

THE GOSPEL ACCORDING TO TONY SOPRANO

A painting of Tony Soprano, the character from the TV show 'The Sopranos', depicted in a religious or biblical style. He is shown from the chest up, wearing a white robe with a yellow sash draped over his right shoulder. He has a serious, almost somber expression, looking slightly to the left. He is holding a black Bible in his right hand, which is positioned in the lower left foreground. In his left hand, he holds a black handgun, which is partially visible. The background is a dark, textured reddish-brown with faint, golden-yellow circular patterns and lines radiating from behind his head, suggesting a halo or a divine presence. The overall style is reminiscent of religious art, possibly a fresco or a classical painting.

Yoder, 2015 John C Yoder examines political culture and behavior in the book of Judges Although the Deuteronomistic editor portrayed the judges as moral champions the men and women of valor were preoccupied with the problem of gaining and maintaining political power They were ambitious at times ruthless they might be labeled chiefs strongmen or even warlords in today's world They used violence patronage and the control of the labor and reproductive capacity of subordinates as well as other strategies that did not require the constant exercise of force such as using their association with YHWH to advance their political economic or military agenda **The Emerging Church** Dan Kimball, 2009-08-30

Includes Samples and photos of emerging church worship gatherings Recommended resources for the emerging church The seeker sensitive movement revolutionized the way we did church and introduced countless baby boomers to Jesus Yet trends show that today's post Christian generations are not responding like the generations before them As we enter a new cultural era what do worship services look like that are connecting with the hearts of emerging generations How do preaching leadership evangelism spiritual formation and most of all how we even think of church need to change The Emerging Church goes beyond just theory and gets into very practical ways of assisting you in your local church circumstances There is no one

What Matters Most Leonard Sweet,2012-03-13 Belief can exist in isolation but faith requires a relationship Why wade in the shallows of belief when you can plunge into the depths of faith Belief involves a different way of thinking but faith brings about a new way of living It grows through direct experience and a close relationship both of which come as you follow Jesus As Christians we often talk about developing a personal relationship with Christ but instead of pursuing a relationship we pursue knowledge We are tempted to place confidence in our definite settled beliefs which offer a pale substitute for the daily adventure of an honest relationship with Jesus In What Matters Most Leonard Sweet presents a challenging and compelling approach to belief that is joined by dynamic engagement with God You are invited to explore the uncharted regions of faith by following Jesus completely on his terms Once you begin you will never go back to mere belief
