**The Sasha McCandless Series: Volume 6 (Books 14-16)** Melissa F. Miller, 2024-09-03

This set includes the full length novels *Innocent Mistakes*, *Independent Sources* and *Insidious Threats*. In *Innocent Mistakes* Book 14 attorney Sasha McCandless Connelly defends her teenage nephew from felony charges. Sasha has her hands full with her six year old twins but she adores her pack of nieces and nephews. So when sixteen year old Colin calls and tearfully announces he's been arrested she flies into action to protect him. Colin's accused of using the Internet to make threatening statements, a federal felony. Social media posts by Colin threaten his ex girlfriend's new boyfriend with violence and worse. Colin swears he didn't make the posts and Sasha believes him. Then the private messages turn up. As she shines a light on the high school's dark underbelly the teenagers close rank and the whispered secrets multiply. But she's confident she can clear Colin's name. Then someone actually tries to make good on the threat to kill the other boy. Colin's taken into custody on an attempted murder charge. Someone's trying to frame him. But who? And why? Sasha navigates a web of lies and ever shifting alliances as she scrambles to save a kid whose diapers she once changed even as she realizes she doesn't know him nearly as well as she thought she did.

Friendship and duty collide in *Independent Sources*, the fifteenth Sasha McCandless novel. When Sasha discovered a pattern of police and prosecutorial misconduct in a nearby town she stirred a hornet's nest. Three years later tempers are rising and she's once again in the spotlight as the high profile case hits the news. Investigative reporter Maisy Farley is one of Sasha's long time friends and closest confidantes. When she gets an anonymous tip about Sasha's case she's compelled to see where it leads. But as Sasha prepares for trial and Maisy digs deeper into her source's allegations it's clear someone is pulling the strings behind the scenes. The friends are on a collision course as they each work to uncover the truth and the secrets they expose will have explosive consequences.

In *Insidious Threats* Book 16 Sasha and Leo team up against their most powerful adversary yet. But has the wife and husband duo finally met their match? When Landon Lewis plunged to his death from his office window he left behind a slew of unanswered questions. The one that weighs most heavily on Leo Connelly's mind is what exactly is he supposed to do with the package Landon sent him the day he died. As a special agent for a secretive government agency Leo has the connections and resources to crack open the encrypted flash drive but the letter accompanying the drive gives him pause. The dead man's words are so cryptic so ominous so chilling that Leo decides this is an operation best conducted off the books far away from his agency's watchful eye and his wife's. Under ordinary circumstances Sasha McCandless Connelly would notice when her husband is hiding something. Unfortunately she's distracted by the behavior of her former law firm. When Prescott Talbot's managing partner resigns abruptly then disappears the firm leaders come to Sasha ostensibly for help. But she knows better than to trust them. As Sasha digs into the truth behind Cinco Prescott's disappearance Leo unravels the mystery of Landon's flash drive. What they uncover separately leads to one inescapable conclusion: they'll have to work together to dismantle the dangerous dystopian Mjlnir network without

**Horrrifying Children** Lauren Stephenson, Robert Edgar, John Marland, 2024-03-07 Horrrifying Children examines weird and eerie children s television and literature via critical analysis memoir and autoethnography There has been an explosion of interest in the impact of children s television and literature of the late twentieth century In particular the 1970s 80s and 90s are seen as decades that shaped a great deal of the contemporary cultural landscape Television of this period dominated the world of childhood entertainment drawing freely upon literature and popular culture like the Garbage Pail Kids and Stranger Things and much of it continues to resonate powerfully with the generation of cultural producers fiction writers screenwriters directors musicians and artists that grew up watching the weird the eerie and the horrific the essence of 21st century Hauntology In these terms this book is not about children s television as it exists now but rather as it features as a facet of memory in the 21st century As such it is the legacy of these television programmes that is at the core of Horrrifying Children The haunting of adults by what we have seen on the screen is crucial to the study This collection directly addresses that which scared us in the past inasmuch as there is a correlation between individual and collective cultural memory with some chapters providing an opportunity for situating existing explorations and understandings of Gothic and Horror TV within a hauntological and experiential framework
