## **Forgotten Star The Margot Durning Story:**

**Forgotten Star** Woody Leonard,2000-01-01 In this first book from novelist Woody Leonard the triumphant and tragic story of Margot Durning is told against a backdrop of two powerful settings Hollywood in its heyday and the desolate landscape of Northwest Oklahoma where Margot s life begins and where it finally and fittingly ends Mr Leonard s sense of place is rich and meticulous He captures the magic of the Hollywood of the 30s and the powerful influence the motion picture industry had on the people who performed and on the vast star struck movie going audience And he is also at home in the curious Oklahoma setting that for all its starkness has a reality and solidity that Margot never found in Tinsel Town
