

The background of the book cover is composed of several large, overlapping triangles in various colors: a large green triangle at the top, a blue triangle to the left, a yellow triangle to the right, and a large red triangle at the bottom. A black coordinate system is overlaid on the green and yellow triangles, with its origin near the center. The x-axis points to the right, and the y-axis points upwards. A thin white line passes through the origin, and another thin white line is parallel to it, shifted slightly to the right. A black line with an arrow at its end points from the origin towards the bottom-left, passing through the red triangle.
