Paradoxes of Catholicism Robert-Hugh Benson, 2024-04-02 Paradoxes of Catholicism by Robert Hugh Benson delves into the complex and thought provoking aspects of the Catholic faith exploring the apparent contradictions and mysteries that lie at its core Through a series of essays and reflections Benson grapples with theological concepts historical controversies and philosophical dilemmas offering insights that challenge and inspire readers to delve deeper into their own understanding of Catholicism In this work Benson explores paradoxes such as the simultaneous presence of suffering and salvation the tension between free will and divine providence and the mystery of the Eucharist where bread and wine are believed to become the body and blood of Christ He also addresses the paradoxical nature of Catholic teachings on topics such as humility and authority love and judgment and faith and reason The End of Religion Bruxy Cavey, 2014-02-27 In The End of Religion Bruxy Cavey shares that relationship has no room for religion Believers and seekers alike will discover anew the wondrous promise found in our savior And Christ s eternal call to walk in love and freedom will resonate with readers of all ages and denominations **Scottish Congregational Magazine** Various, 1871 **Jesus' Blood and Righteousness** Brian Vickers, 2010-10-26 The question of whether Paul teaches that Christ s righteousness is imputed to the believer has been debated for roughly four hundred years Some of the questions that arise are What is the connection between Adam and the rest of the human race How did Christ fulfill the role of the second or new Adam How can the ungodly stand before a righteous God In Jesus Blood and Righteousness Brian Vickers investigates the key Pauline texts linked historically to the topic of imputation Though Vickers spends a good deal of time on the particulars of each text he keeps one eye on the broader biblical horizon like any doctrine imputation must be investigated exegetically and synthetically This book and its conclusion that the imputation of Christ s righteousness is a legitimate and necessary synthesis of Paul s teaching is a valuable contribution to the ongoing debate on imputation **The Preachers' Monthly** , 1882 **Christian Engagement with Islam** Douglas Pratt, 2017-04-24 Why did the Christian Church in the twentieth century engage in dialogue with Islam What has been the ecumenical experience What is happening now Such questions underlie Douglas Pratt s Christian Engagement with Islam Ecumenical Journeys since 1910 Pratt charts recent Christian WCC and Vatican engagement with Islam up to the early 21st century and examines the ecumenical initiatives of Africa s PROCURA Building Bridges and the German Christian Muslim Theological Forum together with responses to the 2007 Common Word letter Between them Islam and Christianity represent over half the earth s population Their history of interaction positive and negative impacts widely still today Contentious issues remain real enough yet the story and ongoing reality of contemporary Christian Muslim engagement is both exciting and encouraging **Proceedings at the ... ,1884 *Christian Register and Boston Observer* ,1907 **Meeting Of Two Seas** Saeed Malik,2016-02-25 A thorough examination of Chapter 18 of the Quran exemplifies allegorical interpretation and reconciles common dichotomies like heart and mind science and religion Eye opening in terms of the parity between the Abrahamic faiths this fine model of scriptural analysis merits study by mystics of any faith Kirkus Reviews **Evangelical Calvinism** Dr. Myk Habets,Bobby Grow,2017-05-04 Continuing the discussion initiated in volume one volume two of Evangelical Calvinism further articulates the central motifs of this mood within Reformed theology by examining themes having to do with dogmatics and devotion After further clarifying the methodological and dogmatic aspects common to an Evangelical Calvinism the heart of the present volume is an explication of the vicarious ministry of Christ as it is worked out in its diverse theological dimensions The volume offers constructive accounts of various aspects of liturgy sacraments and doxology showing the vitality and lived spirituality of this Christian vision of faith and practice Both advocates and critics of Evangelical Calvinism now have an extended and thorough body of work with which to interact As with volume 1 this volume promises to set the agenda for contemporary and constructive Reformed studies in a way that provides an alternative to neo Calvinism and Westminster Calvinism alike *The Radical Demand in Løgstrup's Ethics* Robert Stern,2018-12-20 How much does ethics demand of us On what authority does it demand it How does what ethics demand relate to other requirements such as those of prudence law and social convention Does ethics really demand anything at all Questions of this sort lie at the heart of the work of the Danish philosopher and theologian K E L gstrup 1905 1981 and in particular his key text *The Ethical Demand* 1956 In *The Radical Demand in L gstrup s Ethics* Robert Stern offers a full account of that text and situates L gstrup s distinctive position in relation to Kant Kierkegaard Levinas Darwall and Luther For L gstrup the ethical situation is primarily one in which the fate of the other person is placed in your hands where it is then your responsibility to do what is best for them The demand therefore does not come from the other person as such as what they ask you to do may be different from what you should do It is also not laid down by social rules nor by God or by any formal principle of practical reason such as Kant s principle of universalizability Rather it comes from what is required to care for the other and the directive power of their needs in the situation L gstrup therefore rejects accounts of ethical obligation based on the commands of God or on abstract principles governing practical reason or on social norms instead he develops a different picture at the basis of which is our interdependence which he argues gives his ethics a grounding in the nature of life itself **Minutes of the ... Annual Meeting of the Congregational Convention of Wisconsin** Congregational Convention of Wisconsin,1884 New Blackfriars ,1968 *The Oxford Handbook of the Epistemology of Theology* William J. Abraham,Frederick D. Aquino,2017-06-01 The Oxford Handbook of the Epistemology of Theology brings together leading scholars in the fields of theology and epistemology to examine and articulate what can be categorized as appropriate epistemic evaluation in theology Part one focuses on some of the epistemic concepts that have been traditionally employed in theology such as
