Gothard The Man And His Ministry:

Gothard Wilfred Bockelman, 1976 This book attempts to penetrate the public image and identify Bill Gothard and his ministry **Quivering Families** Emily Hunter McGowin, 2018-05-01 American evangelicals are known for focusing on the family but the Quiverfull movement intensifies that focus in a significant way Often called Quiverfull due to an emphasis on filling their quivers with as many children as possible Psalm 127 5 such families are distinguishable by their practices of male only leadership homeschooling and prolific childbirth Their primary aim is multigenerational faithfulness ensuring their descendants maintain Christian faith for many generations Many believe this focus will lead to the Christianization of America in the centuries to come Quivering Families is a first of its kind project that employs history ethnography and theology to explore the Quiverfull movement in America The book considers a study of the movement s origins its major leaders and institutions and the daily lives of its families Quivering Families argues that despite the apparent strangeness of their practice Quiverfull is a thoroughly evangelical and American phenomenon Far from offering a countercultural vision of the family Quiverfull represents an intensification of longstanding tendencies The movement reveals the weakness of evangelical theology of the family and underlines the need for more critical and creative approaches *A Transforming Faith* David Harrington Watt, 1991 The first collection to focus the lens of postcolonial theory on pre twentieth century America Evangelicals in the White House Erling Jorstad, 1981 This text seeks to distinguish between moderate press on and conservative hold fast evangelicals characterizing Jimmy Carter as the former and Ronald Reagan as the latter and attributes Reagan s and the hold fast evangelicals political successes to their mastery of computer and television technology *The Book of Jerry Falwell* Susan Friend Harding, 2018-06-26 National polls show that approximately 50 million adult Americans are born again Christians Yet most Americans see their culture as secular and the United States is viewed around the world as a secular nation Further intellectuals and journalists often portray born again Christians despite their numbers as outsiders who endanger public life But is American culture really so neatly split between the religious and the secular Is America as modern and is born again Christian religious belief as pre modern as many think In the 1980s born again Christians burst into the political arena with stunning force Gone was the image of old fashioned fundamentalism and its anti worldly separatist philosophy Under the leadership of the Reverend Jerry Falwell and allied preachers millions broke taboos in place since the Scopes trial constraining their interaction with the public world They claimed new cultural territory and refashioned themselves in the public arena Here was a dynamic body of activists with an evangelical vision of social justice organized under the rubric of the Moral Majority Susan Harding a cultural anthropologist set out in the 1980s to understand the significance of this new cultural movement The result this long awaited book presents the most original and thorough examination of Christian fundamentalism to date Falwell and his co pastors were the pivotal figures in the movement It is on them that Harding focuses and in particular their use of the Bible s language She argues that this language is the medium

through which born again Christians individual and collective come to understand themselves as Christians And it is inside this language that much of the born again movement took place Preachers like Falwell command a Bible based poetics of great complexity variety creativity and force and with it attempt to mold their churches into living testaments of the Bible Harding focuses on the words sermons speeches books audiotapes and television broadcasts of individual preachers particularly Falwell as they rewrote their Bible based tradition to include rather than exclude intense worldly engagement As a result of these efforts born again Christians recast themselves as a people not separated from but engaged in making history The Book of Jerry Falwell is a fascinating work of cultural analysis a rare account that takes fundamentalist Christianity on its own terms and deepens our understanding of both religion and the modern world *Growing Up Protestant* Margaret Lamberts Bendroth, 2002 Home and family are key yet relatively unexplored dimensions of religion in the contemporary United States American cultural lore is replete with images of saintly nineteenth century American mothers and their children During the twentieth century however the form and function of the American family have changed radically and religious beliefs have evolved under the challenges of modernity As these transformations took place how did religion manage to fit into modern family life In this book Margaret Lamberts Bendroth examines the lives and beliefs of white middle class mainline Protestants principally northern Presbyterians Baptists Methodists and Congregationalists who are theologically moderate or liberal Mainliners have pursued family issues for most of the twentieth century churning out hundreds of works on Christian childrearing Bendroth s book explores the role of family within a religious tradition that sees itself as America s cultural center In this balanced analysis the author traces the evolution of mainliners roles in middle class American culture and sharpens our awareness of the ways in which the mainline Protestant experience has actually shaped and reflected the American sense of self *Holding It Together* Jessica Calarco, 2024-06-04 Other countries have social safety nets The U S has women Holding It Together chronicles the causes and dire consequences America runs on women women who are tasked with holding society together at the seams and fixing it when things fall apart In this tour de force acclaimed Sociologist Jessica Calarco lays bare the devastating consequences of our status quo Holding It Together draws on five years of research in which Calarco surveyed over 4000 parents and conducted more than 400 hours of interviews with women who bear the brunt of our broken system A widowed single mother struggles to patch together meager public benefits while working three jobs an aunt is pushed into caring for her niece and nephew at age fifteen once their family is shattered by the opioid epidemic a daughter becomes the backstop caregiver for her mother her husband and her child because of the perceived flexibility of her job a well to do couple grapples with the moral dilemma of leaning on overworked underpaid childcare providers to achieve their egalitarian ideals Stories of grief and guilt abound Yet they are more than individual tragedies Tracing present day policies back to their roots Calarco reveals a systematic agreement to dismantle our country s social safety net and persuade citizens to accept precarity while women bear the brunt She leads us to see women s

