

The background of the book cover is a dark red, textured surface. Scattered across this surface are various electronic components and tools. These include several resistors of different colors (blue, orange, brown), capacitors (blue electrolytic, silver electrolytic), integrated circuits (chips), and a small digital display showing the number '14'. Tools like a screwdriver with a red handle and a pair of pliers are also visible. The components are arranged in a way that suggests a workspace or a hobbyist's bench.
