The Armenian Gospels of Gladzor Thomas F. Mathews, Alice Taylor, 2001 The text s elaborate illumination also brings to life a vibrant artistic center the Monastery of Gladzor which long ago disappeared The Armenian Gospels of Gladzor includes sixty color reproductions of the manuscript s illuminated pages ten black and white illustrations and two maps along with an essay that explores the book s artistic richness and theological complexity **BOOK JACKET** *Best Kept Secrets of the Gospel of Jesus Christ* Lawrence D. Gardner, 2006-02-28 I had a religion professor at Brigham Young University who often asked What is the best kept secret of The Mormon Church After declaring all answers amiss he would make this statement The best kept secret of The Mormon Church is the Gospel of Jesus Christ Over the years of teaching gospel doctrine I have found his statement to be all too true Despite their best study efforts and the abundance of scriptural resources many members do not understand some fundamental and extremely important doctrines I invite you to feast with me upon the meat of more exalted concepts *The Gospel Beyond the Gospels* Trevor Dennis, 2017-02-16 Within a few decades of the death of Jesus of Nazareth there emerged within the infant church five literary and theological geniuses Paul and the writers of the Gospels No works of literature have been subjected to such close persistent scrutiny by so many over the centuries Yet the Gospels continue not only to fascinate challenge and inspire but to reveal new treasures and throw up fresh problems Much depends on the questions we ask of them and the level of curiosity and honesty we bring to this task For while the Gospels represent four magnificent attempts to come to terms with Jesus and the God he revealed we cannot be surprised when they fail We should however be astonished that they take us so far into Truth then point even further on In this glorious book Trevor Dennis urges us to follow some of those pointers to investigate where they lead in the search for the bright gospel beyond the Gospels We will find ourselves in territory that is sometimes disturbing and sometimes heartening But never less than truly exhilarating *Catalog* Sears, Roebuck and Company, 1912 **The Gospels and Acts** Michael Wilkins, Craig A. Evans, Darrell L. Bock, Andreas J. Köstenberger, 2013-10-01 The most comprehensive volume ever produced in defense of the Gospels and Acts The four Gospels and the book of Acts tell stories of Jesus life and the birth of Christianity Are these stories true history or just religious fiction Christians accept the stories as true and say that the entire Bible is a reliable communication inspired by God Against this non Christians have argued that the Bible is a book of legends myths and historical inaccuracies just another example of human religious endeavor In this volume four world class New Testament scholars address challenges to the reliability of the Gospels and Acts In order to identify the most important challenges the authors drew from the literature of skeptics and New Testament critics plus they included questions that many Christians ask as well The result is the most comprehensive defense of the Gospels and Acts that has ever been published The primary purpose of the Holman Apologetics Commentary on the Bible is to equip readers to defend the reliability of Scripture and the historic evangelical understanding of its teachings It is designed for use by general readers though scholars will find it a

probing and welcome resource as well. A secondary purpose is to encourage awareness and discussion of Bible difficulties that are not commonly mentioned from the pulpit or even the seminary lectern. This is not a verse by verse commentary. The authors were provided an index that identified verses known to be relevant to the topics of apologetics and biblical reliability. They restricted their comments to these verses plus any others that they recognized as germane to the aims of this project. Typically each commentary note begins by stating the challenge or challenges regarding the text at hand. We attempt to state the case in all its potency as a critic would state it. This approach takes seriously the critical viewpoint and helps ensure that the reader feels the full weight of the challenge. The contributors take each challenge seriously and seek to describe viable solutions that support faith and align with a high view of Scripture.

Fictional Transfigurations of Jesus Theodore Ziolkowski, 2002-04-12. Many novels revolve round the figure of Jesus. Some of the finest of them are defined by Ziolkowski as fictional transfigurations of Jesus. They share a modern hero patterned on Jesus, the culture hero whose life consisted of the motifs of the last supper, lonely agony, betrayal, trial, and crucifixion. The aesthetic challenge of adapting this most familiar story for their generation has attracted an unusual number of great writers among them: Papini, Kazantzakis, Hesse, Mann, Greene, Faulkner, and Gore Vidal. The form began with the new image of a humanized Jesus which developed in the 19th century. The interest in religious paranoia and hysteria at the turn of the century instantly expanded its potentialities as novelists began to explore the theme of christomania. This was followed by studies of Jesus as a mythic figure and then Marxist oriented portraits of Comrade Jesus. Finally the form became inverted into parody in the Fifth Gospels in which not Jesus but Judas is the central figure.

That You Might Believe - Study on the Gospel of John Robert L. Deffinbaugh, 2002. There are certain books of the Bible that just seem to stand out, and the Gospel of John is surely one such book. It is frequently the first book of the Bible we encourage non-Christians to read in the hope that its message will lead them to faith in Christ. After all, that is the purpose of the book. See John 20:31. For Christians the Gospel of John is a source of much truth about our Lord and the Gospel. But it is much more than that. It is an opportunity for us to follow Him as we read and to identify with the disciples as their knowledge of Him continues to expand. It is our opportunity

to get to know the heart of the Savior and to fellowship with Him through His Word If men of old found their hearts set on fire as they listened to Him teach in person Luke 24 32 so we will find our hearts warmed as we seek to listen to Him through this Gospel I challenge you to join me in making the Gospel of John the subject of your study May God use it to help you see and serve Jesus Christ as the Lamb of God who takes away the sin of the world John 1 29 **Daily Bible Study Fall 2025**
