Forgiving Heart Prayers For Blessing And Reconciliation:

A Forgiving Heart Lyn Klug, 2003 Forgiving Your Family Kathleen Fischer, 2005-04-01 Why is it that the people closest to us often cause the deepest most wrenching pain Family can either provide restful refuge or prompt you to find it elsewhere A quick channel surf through daytime television illustrates that From the petty irritation to the grievous wrong forgiving is one of the hardest tasks families face The gospel calls us to love and forgive others Ironically the closer we are to people the harder it is to forgive them After all we count on these people to love and accept us unconditionally But family behavior is far from flawless Spouses quarrel siblings pout grandparents criticize cousins judge When the last nerve frays look out A house of love quickly turns into a house of pain Family experiences are a mixture of beauty and tragedy writes Fischer When we grasp this truth we understand why forgiveness is such an essential part of family life and Jesus message The gospel reminds us that redemption happens right here in the give and take of ordinary family life Each chapter of *Forgiving Your Family* contains real life stories practical strategies and encouragement to help you move toward forgiveness Better communication while critical isn't enough according to Fischer Forgiveness takes faith and prayer Combining psychological practical and theological insight Fischer will lead you to discover the true meaning of forgiveness rather than the myths why you need to forgive ways to deal with anger and avoid revenge how to protect yourself while easing into forgiveness the difference between forgiveness and reconciliation how to let go of hurts and live Whether you need to forgive someone in your family or you counsel families as a part of your work *Forgiving Your Family* is an indispensable tool

Forgive Us Mae Elise Cannon,Lisa Sharon Harper,Troy Jackson,Soong-Chan Rah,2014-09-23 Many people have become angry and frustrated with organized religion and evangelical Christianity in particular Too often the church has proven to be a source of pain rather than a place of hope Forgive Us acknowledges the legitimacy of much of the anger toward the church In truth Christianity in America has significant brokenness in its history that demands recognition and repentance Only by this path can the church move forward with its message of forgiveness reconciliation and peace Forgive Us is thus a call to confession From Psalm 51 to the teachings of Jesus to the prayers of Nehemiah confession is the proper biblical response when God s people have injured others and turned their backs on God s ways In the book of Nehemiah the author confesses not only his own sins but also the sins of his ancestors The history of the American church demands a Nehemiah style confession both for our deeds and the deeds of those who came before us In each chapter of Forgive Us two pastors who are also academically trained historians provide accurate and compelling histories of some of the American church s greatest shortcomings Theologian Soong Chan Rah and justice leader Lisa Sharon Harper then share theological reflections along with appropriate words of confession and repentance Passionate and purposeful Forgive Us will challenge evangelical readers and issue a heart felt request to the surrounding culture for forgiveness and a new beginning
