

A romantic couple is shown in a close embrace, about to kiss. The woman is wearing a white off-the-shoulder top, and the man is shirtless, wearing dark swim trunks. They are standing on a beach. In the background, there is a large, two-story yellow house with a white porch. The sky is blue with some clouds. The overall mood is romantic and idyllic.

Forgotten Honeymoon:

Forgotten Honeymoon, 1999 **The Forgotten Honeymoon** David Durham, 1935 **Angus's Lost Lady** Marie Ferrarella, 2011-07-15 In this classic romance by a USA Today bestselling author a private eye and single dad helps a beautiful amnesiac Private detective Angus MacDougall was used to finding missing persons But the woman standing before him was a completely different story She had absolutely no idea who she was From the first he wanted her But he knew that the delicate mystery woman wouldn't remain unclaimed for long Some lucky man would come for her and Angus would lose her forever He couldn't let his young daughter start calling her Mommy Yet how could he resist this precious lost lady when she'd already claimed both their hearts **Wife Wanted** Christine Rimmer, 2010-08-01 What other disaster could befall Natalie Fortune Her long-awaited vacation had been waylaid her new life postponed Now she was marooned with a broken leg a St Bernard and a way too sexy neighbor Eric Dalton had made her an offer she couldn't refuse But was letting the gorgeous bachelor and his sweet little boy into her life Mistake No 999 or the new beginning she'd been waiting for **The Popular Science Monthly**, 1894 **Almost Weeping Eyes** Adele Kathleen Adana, 2016-12-16 The contents within these covers have no age restriction The work is created mostly from imagination although a few of the poems are reflections of true stories told during the authors travel experiences **Toward Better Governance in China** Baogang Guo, Dennis V. Hickey, 2009-11-12 Toward Better Governance in China takes a fresh look at the latest efforts made by Chinese leaders to promote governance based reform It asserts that the improvement of governance has now become one of the breakthrough points of the much anticipated political reform Although the Chinese government continues to play down expectations about political reform many small scale reform experiments have been quietly undertaken by Chinese leaders at various levels in recent years including the new round of administrative reform centered on the creation of super ministries the enlargement of inner party democracy within the Chinese Communist Party CCP the strengthening of local legislative bodies and judicial reform designed to promote judicial independence and rule of law This strategy calls for strengthening governing capacity and changing government functions One of the advantages in placing the improvement of governance first is that it is less risky than embarking upon a full scaled electoral reform Electoral democracy is undoubtedly an important element in a functional democracy But equally important is the effectiveness transparency accountability and openness of the governing process Better governance implies greater transparency open deliberation and participation and less adversarial political confrontation and conflict If constructed properly China may become the sort of democratic administration or administrative democracy that Robert Dahl discussed in 1947 Clearly political reform of this kind does not follow the conventional wisdom of a democratic transition which places heavy emphasis on electoral reform or the precedence of the electoral reform to the government reform This book is intended to shed some new light on the ongoing debate about the direction of China's political development **One Plus One Makes Marriage** Marie Ferrarella, 2011-07-15 LIKE MOTHER LIKE DAUGHTER

Sayers, 2006-01-01 Introducing the Dante Papers Trilogy Introductory Papers on Dante Further Papers on Dante The Poetry of Search and the Poetry of Statement This introductory volume of essays on Dante by Dr Dorothy L Sayers will be eagerly sought by the many thousands of readers who already know her vigorous and vivid translation of the Inferno As those who have heard Miss Sayer's lectures on Dante can testify she brings to the interpretation of the Divine Comedy a vitalizing power of analysis and re-creation

Readers of Dante often become discouraged by the mass of factual detail which the older school of historical criticism has made available mere aestheticism however unrelated to the time and space is nor likely to satisfy them either They will find in Miss Sayers essays enough scholarly assistance to put themselves in the position of a contemporary reader but their attention will chiefly be drawn to the relevance of the Divine Comedy to our present day world and way of life Miss Sayers emphasis on the ethical rather than on the aesthetic or historical significance of Dante s work comes as a welcome and bracing challenge to the confusion regarding values whether of literature or of life which characterizes the present age
