

Elephants

A detailed illustration of an elephant standing in a savanna landscape. The elephant is dark grey with wrinkled skin, large ears, and a trunk that is curled slightly. It has a small tusk visible. A white tag with the words 'Living Wild' in red is attached to its leg. The background shows a savanna with trees and a bright sky. A red banner is at the top, and a dark blue banner is at the bottom.

Elephant Learns to Share: A Book about Patience

(Behavior Matters) Sue Graves, 2022-01-04 This new series of picture books provide a great introduction to discussing emotions for preschoolers Each book in this series is perfect for talking about emotions boosting self esteem and reinforcing good behavior for preschoolers This vibrant set with illustrated animals is designed for sharing in a classroom or at home with key discussion words that pop in bold type The Elephant's Girl Celesta Rimington, 2021-08-17 A magical adventure for fans of Katherine Applegate and Jennifer Holm about a girl with a mysterious connection to the elephant who saved her life An elephant never forgets but Lexington Willow can't remember her past Swept away by a tornado as a toddler she was dropped in a nearby Nebraska zoo where an elephant named Nyah protected her from the storm With no trace of her family Lex grew up at the zoo with her foster father Roger her best friend Fisher and the wind whispering in her ear Years later Nyah sends Lex a telepathic image of the woods outside the zoo Soon Lex is wrapped up in an adventure involving ghosts lost treasure and a puzzle that might be the key to finding her family Can Lex summon the courage to discover who she really is and why the tornado brought her here all those years ago Collected Short Stories Aldous Huxley, 1992-02-01 Aldous

Huxley's stature as one of the giants of modern English prose and of social commentary in our time is confirmed in this gathering of his distinguished stories into a single volume Twenty one pieces are here including *The Gioconda Smile* *Little Mexican* *Young Archimedes* and *Chawdron* Together they offer a complete view of Huxley's work in the genre in which he established himself as an acknowledged master *Akimbo and the Elephants* Alexander McCall Smith, 2007-01-23 On the African game preserve where his father works Akimbo devises a dangerous plan to capture a ring of elephant poachers

Beyond the Secret Elephants Gareth Patterson, 2023-09-05 Gareth Patterson rediscovered the most southerly elephants in the world the highly endangered and secretive Knysna elephants of the southern Cape South Africa It was during this time that he also made the startling discovery of a being even more mysterious than the Knysna elephants a relict hominoid known to the Knysna forest people as the Otang Gareth was at first reluctant to blur the remarkable story of the Knysna elephants with his findings about the otang That is until now The possible existence of relict hominoids is today gaining momentum world wide with ongoing research into the Sasquatch in North America the Yeti in the Himalayas the Yowie in Australia and the Orang Pendek in Sumatra Eminent conservationists and scientists among them Dr Jane Goodall Dr George Schaller Dr Ian Redmond Professor Jeff Meldrum and Professor Gregory Forth have publicly stated that they are open minded about the possible existence of these cryptid beings In the course of his unannounced research into the otang Gareth heard many accounts mostly spontaneous and unprompted of otang sightings by others in the area over a number of years These accounts documented in this book are astonishingly consistent both in the descriptions of the otang and in the shocked reactions of the individuals who saw them Gareth Patterson's work supports the increasing realization that humankind still has much to learn about the natural world and the mysteries it holds The possibility that we may be sharing our world with

other as yet unidentified hominoids is today being viewed as something that should not be discounted And as humankind we need to reassess our role and responsibility towards all forms of life that coexist with us on planet Earth Beyond the Secret Elephants continues the story of Patterson s search for and eventual familiarity with the remaining Knysna elephants while also revealing the presence of an even more legendary creature a relict hominoid known to the indigenous people as the otang Dr Jeff Meldrum Professor of Anatomy and Anthropology Idaho State University it is impressive when a renowned field researcher writes a book like Beyond the Secret Elephants following in the erudite footsteps of the late Lyall Watson Ian Redmond OBE **Elephant! An Educational Children's Book about Elephant with Fun Facts** Sue Reed,2021-03-10

Elephant An Educational Children s Book about Elephant with Fun Facts *Vincent Van Gogh* Philip Callow,2023-11-14

Published on the hundredth anniversary of Van Gogh s death this is the first full length biography of this undying man in twenty years and surely the most comprehensive account to date Mr Callow treats more searchingly than any previous work the development of Van Gogh s genius and his emergence as an artist after early struggles to find a vocation first in the world of art dealing and later as an evangelical missionary among Belgian miners Using the skills and psychological insights of an accomplished novelist and drawing upon new Van Gogh materials which have surfaced in the last two decades Mr Callow sets a turbulent life story firmly in historical context including Vincent s desperate attempts to accept his repressive religious upbringing and his unhappy experiences in love The story is filled with paradoxes and crushing failures ending in suicide that was to lead to enormous posthumous success Through Mr Callow s book we can see Van Gogh s life and work in terms of tumult of a legend breaking out of the triumph and confusion of 19th century culture while representing it uniquely It is perhaps the story of a saint certainly a hero of art **Wittgenstein's Vienna** Allan Janik,Stephen Toulmin,2023-11-14

