the ultimate urge of self fulfillment by the giving of oneself I define Love as a feeling touching the heart to produce a joyous state that awakens the senses and dulls the mind to a suspended state Each poem is a living image of me they are an extension of my thoughts and feelings that flow freely in my subconscious and find expression in the words I write A kaleidoscope of love expressed with powerful emotions that can relate to everyone for love is universal Absorbing it could lead you to the discovery of your own frailties and creativity Catalog of Copyright Entries.
