Comaroff, 2015-11-17 As nation states in the Northern Hemisphere experience economic crisis political corruption and racial tension it seems as though they might be evolving into the kind of societies normally associated with the Global South Anthropologists Jean and John Comaroff draw on their long experience of living in Africa to address a range of familiar themes democracy national borders labour and capital and multiculturalism They consider how we might understand these issues by using theory developed in the Global South Challenging our ideas about developed and developing nations Theory from the South provides new insights into key problems of our time *Thinking Politically* Raymond Aron, 2020-03-12 *Thinking Politically* brings together a series of remarkable interviews with Raymond Aron that form a political history of our time Ranging over an entire lifetime from his youthful experience with the rise of Nazi totalitarianism in Berlin to the d nouement of the cold war Aron mediates on the threats to liberty and reason in the bloody twentieth century Originally published as *The Committed Observer* this volume provides one of the fullest accounts available of the dramatic events of the short century which began with the pistol shot in Sarajevo in 1914 and ended with the collapse of the ideological monsters whose deadly nature Aron had ruthlessly exposed for a half century In addition to the interviews published in the original edition *Thinking Politically* incorporates three interviews never before published in book form This supplemental material clarifies Aron's role as a voice of prudential reason in an unreasonable age and allows unparalleled access to the principal influences on Aron's thought The volume concludes with *Democratic States and Totalitarian States* an address by Aron to the French Philosophical Society as well as the accompanying debate with Jacques Maritain Victor Basch and other intellectuals *Thinking Politically* serves as an ideal gateway into Aron's reflections and offers a superb single volume introduction to the

major events and conflicts of the twentieth century It will be a welcome addition to the libraries of political theorists historians sociologists philosophers and citizens wishing to understand the political and intellectual currents of the age

**The Art of Connection** Susan C Young Msa, 2017-09-11

Communicating on the surface can be easy, but when you want to dig deeper and connect with a more profound impact, how can you take it to the next level? How can you achieve greater understanding, especially when others have personalities, experiences, needs, and preferences that are different than your own? We all have ideas and agendas for what we have to do throughout our day. The Art of Connection empowers us to foster a sense of wonder, which allows sincere curiosity to move us beyond the predictable and the mundane. Expressing genuine interest for people can connect you on levels you may never have imagined. Encourage others to talk about themselves by asking questions and listening to what they have to say. Exercising the Art of Connection with mutual respect will make you all the more fascinating for kinship and camaraderie. As you use fun and humor to reduce tension and connect with laughter, light-heartedness will prevail. Exercising discretion and good judgment in your communication will leave your listener feeling like they have met a person of substance and style. This book is Book 6 of 8 from speaker/author Susan Young's mastery manual *The Art of First Impressions for Positive Impact*. 8 Ways to Shine Bright to Transform Relationship Results.
