Earle, 2007-02-01 A historical and enlightening introduction to Desert Mothers and the wise spiritual lessons we can glean from their lives trials and tribulations and writings At the dawn of Christianity holy women went into the wilderness of the desert of Northern Egypt to give themselves totally to lives of prayer Explore the unique spirituality of Desert Mothers and learn ways to apply their wisdom today The Desert Mothers are often overshadowed by the better known Desert Fathers but these women who went into the wilderness to pursue deep prayer deserve to be heard Mary Earle has taken nine concise sayings from Desert Mothers and explore them in original ways Frederica Mathewes Green author columnist and speaker Mary Earle is a modern day Desert Mother and we are fortunate indeed for her introduction to Desert Amma s ancient wisdom and for her gentle guidance on ways to incorporate that wisdom into contemporary spiritual practices Debra K Farrington author of *Hearing with the Heart A Gentle Guide to Discerning God s Will for Your Life*      **The Desert Mothers** Mary C. Earle, 2007-02 Includes summaries of the thoughts and spiritual approaches of the Desert Mothers along with spiritual practices based on their writings      *The Sacred Place of Exile* Carla Brewington, 2013-02-01 The person of exile may be considered a wanderer a nomad a refugee or a rebel People of exile can be the marginalized the disenfranchised the outcast the left out and the pushed away Different terms are used but what defines them all is separation Exile is a dangerous and dominant theme that runs through Scripture through the lives of the people of Israel and through the universal church Women who have known the sacred place of exile are uniquely qualified to form a women s mission The case is made for a momentum shift in missiological thinking There is a

desperate and aching need for a women's mission which could lead the way to a women's missionary movement. The emergence of such a mission movement is indeed fraught with skepticism and suspicion from many of those inside the church and leaders in the missionary world. But the radical disruptive costly following of Jesus to those outside the camp is our calling.

**Women in the Mission of the Church** Leanne M. Dzubinski, Anneke H. Stasson, 2021-04-20. Women have been central to the work of Christian ministry from the time of Jesus to the twenty-first century. Yet the story of Christianity is too often told as a story of men. This accessibly written book tells the story of women throughout church history demonstrating their integral participation in the church's mission. It highlights the legacies of a wide variety of women showing how they have overcome obstacles to their ministries and have transformed cultural constraints to spread the gospel and build the church.

**The Sayings and Stories of the Desert Fathers and Mothers**, 2023-11-20. The Sayings and Stories of the Desert Fathers and Mothers offers a new translation of the Greek alphabetical Apophthegmata Patrum. The Sayings of the Desert Fathers. For the first time in an English translation, this volume provides extensive background and contextual notes, significant variant readings in the alphabetical manuscripts, and textual differences vis-à-vis the systematic and anonymous Apophthegmata. Reference notes to both quotations from Scriptures and the many allusions to Scripture in the sayings and stories. In addition, there is an extensive glossary that offers information and further resources on people, places, and significant monastic vocabulary. Perfect for students and enthusiasts of the desert tradition.

**Therese and Martin** Karin Johannesson, 2023-04-24. The Carmelite nun Thérèse of the Child Jesus 1873-1897 lived a contemplative monastic life. Through her writings, she continues to help people who live in completely different contexts to discover that God is always present in the middle of everyday life. Like Martin Luther 1483-1546, Thérèse clearly distances herself from the idea that we can earn our salvation from God. This book begins by highlighting the extensive similarities between Thérèse's teaching and Martin Luther's theology. With the help of the three Carmelite Doctors of the Church, Thérèse of the Child Jesus, Teresa of Ávila 1515-1582, and John of the Cross 1542-1591, the discussion develops further, and a receptive ecumenical study is carried out. The overall question is how the Carmelite tradition can enrich the Evangelical Lutheran tradition in a way that contributes to the renewal of the church. It is argued that such a renewal is of vital importance if people today are to receive the spiritual guidance that they are longing for.

**An Asian Woman's Religious Journey with Thomas Merton** Jung Eun Sophia Park, 2021-11-30. Join Jung Eun Sophia Park on her personal quest for God and her true self through the writings of Thomas Merton. Approaching Merton as an Asian immigrant feminist in the postcolonial era, Park's perspective is a unique one, and in this dance, sometimes it is her and sometimes Merton who leads. Throughout, Eastern and Western spirituality are organically woven together in reflection on Merton's narratives and in the examination of late capitalism, poverty, beauty, and violence. These reflections are insightful, provocative, and illuminating, particularly with regard to his androcentric spirituality, especially as it relates to his relationships with women.

