## **Forgotten Power The Significance Of The Lords Supper In Revivals:**

*Forgotten Power* William L. De Arteaga, 2002 A study of how and why the sacramental elements especially the Lord's Supper give stability to revivals      *Thematic Expressions for the Lord's Supper* Paul A. Hansen, 2023-04-20 Thematic expression of communion is a book designed to do two things First it challenges us to rethink a memorial understanding of the supper which equips us to consider celebrating the feast more frequently Second this book provides a wealth of information on themes that can be pursued and how to pursue them and make them live for members of the congregation

**Contemporary Pentecostal Christianity** J. Kwabena Asamoah-Gyadu, 2013-01-11 Pentecostalism is the fastest growing stream of Christianity in the world The real evidence for the significance of Pentecostalism lies in the actual churches they have built and the numbers they attract In Africa Pentecostalism has virtually become the representative face of Christianity with even historic mission denominations pentecostalising their otherwise formal liturgical structures to survive This work interprets key theological and missiological themes in African Pentecostalism by using material from the live experiences of the movement itself An important source of primary material for instance is the popular books written by the leadership of contemporary Pentecostal churches and their media programs An example of this is that on account of its motivational hermeneutics the Eagle rather than the Dove has become the preferred symbol of the Holy Spirit in this nascent dynamic movement The interpretation of themes from contemporary African Pentecostalism in this book reveals much about how as a contemporary movement it is reshaping African Christian spirituality in the 21st century      The Great Tradition - A Great Labor Philip Harrold, D H Williams, 2012-05-31 At a recent conference entitled Ancient Wisdom Anglican Futures theologians from across the denominational spectrum considered the question What does it mean to inhabit the Great Tradition authentically As an expression of what C S Lewis called Deep Church Anglicanism offers a test case of Tradition with a capital T in late modernity Of particular interest is the highly dynamic transmission that has preserved a recognizable Anglican Way over the centuries The process has been enlivened through constant negotiation and exchange with surprising convergences that have brought new life and direction The contributors to this volume show how profitable and commodious as Richard Hooker has said the Great Tradition can be innurturing the worship communal life and mission of the Church But it often demonstrates how hard it is to uphold the varied integrities of historic faith in the contemporary marketplace of religion and especially among evangelicals who continue to follow the Canterbury Trail      *A Scriptural Theology of Eucharistic Blessings* Susan I. Bubbers, 2013-09-12 This study examines the scriptural justification for believers to expect the Eucharist to be a place where God will come and bless them with freedom and formation Bubbers focus is not on liturgy but rather on the biblical message of the benefits of participation in the Eucharist Why keep this Feast Why is Eucharist important Bubbers interpretive approach is a synthesis of historical literary aspects of Biblical Theology and canonical creedal aspects of the Theological Reading of Scripture taking into account the biblical historical place of Eucharist as well

as its ongoing presence within the Church Bubbers begins by displaying the Last Supper as a Passover meal which bridges between Old Testament motifs and the New Testament Feast She then shows that the Exodus context reveals a paradigm which links blessing with remembrance and suggests that the remembrance motif describes these blessings Finally Bubbers gathers a catalogue of specific blessings summarized by freedom and formation Her conclusion is that the Feast is a divinely designed paradigm for worship which is accompanied by a promise of transformational encounters **Beyond the**

**Half-Way Covenant** David Paul McDowell,2012-06-07 Almost everyone has heard of Jonathan Edwards but very few are familiar with Solomon Stoddard Edwards s grandfather Stoddard was an influential force in New England Puritanism often referred to as the Pope of the Connecticut Valley of western Massachusetts He was a powerful preacher who saw five possibly six revivals during his fifty eight year pastorate in Northampton Yet he has often been marginalized because of his very unique view of the Lord s Supper as a converting ordinance This book explores Stoddard s view of Communion as compared to the changing face of Puritanism reflected in the Half Way Covenant and in the context of his passionate desire to convert the sinner by any means at his disposal He believed that God was so gracious and sovereign that no one could judge whether a person was elect or not Consequently he crafted an evangelical theology based upon the preaching of the gospel and viewed the Lord s Supper as another form of preaching for the conversion of sinners The Oxford Handbook of

