Goodness And Justice

Goodness And Justice:

Goodness and Justice Joseph Mendola,2006-04-10 In Goodness and Justice Joseph Mendola develops a unified moral theory that defends the hedonism of classical utilitarianism while evading utilitarianism s familiar difficulties by adopting two modifications His theory incorporates a developed form of consequentialism When as is common someone is engaged in conflicting group acts it requires that one perform one s role in that group act that is most beneficent The theory also holds that overall value is distribution sensitive ceding maximum weight to the well being of the worst off sections of sentient lives It is properly congruent with commonsense intuition and required by the true metaphysics of value by the unconstituted natural good found in our world *Goodness and Justice* Gerasimos Santas,2001-10-08 This volume explores Plato and Aristotle s theories about good things goodness and the best life for human beings and draws comparisons between ancient and modern theories of good and justice
