Goodbye Tsugumi:

Goodbye Tsugumi Banana Yoshimoto, 2015-09-15 In this witty perceptive novel a young woman moves to Tokyo and encounters the world of university enrollment and impending adulthood. Elle Banana Yoshimoto's novels of young life in Japan have made her an international sensation. *Goodbye Tsugumi* is an offbeat story of a deep and complicated friendship between two female cousins that ranks among her best work. Maria is the only daughter of an unmarried woman. She has grown up at the seaside alongside her cousin Tsugumi, a lifelong invalid, charismatic, spoiled, and occasionally cruel. Now Maria's father is finally able to bring Maria and her mother to Tokyo, ushering Maria into a world of university, impending adulthood, and a normal family. When Tsugumi invites Maria to spend a last summer by the sea, a restful idyll becomes a time of dramatic growth as Tsugumi finds love and Maria learns the true meaning of home and family. She also has to confront both Tsugumi's inner strength and the real possibility of losing her. *Goodbye Tsugumi* is a beguiling, resonant novel from one of the world's finest young writers.

Goodbye Tsugumi Banana Yoshimoto, 2003-06-01 When charismatic and spoiled Tsugumi invites her cousin Maria to spend a last summer by the sea, a restful idyll becomes a time of dramatic growth as Tsugumi finds love and Maria learns the true meaning of home and family. A 2002 Kiriya Prize Book. **Exploring the Self, Subjectivity, and Character across Japanese and Translation Texts** Senko K. Maynard, 2022-01-17 From the perspective of philosophical contrastive pragmatics, this study investigates our multiple selves as manifested in how we use language. Based on analyses of original and translation texts of Japanese and English literary works, the Japanese self is proposed as being fundamentally empty and yet richly populated with multiple subjective aspects, characters, and characteristics. Incorporating the concept of emptiness drawn from Japanese philosophical traditions and postmodernism, primarily developed in the West, selves evidenced in grammar, style, and variation are investigated, applying interpretive resources of linguistic subjectivity. Character and character speak. Expressive gaps found in source and target texts across two languages lead us toward different ontological views and guide us to engage in the rethinking of the concept of self.

Mastering Beginnings and Endings Sam Choo, *Mastering Beginnings and Endings: Lessons from the World's Greatest Storytellers*. What makes a story unforgettable? The answer lies in its opening and closing lines, the words that draw you in and the ones that stay with you long after the final page. In *Mastering Beginnings and Endings*, journey through the works of 100 of the world's most iconic writers, from timeless literary giants like William Shakespeare and Jane Austen to contemporary visionaries like Angie Thomas and Haruki Murakami. Each chapter dives into the first and last lines of their most celebrated works, uncovering the techniques, emotions, and themes that make their storytelling so impactful. Discover how Gabriel Garcia Marquez transports you to magical worlds. Learn how Toni Morrison crafts haunting openings and resonant closures. Uncover how Rumi and Pablo Neruda turn words into timeless expressions of love and humanity. Packed with practical tips and literary insights, this book is a masterclass in crafting beginnings that captivate and endings that linger. Whether you're a

writer seeking inspiration or a reader looking to deepen your appreciation of literature Mastering Beginnings and Endings is your guide to understanding the art of storytelling's most essential moments Open your story with purpose Close it with power Inspire the world in between

Women and Water in Global Fiction Emma Staniland, 2023-01-27 Symbols and tropes of liquidity have long been connected to notions of the feminine and therefore with orthodox constructions of femininity and womanhood Underpinning these ideas is the vital importance of water as life force which has given it a central place in cultural vocabularies worldwide These symbolic economies in turn inform the discourses through which positive or negative associations of women with water come to bear impact on the social positioning of female gendered identities Women and Water in Global Fiction brings together an array of studies of this phenomenon as seen in writing by and about women from around the world The literature explored in this volume works to make visible decode celebrate and challenge the cultural associations made between female gendered identities and all kinds of watery tropes as well as their consequences for key issues connected to women society and the environment The collection investigates the roots of such symbolism examines how they inform women's place in the socio cultural orders of diverse global cultures and shows how the female authors in question use these tropes in their work as ways of re articulating female identities and their correlative roles

 DEP **Literature into Film** Linda Costanzo Cahir,2014-12-24 For most people film adaptation of literature can be
 summed up in one sentence The movie wasn t as good as the book This volume undertakes to show the reader that not only is
 this evaluation not always true but sometimes it is intrinsically unfair Movies based on literary works while often billed as
 adaptations are more correctly termed translations A director and his actors translate the story from the written page into a
 visual presentation Depending on the form of the original text and the chosen method of translation certain inherent
 difficulties and pitfalls are associated with this change of medium So often our reception of a book based movie has more to
 do with our expectations and reading of the literature than with the job that the movie production did or did not do Avoiding
 these biases and fairly evaluating any particular literary based film takes an awareness of certain factors Written with a
 formalistic rather than historical approach this work presents a comprehensive guide to literature based films establishing a
 contextual and theoretical basis to help the reader understand the relationships between such movies and the original texts
 as well as the reader s own individual responses to these productions To this end it focuses on recognizing and appreciating
 the inherent difficulties encountered when basing a film on a literary work be it a novel novella play or short story Individual
 chapters deal with the specific issues and difficulties raised by each of these genres providing an overview backed up by case
 studies of specific film translations Films and literary works receiving this treatment include The Unbearable Lightness of
 Being The Manchurian Candidate 1962 Lady Windemere s Fan by Oscar Wilde and Shakespeare s Henry V Interspersed
 throughout the text are suggestions for activities the film student or buff can use to enhance his or her appreciation and
 understanding of the films Instructors considering this book for use in a course may request an examination copy here
