Down and Out in the New Economy Ilana Gershon, 2024-07-06 What does it mean to market yourself as a business in today's job search world Finding a job used to be simple Now well it's complicated In today's economy you can't just be an employee looking to get hired you have to market yourself as a business one that can help another business achieve its goals That's a radical transformation in how we think about work and employment says Ilana Gershon And with Down and Out in the New Economy she digs deep into that change and what it means not just for job seekers but for businesses and our very culture In telling this story Gershon covers all parts of the employment spectrum she interviews hiring managers about how

they assess candidates attends personal branding seminars talks with managers at companies around the United States to suss out regional differences like how Silicon Valley firms look askance at the lengthier employment tenures of applicants from the Midwest And she finds that not everything has changed though the technological trappings may be glitzier in a lot of cases who you know remains more important than what you know Rich in the voices of people deeply involved with all parts of the employment process Down and Out in the New Economy offers a snapshot of the quest for work today and a pointed analysis of its larger meaning

Creating and Living Your Purpose James Koehneke, 2007-12-01 *Creating and Living Your Purpose* is intended for those who are not satisfied with their present career and who want to feel greater joy in self expression This book helps the reader identify their purpose in life a purpose connected with their soul and then presents job search techniques that when put into action will bring about a successful change For many of us our soul has been tapping on our shoulder suggesting a course of action that will lead us to greater fulfillment Often that tapping hasn't been loud enough or maybe we haven't been paying enough attention But with focus attention and introspection followed by skill building right thinking and right action we can discover and manifest the work of our dreams our life's work This book is about making that happen
