Gordons Jet Flight:

Gordon's Jet Flight Naomi J. Glasson, 1961 **NASA Astronauts** United States. National Aeronautics and Space Administration, 1968 **A History Of The Gordons** Kenn Gordon, 2020-12-22 This book will take an academic look at those who are of the Gordon name and clan There are already quite a few books about the Gordons but they either skip over the lineage or romanticise battles and positions held There are defining traits within the Gordon DNA that much is true however that does not always make us good people We strive to be the absolute best in our chosen fields That could be taking the fore in battles or being the best musician you can be There are amazing acts of bravery that have been carried out by the Gordons along with substantial acts of cowardice If that sounds like an oxymoron then you would be right as we occupy both ends of the moral and social scales The Gordons have fought for and against the Papacy We fought on both sides of the Jacobite rebellion We stood for and against England The Gordons even as individuals have fought on both sides in World War 1 and 2 There were Gordons on either side of communism We have been great scientists and doctors I have one son who is a great Chef and the other is a Quantum Physicist whilst I am a Musician and Writer So we all do have a personal choice but it is what and how you act upon us that will mark our places in the history of the Gordon name I wrote this book in the year 2020 when the world was facing a global pandemic Not only were our doctors and nurses fighting an invisible enemy Covid 19 but worse was happening on the streets around the world Racism seems to raise its ugly head when mankind is at its lowest ebb Black Lives Matter was a new movement To an old problem I feel that ALL Lives matter There are Gordons who are African Indian European Australian Asian North American and South American Those Gordons have every shade of skin colour that comes within the human range We also follow every faith and no faith at all If you go back far enough in any clan or race you will find some element of slavery We Gordons have also been on both sides of that evil We have been Slaves Slave Owners and even Slave Traders Slaves would normally keep their own first name but would also adopt the surname of the slave owner hence not all Gordons are Celtic Being involved in slavery is not a matter of pride to most Gordons it is just a matter of historical fact Tearing down statues or defacing buildings that bear the name of historical people to me is pointless It would be like tearing down the Auschwitz Museum There was a holocaust and Auschwitz is testament to that horror and by it being there it tells us not to forget When people tried to tear down the statue of William Wallace saying that he was a racist His statue is there because he fought for Scotland and its people There were 12 presidents of the USA that owned slaves Thomas Jefferson James Madison James Monroe Andrew Jackson Martin Van Buren William Henry Harrison John Tyler James K Polk Zachary Taylor Andrew Johnson and Ulysses S Grant You would have to tear down America and start building all over again starting with Washington DC and the White House We remember our history the good along with the bad in order to learn from our mistakes Consequently in this book you will find all the great moments in the Gordon history since 66BC all the way up to 2020 You will also find the truth and the facts that point to unspeakable acts carried out sometimes in the name of the

Gordon families other times just out of coincidence to them bearing the name of Gordon One such example would be the Highland clearances carried out by the Duke of Sutherland whose wife was Countess Elizabeth Gordon He committed an act of ethnic cleansing in the north of Scotland This is not something that gives me pride it is though part of my history and if you are a Gordon then it is part of your history especially if you can trace your roots back to that period in America Canada Newfoundland and Australia These were the predominant areas that the crofters from the north of Scotland were forced to flee too Gordons fought on both sides of the American Civil War The Gordons fought during the crusades it is even said that it was a Gordon that was responsible for the death of Richard The Lionheart This book is not a romanticised novel where facts are cherry picked I have written this as a non fiction work and as a starting point for any genealogical work you wish to embark upon I have taken information for many sources in order to complete this and I give thanks to the Encyclopaedia Britannica Wikipedia Ancestry online The Gordon Highlanders UK Census as well as reading many books on Scottish History and land ownership Long and Short of this book is that it is written by a Gordon for all Gordons *NASA EP*. United States. National Aeronautics and Space Administration,1961 **The Cooper Affair** R.J. Patterson,2015-11-24 Find out why NY Times bestselling author Vincent Zandri is calling R J Patterson a worthy successor to Vince Flynn From bestselling author R J Patterson comes a pulse pounding mystery thriller about a D B Cooper copycat who engages former CIA operative James Flynn and FBI agent Jennifer Banks in a deadly game of cat and mouse In the third installment of the James Flynn thriller series Flynn is working on an article for his magazine The National surrounding the famous D B Cooper skyjacking case in Washington when a brazen criminal leaps from a commercial jet with a million dollars While it s not an exact replication of Cooper s heist FBI officials can t deny the similarities between the cases and the thief s obvious attempt to make himself out to be Cooper s equal Working as a consultant for the FBI Flynn teams up with Banks again to catch a criminal who grows more dangerous and daring with each move Meanwhile retired FBI agent Harold Coleman who worked on the original Cooper case inserts himself into the investigation in an attempt at redemption All three find themselves trapped in a deadly game of cat and mouse with the thief and must find a way out before it s too late *Cabo* Tom Mehesan,2020-05-15 Cabo an action adventure Christian mystery will keep you glued to its pages Jeremy Long a nonbeliever and an attorney suddenly finds a beautiful young Mexican woman climbing the swim ladder of his sailboat near Catalina Island wearing only her bikini She brings with her a tearful claim that people may be trying to kill her people on the yacht anchored about a hundred yards away It has to do with a 100 000 000 real estate scam gone wrong His first reaction is to throw her overboard but she is so beautiful and so scared Jeremy is hooked He s got to know what it s all about *NASA Office of Aeronautics and Space Technology Summer Workshop, August 3 Through 16, 1975, Conducted at Madison College, Harrisonburg, Virginia ,1975*

Rice,2010-03-24 Born as they were to privilege the five Gordon siblings Edward Elizabeth Francis Cynthia and Susan knew in their youth the joy of life together at the family summer estate on Lake Superior in Minnesota Throughout those years the closeness and the commitment to each other became the cornerstone of their existence Now as they gather in their old family home the two men and three women wonder if this will be the last time fate will allow them to enjoy each others company and conversation Each has succeeded and moved on to careers within the framework of the contemporary world of politics greed and war But Edwards position in covert intelligence with the Secret Service places him at extreme risk During the family gathering he receives two cryptic messages We will come for you in eighteen hours and We will meet in Samarkand The intense bonds between the Gordons have never weakened but they are tested to the extreme when they are informed that Edward has been captured by the Taliban and is being held in the mountains of Afghanistan This final challenge threatens their deep family connections