**To One Shut in From One Shut Out: Anchoritic Rules in**

**England From The Eleventh To The Fourteenth Century** Seda Erkoç Yeni, This study analyses anchoritic guides written in England from eleventh to fourteenth centuries to observe the changes in the attitudes of the authors towards their primary audiences and by this way concerns itself with the life in the anchorhold and the possible changes in the meaning and basic elements of the solitary religious pursuit for both the authors and the primary audience of the anchoritic rules After a close analysis of the Images motifs and some highly Important themes of the texts such as enclosure and virginity the present study points out certain shifts in the discourses of the authors and comments on the possible reasons for these changes The author in the end reaches the conclusion that the regulations for the life of an anchoress were shaped around the general tendencies and contemplative trends of the period as well as the personal inclinations of the advisors **Thomas Aquinas on Moral Wrongdoing** Colleen McCluskey,2017 A comprehensive examination of the moral psychology of wrongdoing from a major historical figure Thomas Aquinas *Landscape as Sacred Space* Steven Lewis,2005-07-15 Steven Lewis s *Landscape as Sacred Space* Metaphors for the Spiritual Journey invites new discussions about our spiritual journeys and allows seekers to rethink approaches to Christian spirituality and theology in light of postmodernity Landscape metaphors provide a common and accessible language to articulate one s spiritual journey Spiritual mountains deserts and valleys are dominant landscapes on our journey through life Most people have experienced the joy of a mountaintop spiritual experience the pain of spiritual deserts or perhaps the dreariness too often associated with spiritual valleys There is a tendency however to highlight spiritual mountaintops while avoiding spiritual deserts and ignoring spiritual valleys This leaves many Christians ill equipped either to deal with crises or to integrate God into ordinary life Each landscape offers rich lessons that when combined together lead us toward a maturing faith and into a deeper relationship with God Landscape as Sacred Space is intended to aid those who search for more meaningful ways to articulate their faith journey The book grants permission to struggle with life s landscapes provides safe spaces to reflect on the journey and introduces language that enables exploration and discovery *Spiritual Practices for Soul Care* Barbara L. Peacock,2023-08-29 Experience the Richer Spiritual Life You Long For In this world of frantic activity and constant entertainment it can be hard to identify and embrace the rhythms that lead to true flourishing Your spirit longs for a stronger connection to the divine a clearer sense of personal spiritual growth a closer relationship with your creator and redeemer But how do you integrate this kind of inner growth into the realities of your outer life If you long for a deeper experience of God as you journey through this life *Spiritual Practices for Soul Care* offers 40 ways to help you put the spiritual disciplines into action each day From prayer and meditation to serving and socializing to resting and healing these simple restorative practices will help you develop the kind of Christian walk you desire If you have been frustrated by slow or stalled progress or if you simply yearn to go deeper now is the time to pause take a breath and awaken to your transformative soul care journey starting today *Hild of Whitby and the Ministry of Women in the Anglo-Saxon World* Anne E. Inman,2019-07-16 This book tells the story of Hild the abbess of a highly

successful double monastery at Whitby in Northumbria where she was responsible for the education of five future bishops. Here she exercised an authority which in subsequent centuries would be reserved exclusively for men. At thirteen Hild was baptized by Paulinus who had come to Britain to join Augustine's mission. Augustine had been sent by Pope Gregory to convert Britain which had largely lapsed into paganism after the fall of the Roman Empire. Augustine in fact had little success in converting the Britons beyond Kent and even in Kent Christianity had already been partially re-established by Queen Bertha who had brought her Catholic Chaplain with her from Gaul upon her marriage to King Ethelbert. There were many powerful women like Bertha who had been at the forefront of keeping the faith alive in the Dark Ages but whose agency has been written out of history or downplayed in favour of the actions of famous men. Hild's story is brought back to life alongside Mary who founded a desert community at Tabenisi. Macrina the teacher, Didaskalos of Gregory of Nyssa, Basil of Caesarea, Ita, confessor to Brendan, the formidable Aelfled who succeeded Hild at Whitby, a co-worker and confidante of Cuthbert. As the Catholic Church struggles under the weight of centuries-old misogyny, it is surprising to see how in the early medieval period abbesses had shared governance with bishops. As that church struggles with a shortage of male priests to celebrate the sacraments, it is instructive to see how many sacramental ministries were once exercised by female monastics. Confession, for example, was once practiced in the same way whether the confessor was a man or, as in Hild's case, a woman. The span of Hild's life covers the period before and after the establishment of clericalism, the unbridgeable gap between the higher plane of the male priesthood and the lower plane of religious women. Bede's telling of Hild's life was already downplaying her authority as a powerful leader in the Anglo-Saxon church. It is time for that to be remedied.

