

ST.

MATTHEW

Gospel St Matthew

Rudolf Schnackenburg

Gospel St Matthew:

The Gospel of Matthew Rudolf Schnackenburg, 2002 From ancient times the Gospel of Matthew has been regarded as the church Gospel its aims are preeminently catechetical pastoral and missionary But recent research raises many questions regarding Matthew's creation theological intentions and shaping for the circle of its first recipients This highly original commentary by Rudolf Schnackenburg follows Matthew chapter by chapter and verse by verse carefully explaining and interpreting the text against both its primitive and current horizons Schnackenburg sees Matthew's purpose as simply the proclamation of Christian salvation His commentary gives extra attention to the great discourses of Jesus found in Matthew such as the Sermon on the Mount showing how Jesus words and works have special currency for the self understanding of the church and for the task of Christian living today Written by a master exegete with a pastor's sensitivity this commentary will fast become a classic study of Matthew's Gospel *The Gospel According to Matthew*, 1999 The publication of the King James version of the Bible translated between 1603 and 1611 coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English language literature in history Now world class literary writers introduce the book of the King James Bible in a series of beautifully designed small format volumes The introducers passionate provocative and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance

The Gospel of Matthew Daniel J. Harrington, 2007 Matthew wrote his Gospel from his perspective as a Jew It is with sensitivity to this perspective that Father Harrington undertakes this commentary on the Gospel of Matthew After an introduction he provides a literal translation of each section in Matthew's Gospel and explains the textual problems philological difficulties and other matters in the notes He then presents a literary analysis of each text content form use of sources structure examines the text against its Jewish background situates it in the context of Matthew's debate with other first century Jews and reflects on its significance for Christian theology and Christian Jewish relations Includes an updated bibliography and appendix

The Gospel of Matthew and Its Readers Howard Clarke, 2003-08-07 The Gospel of Matthew and Its Readers is a biblical commentary with a difference Howard Clarke first establishes contemporary scholarship's mainstream view of Matthew's Gospel and then presents a sampling of the ways this text has been read understood and applied through two millennia By referring forward to Matthew's readers rather than back to the text's composers the book exploits the tensions between what contemporary scholars understand to be the intent of the author of Matthew and the quite different indeed often eccentric and bizarre ways this text has been understood assimilated and applied over the years The commentary is a testament to the ambiguities and elasticity of the text and a cogent reminder that interpretations are not fixed nor texts immutably relevant And unlike other commentaries this one gives space to those who have questioned rejected or even ridiculed Matthew's messages since Bible bashing like Bible thumping is a historically significant part of the experience of reading the Bible

The Gospel of Matthew R. T. France, 2007-07-11 It is a special pleasure to introduce R T Dick France's commentary to the pastoral and scholarly community who should find it a truly exceptional and helpful volume So says Gordon Fee in his preface to this work France's masterful commentary on Matthew focuses on exegesis of Matthew's text as it stands rather than on the prehistory of the material or details of Synoptic comparison It is concerned throughout with what Matthew himself meant to convey about Jesus and how he set about doing so within the cultural and historical context of first century Palestine Amid the wide array of Matthew commentaries available today France's world class stature his clear focus on Matthew and Jesus his careful methodology and his user friendly style promise to make this volume an enduring standard for years to come *Bringing the Gospel of Matthew to Life* George Martin, 2008 Biblical commentator George Martin has dedicated his career to showing Catholics how to read Scripture as the word of God His easy to understand verse by verse exposition of the Gospel of Matthew helps readers grasp not only the author's original meaning but also what God is saying to his people today The author's writing is sound and well researched but popular rather than academic so it enables readers to study and pray through Matthew at the same time

The Gospel of Matthew (Catholic Commentary on Sacred Scripture) Curtis Mitch, Edward Sri, 2010-12-01 Examine the New Testament from within the living tradition of the Catholic Church This engaging commentary on the Gospel of Matthew is the fifth of seventeen volumes in the Catholic Commentary on Sacred Scripture CCSS which will cover the entire New Testament The CCSS relates Scripture to Christian life today is faithfully Catholic and is supplemented by features designed to help pastoral ministers lay readers and students better comprehend the Bible and use it more effectively Commentary features include Biblical text from the New American Bible Revised Edition NABRE References to the Catechism the Lectionary and related biblical texts Theological insights from Church fathers saints and popes Reflection and application sections for daily Christian living Suggested resources and an index of pastoral subjects Attractively packaged and accessibly written the CCSS aims to help readers understand their faith more deeply nourish their spiritual life and share the good news with others

