Women on the Edge in Early Modern Europe Lisa Hopkins, Aidan Norrie, 2025-10-01 Women on the Edge in Early Modern Europe examines the lives of women whose gender impeded the exercise of their personal political and religious agency with an emphasis on the conflict that occurred when they crossed the edges society placed on their gender Many of the women featured in this collection have only been afforded cursory scholarly focus or the focus has been isolated to a specific in famous event This collection redresses this imbalance by providing comprehensive discussions of the women s lives placing the matter that makes them known to history within the context of their entire life Focusing on women from different backgrounds such as Marie Meurdrac the French chemist Anna Trapnel the Fifth Monarchist and prophetess and Cecilia of Sweden princess margravine countess and regent this collection brings together a wide range of scholars from a variety of disciplines to bring attention to these previously overlooked women

The Palgrave Handbook of Feminist, Queer and Trans Narrative Studies* Vera Nünning, Corinna Assmann, 2025-07-09 The Palgrave Handbook of Feminist Queer and Trans Narrative Studies provides a comprehensive overview of the intersection between narrative theory and feminist queer and trans theory Bringing together eminent and emerging scholars from a range of disciplines it foregrounds connections between new views on gender and recent developments in narratology The first section outlines key concepts for the study of narrative and gender and features theory oriented chapters on what it means for the study of narrative to go beyond gender binaries The middle sections cover some of the currently most influential fields of narratology and literary theory cognitive and eco narratology postcolonial studies as well as concepts that are central to both narrative and gender studies such as affect and performativity The last section explores the meaning of gender in various genres and media formats from science fiction and trans autobiographies to film TV and social media This field changing volume shows how the proliferation of new ways to think about gender identity and sexuality demands a strong reconsideration of narratological methodologies Chapter 23 is available open access under a Creative Commons Attribution 4.0 International License via link.springer.com

Telling Tales Kylie Cardell, Kate Douglas, 2017-08-10 Young writers have historically played a pivotal role in shaping autobiographical

genres and this continues into the graphic and digital texts which characterise contemporary life writing This volume offers a selection of pertinent case studies which illuminate some of the core themes which have come to characterise autobiographical writings of childhood including cultural and identity representations and tensions coming into knowledge and education sexuality prejudice war and trauma The book also reveals preoccupations with the cultural forms of autobiographical writings of childhood and youth take engaging in discussions of archives graphic texts digital forms testimony didacticism in autobiography and the anthologising of life writing This collection will open up broader conversations about the scope of life writing about childhood and youth and the importance of life writing genres in prompting dialogues about literary cultures and coming of age This book was originally published as a special issue of *Prose Studies*

Indiscipline Alicia Carroll, 2024 In the last few years there have been myriad media reports regarding Federal Indian boarding schools and their grisly history of violence and cultural erasure against Native people in the United States The US government recently acknowledged its role for the first time with the Department of the Interior's publication of the Federal Indian Boarding School Initiative Investigative Report In this book Alicia Carroll tells the history of one form of literary Native resistance to this violence that of the collaboratively written autobiography Focusing on work by Hopi boarding school residents Carroll shows readers that collaborative autobiographical authorship is a practice of Indigenous intellectual sovereignty using a method they dub indiscipline a strategy of defying refusing or purposefully failing to follow mandates to conform to settler colonial sex and gender norms including heteronormativity the binary construct of sex and gender and the idea of personhood itself Through collaboratively written autobiography Carroll argues that Native authors not only resisted colonial attempts to use sex and gender to alienate them from their homelands and bodies they created an important Indigenous literary genre that informs our understanding of Native life and art today *Moving from the Known to the Unknown in Academic Writing* Verbra Frances Pfeiffer, 2022-01-13 Expressive writing is mainly used on psychological patients to assist them in dealing with their trauma This book is the first to use expressive writing in assisting L2 students in their academic writing As may be shown in this book that using expressive writing techniques are particularly helpful for L2 students who have difficulty expressing themselves when writing in English The book will appeal to lecturers in language centres linguists psychologists and teachers *Handbook of Narrative Inquiry* D. Jean Clandinin, 2006-12-28 Composed by international researchers the Handbook of Narrative Inquiry Mapping a Methodology is the first comprehensive and interdisciplinary overview of the developing methodology of narrative inquiry The Handbook outlines the historical development and philosophical underpinnings of narrative inquiry as well as describes different forms of narrative inquiry This one of a kind volume offers an emerging map of the field and encourages further dialogue discussion and experimentation as the field continues to develop Key Features Offers coverage of various disciplines and viewpoints from around the world Leading international contributors draw upon narrative inquiry as conceptualized in Anthropology

Sociology Psychology and Philosophy Illustrates the range of forms of narrative inquiry Both conceptual and practical in depth descriptions of narrative inquiry are presented Portrays how narrative inquiry is used in research in different professional fields Particular attention is paid to representational issues ethical issues and some of the complexities of narrative inquiry with indigenous and cross cultural participants as well as child participants Intended Audience The Handbook of Narrative Inquiry is a must have resource for narrative methodologists and students of narrative inquiry across the social sciences Individuals in the fields of Nursing Psychology Anthropology Education Social Work Sociology Organizational Studies and Health research will be particularly well served by this masterful work *Exploring Gender and Sikh Traditions* Doris R. Jakobsh, 2021-09-01 This volume gathers scholars who focus on gender through a variety of disciplines and approaches to Sikh Studies The intersections of religion and gender are here explored based on an understanding that both are socially constructed Far from being static as so often presented in world religions textbooks religious traditions are constantly in flux responding to historical cultural and social contexts So too is the Sikh tradition in terms of practices ideologies rituals and notions of identity We here conclude that a Sikh tradition does not exist instead there are numerous forms thereof In this volume Sikhism is presented as a collection of Sikh traditions Gender studies in line with women's liberation masculine and feminist studies have long examined and have long deconstructed the patriarchy but also move to identify other subordinate dominant relations between individuals Indeed there are numerous forms of discrimination and power structures that simultaneously create a multiplicity of oppression Intersectionality has become the basis of an increasingly systematized production of contemporary discourses on feminism and gender analysis as is evidenced by the varied contributions in this volume Nursing Research ,