Ecclesiology Paul Avis,2018-06-28 The Oxford Handbook of Ecclesiology is a unique scholarly resource for the study of the Christian Church as we find it in the Bible in history and today As the scholarly study of how we understand the Christian Church s identity and mission ecclesiology is at the centre of today s theological research reflection and debate Ecclesiology is the theological driver of the ecumenical movement The main focus of the intense ecumenical engagement and dialogue of the past half century has been ecclesiological and this is the area where the most intractable differences remain to be tackled Ecclesiology investigates the Church s manifold self understanding in relation to a number of areas the origins structures authority doctrine ministry sacraments unity diversity and mission of the Church including its relation to the state and to society and culture The sources of ecclesiological reflection are the Bible interpreted in the light of scholarly research Church history and the wealth of the Christian theological tradition together with the information and insights that emerge from other relevant academic disciplines This Handbook considers the biblical resources historical development and contemporary initiatives in ecclesiology It offers an invaluable and comprehensive guide to understanding the Church

Interfaces Baptists and Others David Bebbington,2014-07-08 The book is a collection of twenty one essays discussing how Baptists throughout the world have related to other Christians and to other institutions and movements over the centuries The theme of this collection of twenty one essays Baptists and Others includes relations with other Christians and with other institutions and movements What the authors ask has been the Baptist experience of engaging with different groups and developments The theme has been explored by means of case studies some of which are very specific in time and

place while others cover long periods and more than one country In the first half the contents are arranged by period The first section examines early Baptists the second nineteenth century Baptists in Britain and America and the third Baptists in the twentieth century The second half turns to various parts of the world There is a section on Australia another on New Zealand and a third on Asia and Africa The overall picture is one of a complicated series of relationships as Baptists defined themselves as different from other bodies and yet especially in the twentieth century tried to co operate in mission and ecumenical endeavour Baptists are often regarded as enthusiastic separatists and unenthusiastic ecumenists These essays based on hard evidence rather than passing impressions are a necessary correction to superficial prejudices and show the reality to be much more complex and nuanced as well as varied over time and place The book is a smorgasbord of delights Yet readers should avoid the temptation to pick and choose from the menu ensuring rather that each offering is digested so they enjoy a balance and nutritious meal Derek Tidball     Watching God Work Carolyn Koontz DeArtega,2014-04-30

American Book Publishing Record ,2002     **Revival - a different perspective** Brian Thompson,2010-09-25 Revival a different perspective is the story of a revival in a country town at the ends of the Earth The story looks beyond the events to find the insights God was revealing to the individuals When revival comes to a church life can take some strange twists and the truth hidden in the Word of God can be revealed Things are not always as we perceive them to be Revival a different perspective will take you beyond the everyday You will be asking yourself can this be true Forward by Ron Edwards Senior Pastor Frontline Christian Church When God visits His Church a lot of things get shaken In fact everything that can be shaken will be and only that which belongs to the unshakeable Kingdom will remain Revival a different perspective is one man s comment of a shaking that happened to a country Church It reveals the journey of discovery and recovery for the individuals The chapter titles at first glance appear to be humorous but under the surface God used simple instruction to explain spiritual truth Chickens chickens everywhere is a great example of this I am sure that as you read this book some of what the Lord used to help bring release in a country Church can become a springboard for you Be open to the ways that God uses to open us up God Bless     Forthcoming Books Rose Arny,2002     *When the Holy Spirit Comes Down* Norman Benz,2024-03-05 Expect a Fresh Holy Spirit Outpouring in Your Life Today Can you sense deep in your soul a hunger to experience something more Do you thirst to know God experientially not just informationally God Himself is stirring these desires in your heart because He too has a burning desire for a thriving dynamic encounter with you With a pastor s