labor as the reason we've gone so long without the support systems that our peer nations take for granted and how women's work maintains the illusion that we don't need a net. Weaving eye-opening original research with revelatory sociological narrative, *Holding It Together* is a bold call to demand the institutional change that each of us deserves and a warning about the perils of living without it.

Becoming Free Indeed Jinger Vuolo, 2023-01-31 New York Times Bestseller on disentangling faith but keep your belief in Jesus intact. Jinger Vuolo, the sixth child in the famous Duggar family of TLC's *19 Kids and Counting* and *Counting On*, recounts how she began to question the unhealthy ideology of her youth and learned to embrace true freedom in Christ. When Jinger Duggar Vuolo was growing up, she was convinced that obeying the rules was the key to success and God's favor. She zealously promoted the Basic Life Principles of Bill Gothard, fastidiously obeying the modesty guidelines: no shorts or jeans, only dresses, eagerly submitting to the umbrella of authority; any disobedience of parents would place her outside God's protection; promoting the relationship standard of courtship and avoiding any music with a worldly beat. Among others, Jinger along with three of her sisters wrote a New York Times bestseller about their religious convictions. She believed this level of commitment would guarantee God's blessing, even though in private she felt constant fear that she wasn't measuring up to the high standards demanded of her. In *Becoming Free Indeed*, Jinger shares how in her early twenties a new family member, a brother-in-law who didn't grow up in the same tight-knit conservative circle as Jinger, caused her to examine her beliefs. He was committed to the Bible but he didn't believe many of the things Jinger had always assumed were true. His influence, along with the help of a pastor named Jeremy Vuolo, caused Jinger to see that her life was built on rules, not God's Word. Jinger committed to studying the Bible truly, understanding it for the first time. What resulted was an earth-shaking realization: much of what she'd always believed about God, obedience to His Word, and personal holiness wasn't in line with what the Bible teaches. Now with a renewed faith and personal conviction, *Becoming Free Indeed* shares what it was like living under the tenants of Bill Gothard, the Biblical truth that changed her perspective, and how she disentangled her faith with her belief in Jesus intact.

Distinctively Baptist: Essays on Baptist History Walter B. Shurden, 2005. This collection of essays by different authors is presented as a tribute to Walter B. Buddy Shurden, distinctively Baptist church historian, teacher, preacher, and author. Baptist apologist extraordinaire. The rationale of this celebration of the lifework and influence of Walter Shurden is well stated, for example, in editor Marc Jolley's preface: "During some of the initial forays of our most recent and ongoing Fundamentalist-Moderate controversy, there were days when I thought about changing denominations. Shurden's works were instrumental in my remaining a Baptist, not because I could see how Baptists had always had controversies and survived, although that is true, but because he helped me understand that the reason I had been Baptist and would remain so was due to our Baptist distinctives, our freedoms. For so much more, but especially for that understanding, I am forever grateful. Many students, Baptists in the pews, some at the pulpit or lectern, even some who are not distinctively Baptist, could testify in like terms regarding the ongoing work and influence of Walter B. Shurden. The essays in

this collection of course address some of the primary concerns of Walter Shurden augmenting that already significant lifework

Symposium on Evangelism (JCR Vol. 07 No. 02) R. J. Rushdoony, Kenneth Gentry Jr., Herbert Bowsher, Lewis Bulkeley, Donovan Courville, Jefferson Duckett, P. Richard Flinn, James Jordan, Francis Mahaffy, Tommy W. Rogers, What s wrong with Reformed evangelism Something certainly appears to be wrong When we look at the growth of Arminian Baptist churches and compare this growth with the various Reformed Baptist and Presbyterian denominations the numbers are very discouraging When J Gresham Machen left the old Presbyterian Church of the USA he believed that his newly formed Presbyterian Church of America would grow rapidly as a result of its commitment to biblical