The Gospel According to St. Matthew, 1870

Behold the Christ: Proclaiming the Gospel of Matthew Leroy A. Huizenga, 2019-11-01 Behold the Christ Proclaiming the Gospel of Matthew by Leroy A Huizenga reveals the significance of St Matthew's Jesus He is Emmanuel God with us always who saves his people from their sins by dying for them In showing how Jesus fulfilled the Old Testament gave us a way to live and taught us how to follow the narrow way to the kingdom of heaven St Matthew modeled the fourfold way of reading Scripture according to letter and spirit Above all St Matthew's Gospel presents Jesus Christ founding the Catholic Church as a robust rigorous religion with rich rituals chiefly the sacrificial Eucharist as sustenance on the narrow way to heaven Jesus demands much of his Church but the same Jesus who commands his Church also promises and delivers much above all himself Keyed to the lectionary and featuring a section on the relevance of St Matthew's Gospel for our contemporary age Behold the Christ will make the Gospel and indeed the Faith real to today's readers [The Gospel of St.](#)

Matthew John Monro Gibson,1900 The Gospel of St. Matthew John Monro Gibson,2020-08-01 Reproduction of the original The Gospel of St Matthew by John Monro Gibson *The Gospel According to St. Matthew* Randolph Vincent Greenwood Tasker,1961 For the Church today as for the early Church the Gospel of Matthew provides an indispensable tool in the Church s threefold task of defending its beliefs against attacks of instructing converts in the ethical implications of their newly accepted religion and of helping its own members to live a disciplined life of fellowship based on the record of the deeds and words of their Lord and Master In short the Gospel of Matthew serves as an apology a handbook of instruction and a lectionary for use in Christian worship *Gospel of St. Matthew* Donald Senior,1974 Biblical texts create worlds of meaning and invite readers to enter them When readers enter such textual worlds which are often strange and complex they are confronted with theological claims With this in mind the purpose of the Interpreting Biblical Texts series is to help dedicated students in their experience of reading and interpreting by providing guides for their journeys into textual worlds The controlling perspective is expressed in the operative word of the title interpreting The primary focus of the series is not so much on the world behind the texts or out of which the texts have arisen as on the worlds created by the texts in their engagement with readers **The Gospel According to St. Matthew** ,1961 Expositor's Bible: The Gospel of Matthew John Gibson,2021-12-02 *The Gospel of St. Matthew* Alexander Maclaren,1892 **The Gospel of St. Matthew** John C. Fenton,1964 Lectures on the Gospel of st. Matthew Beilby Porteus,1807 *Built Upon the Rock* Daniel M. Gurtner,John Nolland,2008-02-02 This collection of essays from the 2005 Tyndale Fellowship conference covers topics pertinent to the entire first Gospel including Matthew s sources the role of Jerusalem the problem of anti Semitism Matthew s portrayal of salvation history and more Reflections by seasoned veterans Donald Hagner R T France David Wenham and others are featured complemented by the contributions of a number of scholars lesser known to the English speaking world Together these essays provide a valuable entry in the field by an international team of evangelical scholars addressing critical questions in Matthean studies Contributors Armin D Baum Stephanie L Black Jeannine K Brown Roland Deines Mervyn Eloff R T France Daniel M Gurtner Donald A Hagner James M Hamilton Jr David Instone Brewer John Nolland David Wenham *Commentary on the Gospel of St. Matthew* Saint Thomas Aquinas,2011-12-31 The Commentary on the Gospel According to St Matthew is a translation of Saint Thomas Aquinas lectures on the Gospel of Saint Matthew given in Paris in approximately the year 1270 This is the first ever translation into English of this major work of the Angelic Doctor It will be a useful commentary for Catholics and non Catholics but especially as an aid for preaching sermons Numerous explanations and cross references to other works of St Thomas are given in the text St Thomas is a master of Scripture and the Church Fathers which are continuously interwoven in this simple but profoundly enlightening text

As recognized, adventure as capably as experience very nearly lesson, amusement, as well as settlement can be gotten by just checking out a books **Gospel St Matthew** in addition to it is not directly done, you could admit even more regarding this life, with reference to the world.

We have the funds for you this proper as with ease as simple habit to acquire those all. We pay for Gospel St Matthew and numerous books collections from fictions to scientific research in any way. among them is this Gospel St Matthew that can be your partner.
