Twentieth-Century Literary Theory Vassilis Lambropoulos, David Neal Miller, 1987-01-01 The ten topics contained in Twentieth Century Literary Theory reflect contemporary theoretical interests and guide the reader through fundamental questions from the formation to the uses of theory and from the construction to the interpretation of literature The selected essays cover a wealth of scholarship from both the United States and Europe They go beyond traditional categories by focusing on issues rather than writers or critical movements thus providing a forum for the continuing discussion of what theory is and does **Detoxing Masculinity in Anglophone Literature and Culture** Sara Martín, M. Isabel Santaulària, 2023-03-07 This edited volume rethinks Masculinity Studies by breaking away from the notion of the perpetual crisis of masculinity It argues that not enough has been done to distinguish patriarchy from masculinity and proposes to detox masculinity by offering a collection of positive representations of men in fictional and non-fictional texts The editors show how ideas of hegemonic and toxic masculinity have been too fixed on the exploration of dominance and subservience and too little on the men and the male characters in fiction who behave following other ethical personal and socially accepted patterns Bringing together research from different periods and genres this collection provides broad multidisciplinary insights into alternative representations of masculinity **A Companion to E.M. Criticism of the Novel Edwin M. Eigner, George J. Worth, 1985-11-07 By the end of the nineteenth century the novel unquestionably had become the most popular and influential of English literary forms Yet it has not always been clear how the Victorians themselves regarded the nature of prose fiction This volume is a collection of twelve landmark essays that chart the development of English theories of fiction during the great age of the novel Spanning the whole of the Victorian period from Bulwer Lytton's On Art in Fiction 1838 to Conrad's preface to The Nigger of the Narcissus 1897 the volume also includes pieces by George Eliot Henry James Robert Louis Stevenson and a number of the more important critics and reviewers of the time The editors introduction surveys the main issues such as the debate between realism and romance addressed by novel criticism throughout the period Each of the selections that follow is set in its historical context by a prefatory essay and is fully annotated for the student There is a helpful bibliography of further reading *Essays on English and American Literature and a Sheaf of Poems* ,2021-11-01 **The Congregationalist and Christian World** ,1904

Rosamond Lehmann and Her Critics Wendy Pollard, 2017-11-28 This study of contemporary and later critical responses to the work of the novelist Rosamond Lehmann 1901-1990 offers an original approach to twentieth century literary history by foregrounding the cultural and commercial fields in which Lehmann's writing was situated Wendy Pollard examines the effect recent developments in literary theory and movements from modernism to feminism have had on Lehmann's literary reception She also considers the interpolation of a damning third category between the and popular culture namely middlebrow a widening gender divide in readership controversies within book reviewing changes in the publishing world and the introduction of popularist means of book marketing While considering the general privileging of male authors from the 1920s to the 1950s Lehmann's most prolific period Pollard argues that her novels have been unfairly subjected to specific forms of neglect and their exclusion from many academic comparative studies is due to a diversity of form and content that can also be considered their strength **Styles of Extinction: Cormac McCarthy's The Road** Julian Murphet, Mark

Steven,2012-06-28 Styles of Extinction Cormac McCarthy s The Road brings together several leading literary scholars one major philosopher as well as a handful of emerging critical voices all of whom deploy their own specialist methods in order to think through this bestselling Zeitgeist defining event of contemporary literature There are two dominant modes of analysis gathered here the first performed by Julian Murphet Paul Sheehan and Mark Steven is to locate the novel within its political spiritual and economic climates the second whose exponents include Paul Patton Sean Pryor Chris Danta and Grace Hellyer deals with the formal dimensions of McCarthy s characteristically brilliant prose in relation to its sparse narrative By coupling historically sensitive analysis with incisive formal criticism the contributors not only account for the matchless form of this exemplary novel they also suggest that The Road has something unique to disclose about the world we inhabit
