Disappointment Fran Preston, Welcome to the holy trinity of modern dating You got dressed up you turned up you even paid 14 for a cocktail with a flower in it and somehow you re still left wondering if staying home with hummus would ve been the better option In *Dinner Drinks Disappointment* Fran Preston takes a brutally honest and hilariously cathartic look at the emotional rollercoaster of early dating From the dates who bring their mum s Tupperware to split the bill to the ones who mention their ex in the first seven minutes this is a survival guide for anyone who s ever felt the sting of high expectations and lukewarm chemistry Full of sharp insights relatable rants and practical advice on managing hope hunger and heartbreak all in the same evening this is the book for every woman who s ever silently screamed into her wine glass mid date Because sometimes the only thing more predictable than the menu is the disappointment Beauty for Ashes Laura John,2013-07

Dear Reader Why do ordinary intelligent and loving women end up having abortions or putting their own child in foster care The author did both This is her story as told through a series of letters from the heart to all her children Laura John s first book takes readers through a very personal account from being a child with no roots who has a teenage abortion and a mental breakdown in her forties to the woman she now is An unshakable faith and preservation of family have become the driving forces in her life and she describes through a series of heartfelt letters to her eight children how one very dysfunctional family is torn apart and reconciled to survive rape alcoholism divorce miscarriages drug abuse and autism The

blended family that emerges through these pages will encourage anyone who has experienced a breakdown in relationships. This is not a self help book or a book brimming with advice for parents rather it is a chronicle of being a mother in often difficult circumstances and about making impossible choices and living with the consequences. It has been said that the only thing stronger than fear is hope and it is hope that emerges triumphantly in this book that is essentially about being a mother. Laura John was born and brought up as a white child in Central Africa Congo to English missionary parents. She now lives in Sydney Australia with her youngest children one of whom is autistic and her husband who describes himself as the madman from Galashiels.