inerrancy and the fundamentals of the faith Instead it suffered a split the next year June 1937 and the two new denominations the Bible Presbyterians and Orthodox Presbyterians have not grown much in membership since 1937 Much the same has been true of the various Dutch based Reformed denominations They grow only if the birth rate increases and the death rate decreases within the respective groups As I noted at age 21 the Dutch churches seem to have substituted procreation for a Board of Home Missions I wasn't tactful in my youth the way I am today So what's the problem As you might expect there is more than one problem There is a whole pile of problems such as 1 not systematic evangelism programs 2 imitation Arminian evangelism programs 3 ineffective evangelism programs 4 a message geared to confrontation not conquest 5 the humanism of our era 6 lack of capital 7 lack of confidence 8 lack of past successes to serve as precedents 9 seminaries that don't emphasize evangelism 10 too much concern for the rigors of theological speculation and not enough for the demands of applied theology 11 an inability to recognize and emphasize the strong points of the Reformed heritage relevance concrete answers for social problems scholarship organization 12 fatalism regarding stagnation and defeat 13 ignorance of the warfare between Christianity and humanism 14 compromised apologetic methodology rationalism 15 a constricted view of the Kingdom of God 16 incompetence in the area of communication 17 a failure to tithe One of the criticisms that has been aimed at the Christian reconstructionist movement is that it has not been concerned with evangelism An odd charge coming from pastors who have never demonstrated that they have had any grasp of evangelism techniques given their tiny churches and invisibility in their communities The Christian reconstruction movement is less than a decade old It has little capital Yet despite its youth and its lack of capital it has been influential enough to become a force in American thought and culture When Newsweek identified the source of the religious right's ideas it listed Chalcedon and only Chalcedon Feb 2 1981 p 60 But this is not evangelism in the eyes of the critics This doesn't count So what does count Not sheer numbers certainly the critics cannot point to their own success using this criterion What is the nature of legitimate evangelism The latest issue of The Journal of Christian Reconstruction addresses itself to this important question But more than this it offers specific affordable suggestions to struggling congregations about how they can grow become more influential and count for something within their communities We need both a theory of evangelism and a practical program for evangelism The Symposium on Evangelism offers both There has been an enormous waste in virtually all popular programs of evangelism They have not been cost effective They have not targeted their audiences properly They have not been geared to repeated contacts They have not been structured in terms of long range objectives objectives stretching out two or more generations The evangelism programs popular if that word can even be used in Reformed circles have generally been warmed over versions of Arminian evangelism These techniques have not worked for Reformed churches yet the pastors have not been willing to scrap them and rethink the whole question Is there a distinctively Reformed evangelism Are its techniques fundamentally different from those employed by Arminian churches Is there a distinctively Christian

reconstructionist evangelism a type of evangelism unavailable to the majority of Arminian denominations and congregations The answer to all three questions is the same Yes The Journal provides the evidence Far from being unconcerned with evangelism the Chalcedon movement is vitally concerned with evangelism It is a small movement at present and it needs capital How can it expect to become a world wide force for social change if it neglects evangelism How can its perspective spread to the decision makers of this age except by evangelism Everyone needs evangelism the Arminians the introspective Reformed groups the traditional conservatives the Roman Catholics the universities the heathen seats of power the media the Iron Curtain nations and all points in between But the average pastor faces more immediate problems He has to build up his struggling congregation He needs to take the first steps That s why we have devoted an issue of the Journal to evangelism What distinguishes the Chalcedon movement s view of evangelism from the rival varieties that are common today is the scope of evangelism We are convinced that no evangelism program can hope to succeed unless it is driven by a vision of universal conquest The three strongest political forces in the world today are Marxism militant Islam and modern science All three are predestinarian All three are officially optimistic All three believe that they possess the key which will unlock the door of history All three believe that they have access to the true law structure which will give them power over the world All three see themselves as agents of historical and social change All three see the whole world as their proper and required domain Until Christians can match them doctrine for doctrine vision for vision we will sit on the sidelines of history cheering for no one in particular Waiting for the game to end so that we can go home That s what most Christians are doing now This produces an ineffective evangelism It produces a socially irrelevant witness It produces the kind of witness the Roman emperors would have preferred to see the early church proclaim The emperors of our day can live with this sort of witness too It is time to change both our strategy and our tactics Gary North Sick of Singleness Harmony Claire,2023-01-10 Popular Christian Culture s narrative teaches singles that the key to finding love is to abdicate responsibility for their love lives to God Slogans abound Singleness is a gift Wait on the Lord God is enough God will send you the right one in His time Such mantras sound so spiritual but what if they are not true What if they are not Biblical What if the very things you are doing to find love are keeping you from it In Sick of Singleness author Harmony Claire uses her own singleness breakthrough story to skillfully address the spiritual cultural and personal narratives that can keep Christians trapped in unwanted singleness Her biblical and practical approach to the search for true love offers unique refreshing and life changing insights that will empower you to change your narrative and your story The Complete Gathered Gold ,2024-12-19 Throughout his more than sixty years of ministry John Blanchard author of Ultimate Questions and Does God Believe in Atheists learned from hundreds of Christian men and women The Complete Gathered Gold collects more than 15 000 of his favorite quotations on over six hundred subjects Christians can find nuggets of wisdom on every topic from adoption to zeal The Complete Gathered Gold is sure to be a treasure trove for preachers teachers and everyday believers whenever they want to read a gem of truth