**Green Saints for a Green Generation** Osgood, Libby, 2024-10-23      **Medieval Anchoritisms** Liz Herbert McAvoy, 2011. This volume investigates the wider cultural importance of medieval anchoritism within the different religious landscapes and climates of the period. Drawing upon a range of contemporary gender and spatial theories, it focuses on the gender dynamics of this remarkable way of life.

Cultural Christians in the Early Church Nadya Williams, 2023-11-14. In the middle of the third century CE, one North African bishop wrote a treatise for the women of his church, exhorting them to resist such culturally normalized yet immodest behaviors in their cosmopolitan Roman city as mixed public bathing in the nude and wearing excessive amounts of jewelry and makeup. The treatise appears even more striking once we realize that the scandalous virgins to whom it was addressed were single women who had dedicated their virginity to Christ. Stories like this one challenge the general assumption among Christians today that the earliest Christians were zealous converts who were much more counterculturally devoted to their faith than typical churchgoers today. Too often, Christians today think of cultural Christianity as a modern concept and one most likely to occur in areas where Christianity is the majority culture, such as the American Bible Belt. The story that this book presents refutes both of these assumptions. Cultural Christians in the Early Church, which aims to be both historical and practical, argues that cultural Christians were the rule rather than the

exception in the early church Using different categories of sins as its organizing principle the book considers the challenge of culture to the earliest converts to Christianity as they struggled to live on mission in the Greco Roman cultural milieu of the Roman Empire These believers blurred and pushed the boundaries of what it meant to be a saint or sinner from the first to the fifth centuries CE and their stories provide the opportunity to get to know the regular people in the early churches At the same time their stories provide a fresh perspective for considering the difficult timeless questions that stubbornly persist in our own world and churches when is it a sin to eat or not eat a particular food Are women inherently more sinful than men And why is Christian nationalism a problem and at times a sin Ultimately recognizing that cultural sins were always a part of the story of the church and its people is a message that is both a source of comfort and a call to action in our pursuit of sanctification today

**In the Stillness, Waiting** Nicholas Worssam, SSF, 2025-10-15 A masterly distillation of the central teachings of the Eastern Christian tradition of prayer and discipleship Rowan Williams former Archbishop of Canterbury Many are familiar with the Orthodox Jesus Prayer also known as the prayer of the heart as a central prayer for monastics but there is much more to discover about its tradition of contemplation as a grounding both for the interior spiritual life and for compassionate action in the world Nicholas Worssam Franciscan friar and theologian reflects on the wealth of Eastern Orthodox Christian spirituality through the teachings of its key figures and texts including Evagrius of Pontus John Climacus Isaac of Syria Maximus the Confessor Symeon the New Theologian and Gregory Palamas In the Stillness Waiting provides an accessible introduction to these saints of Eastern Christianity and how they serve as wise spiritual guides for all Christians today

**Glittering Vices** Rebecca Konyndyk DeYoung, 2020-06-02 Drawing on centuries of wisdom from the Christian ethical tradition this book takes readers on a journey of self examination exploring why our hearts are captivated by glittery but false substitutes for true human goodness and happiness The first edition sold 35 000 copies and was a C S Lewis Book Prize award winner Now updated and revised throughout the second edition includes a new chapter on grace and growth through the spiritual disciplines Questions for discussion and study are included at the end of each chapter

**The Dangerous Duty of Rebuke: Leviticus 19:17 in Early Jewish and Christian Interpretation** Matthew S.

Goldstone, 2018-08-07 In The Dangerous Duty of Rebuke Matthew Goldstone explores the ways in which religious leaders within early Jewish and Christian communities conceived of the obligation to rebuke their fellows based upon the biblical verse Rebuke your fellow but do not incur sin Leviticus 19 17 Analyzing texts from the Bible through the Talmud and late Midrashim as well as early Christian monastic writings he exposes a shift from asking how to rebuke in the Second Temple and early Christian period to whether one can rebuke in early rabbinic texts to whether one should rebuke in later rabbinic and monastic sources Mapping these observations onto shifting sociological concerns this work offers a new perspective on the nature of interpersonal responsibility in antiquity