This is a remarkable book about a man perhaps the most important and original philosopher of our age a society the corrupt Austro Hungarian Empire on the eve of dissolution and a city Vienna with its fin de si cle gaiety and corrosive melancholy The central figure in this study of a crumbling society that gave birth to the modern world is Wittgenstein the brilliant and gifted young thinker With others including Freud Viktor Adler and Arnold Schoenberg he forged his ideas in a classical revolt against the stuffy doomed and moralistic lives of the old regime As a portrait of Wittgenstein the book is superbly realized it is even better as a portrait of the age with dazzling and unusual parallels to our own confused society Allan Janik and Stephen Toulmin have acted on a striking premise an understanding of prewar Vienna Wittgenstein s native city will make it easier to comprehend both his work and our own problems This is an independent work containing much that is challenging new and useful New York Times Book Review *The Ku Klux Klan in the City, 1915-1930* Kenneth T. Jackson,1992-03-01

For decades the most frightening example of bigotry and hatred in America the Ku Klux Klan has usually been seen as a rural and small town product an expression of the decline of the countryside in the face of rising urban society Kenneth Jackson s important book revises conventional wisdom about the Klan He shows that its roots in the 1920s can also be found in

burgeoning cities among people who were frightened dislocated and uprooted by rapid changes in urban life Many joined the Klan for sincere patriotic motives unaware of the ugly prejudice that lay beneath the civic rhetoric Mr Jackson not only dissects the Klan's activities and membership he also traces its impact on the public life of the twenties In many places from Atlanta to Dallas from Buffalo to Portland Oregon the Klan agitated politics held immense power and won elective office The Ku Klux Klan in the City is a continuing and timely reminder of the tensions and antagonisms beneath the surface of our national life Comprehensively researched methodically organized lucidly written a book to be respected Journal of American History

After Many a Summer Dies the Swan Aldous Huxley,1993-01-01 A Hollywood millionaire with a terror of death whose personal physician happens to be working on a theory of longevity these are the elements of Aldous Huxley's caustic and entertaining satire on man's desire to live indefinitely With his customary wit and intellectual sophistication Huxley pursues his characters in their quest for the eternal finishing on a note of horror This is Mr Huxley's Hollywood novel and you might expect it to be fantastic extravagant crazy and preposterous It is all that and heaven and hell too It is the kind of novel that he is particularly the master of where the most extraordinary and fortuitous events are followed by contemplative little essays on the meaning of life The story is outrageously good New York Times A highly sensational plot that will keep astonishing you to practically the final sentence The New Yorker Mr Huxley's elegant mockery his cruel aptness of phrase the revelations and the ingenious surprises he springs on the reader are those of a master craftsman Mr Huxley is at the top of his form London Times Literary Supplement

English Matters Level 4 Module 6 ,2002 *From the Secret Files of J. Edgar Hoover* Athan Theoharis,1993-02-01 Documents from the late FBI director's secret files reveal for the first time the shocking extent of FBI activities in spying on prominent Americans and political groups A grimly fascinating and profoundly disturbing self exposure by one of the false American deities of the 20th century Arthur M Schlesinger Jr

Ellie the Elephant (Photo Version) M.G. Edwards,2013-03-31 A young elephant named Ellie living in Thailand dreams of joining the elephant polo team and playing in the Elephant Cup polo tournament but her parents want her to work in the rice fields Will she realize her dream of playing elephant polo Book two in the World Adventurers for Kids Series Ellie the Elephant is an illustrated picture book that encourages children to follow their dreams Inspired by the author's adventures in Thailand and real elephant polo matches the story features Ellie the Elephant and her family Monk the Monkey and human boys Wasan and Wattana Fun for kids and adults alike the story will introduce them to the amazing game of elephant polo and inspire children to dream big

The Theatre of Revolt Robert Brustein,1991-02-01 In a new edition of this now classic work Robert Brustein argues that the roots of the modern theatre may be found in the soil of rebellion cultivated by eight outstanding playwrights Ibsen Strindberg Chekhov Shaw Brecht Pirandello O'Neill and Genet Focusing on each of them in turn Mr Brustein considers the nature of their revolt the methods employed in their plays their influences on the modern drama and the playwrights themselves One of the standard and decisive books on the modern theater It shows us the men behind the

works what they wanted to write about and the private hell within each of them which led to the enduring works we continue to treasure New York Times Book Review The best single collection of essays I know of on modern drama remarkably fine and sensitive pieces of criticism Alvin Kernan Yale Review McClellan, Sherman, and Grant Harry T. Williams, 1991-08-01 Here are the characters and personalities of the three great Union generals explored with intelligence and wit by one of our most distinguished historians of the Civil War Mr Williams is interested not only in military skills but in the temperament for command and most of all in moral courage Each of these men he writes represents a particular and significant aspect of leadership and together they show a progression toward the final type of leadership that had to be developed before the war could be won Most important each one illustrates dramatically the relation between character and generalship From McClellan s eighteenth century view of war as something like a game conducted by experts on a strategic chessboard to Sherman s understanding of the violent implications of making war against civilians to the completeness of character displayed by Grant Mr Williams s absorbing investigation offers a fresh perspective on a subject of enduring interest
