serene and contemplative.

Massa,2019-09-06 There s no monster under your bed but there are several in this book The first short story collection from Gerald Barkley Rocks author Kyle A Massa *Monsters at Dusk* offers answers to several important questions such as Do vampires use Snapchat What happens when a demonic cat declares war on God and Satan Is someone drinking your memories If so are they tasty If a mad scientist offers to build you a set of wings should you accept Can sports franchises set in epic fantasy worlds make better hiring decisions than real ones How would the American legal system handle werewolves What is a Megrim and why does it keep taking everyone s kids Balancing fantasy science fiction horror and humor each of the collection s 10 stories concerns a different monster some familiar some original some literal some metaphorical all strange and wonderful in their own way **The Storm King** Brendan Duffy,2018-02-06 Deeply atmospheric breathlessly suspenseful with a ticking clock like no other a terrific thriller Lee Child Haunted by dark secrets and an unsolved mystery a young doctor returns to his isolated Adirondacks hometown in a tense gripping novel in the vein of Michael Koryta and Harlan Coben Burying the past only gives it strength and fury Nate McHale has assembled the kind of life most people would envy After a tumultuous youth marked by his inexplicable survival of a devastating tragedy Nate left his Adirondack hometown of Greystone Lake and never looked back Fourteen years later he s become a respected New York

City surgeon devoted husband and loving father Then a body is discovered deep in the forests that surround Greystone Lake This disturbing news finally draws Nate home While navigating a tense landscape of secrets and suspicion resentments and guilt Nate reconnects with estranged friends and old enemies and encounters strangers who seem to know impossible things about him Haunting every moment is the Lake's sinister history and the memory of wild beautiful Lucy Bennett with whom Nate is forever linked by shattering loss and youthful passion As a massive hurricane bears down on the Northeast the air becomes electric the clouds grow dark and escalating acts of violence echo events from Nate's own past Without a doubt a reckoning is coming one that will lay bare the lies that lifelong friends have told themselves and unleash a vengeance that may consume them all Praise for *The Storm King* Brendan Duffy's second book mingles horror historical fiction supernatural suspense and old fashioned murder mystery the rare phantasmagoria whose pieces click into a satisfying resolution This is a gutsy intricate evocative piece of mischief much closer than anyone usually gets to that particular spell cast by Stephen King

USA Today Duffy follows his debut *House of Echoes* with a stunning literary thriller which combines accomplished wordsmithing with startling twists Publishers Weekly starred review An elaborately layered creepily atmospheric story that blends haunting legends and the psychological terror of a murderer on the hunt A winning thriller sure to draw readers of Jennifer McMahon Ruth Ware and Michael Koryta Booklist starred review
