Folktales of the Jews, V. 3 (Tales from Arab Lands) Dan Ben Amos, 2011-05-01 Thanks to these generous donors for making the publication of the books in this series possible Lloyd E Cotsen The Maurice Amado Foundation National Endowment for the Humanities and the National Foundation for Jewish Culture Tales from Arab Lands presents tales from North Africa Yemen Lebanon Syria and Iraq in the latest volume of the most important collection of Jewish folktales ever published This is the third book in the multi volume series in the tradition of Louis Ginzberg s timeless classic Legends of the Jews The tales here and the others in this series have been selected from the Israel Folktale Archives IFA named in Honor of Dov Noy at The University of Haifa a treasure house of Jewish lore that has remained largely unavailable to the entire world until now Since the creation of the State of Israel the IFA has collected more than 20 000 tales from newly arrived immigrants long lost stories shared by their families from around the world The tales come from the major ethno linguistic communities of the Jewish world and are representative of a wide variety of subjects and motifs especially rich in Jewish content and context Each of the tales is accompanied by in depth commentary that explains the tale s cultural historical and literary background and its similarity to other tales in the IFA collection and extensive scholarly notes There is also an introduction that describes the culture and its folk narrative tradition a world map of the areas covered illustrations biographies of the collectors and narrators tale type and motif indexes a subject index and a comprehensive bibliography Until the establishment of the IFA we had had only limited access to the wide range of Jewish folk narratives Even in Israel the gathering place of the most wide ranging cross section of world Jewry these folktales have remained largely unknown Many of the communities no longer exist as cohesive societies in their representative lands the Holocaust migration and changes in living styles have made the continuation of

these tales impossible This series is a monument to a rich but vanishing oral tradition This series is a monument to a rich but vanishing oral tradition

Legacy of Islamic Antisemitism Andrew G. Bostom, M.D., 2011-11-29 Exceedingly well organized and extensively documented CHOICE The publication of the present anthology of primary sources and secondary studies on the theme of Muslim antisemitism is a groundbreaking event of major scholarly cultural and political significance Editor Andrew Bostom has mined the relevant literature to produce the fullest record on this subject in existence After the publication of his work all the oft repeated but erroneous misunderstandings of a tolerant Islam and of a medieval Jewish Muslim golden age will need to be permanently retired Everyone interested in Jewish and Islamic history as well as current events in the Middle East should read this book and soon Steven T Katz Director Elie Wiesel Center for Judaic Studies Boston University and author of Post Holocaust Dialogues and The Holocaust in Historical Context The antisemitism of the Muslim Middle East that we hear see and experience daily from the racist cartoons to the constant chorus of pigs and apes is often attributed to European origins as if the radical Muslim world learned this endemic hatred through the tragedy of imperialism and colonialism In fact a deep suspicion and frequent loathing of Jews is deeply rooted in the Middle East antedating European rule and sometimes evidenced in passages in the Koran and early holy Islamic texts Andrew Bostom produces a vast literature of Middle Eastern Islamic antisemitism and critics may be as surprised at his conclusions as they are unable to refute his carefully compiled corpus of evidence Victor Davis Hanson Senior Fellow The Hoover Institution Stanford University author of Carnage and Culture and A War Like No Other This comprehensive meticulously documented collection of scholarly articles presents indisputable evidence that a readily discernible uniquely Islamic antisemitism a specific Muslim hatred of Jews has been expressed continuously since the advent of Islam Debunking the conventional wisdom which continues to assert that Muslim animosity toward Jews is entirely a 20th century phenomenon fueled mainly by the protracted Arab Israeli conflict leading scholars provide example after example of antisemitic motifs in Muslim documents reaching back to the beginnings of Islam The contributors show that the Koran itself is a significant source of hostility toward Jews as well as other foundational Muslim texts including the hadith the words and deeds of Muhammad as recorded by pious Muslim transmitters and the sira the earliest Muslim biographies of Muhammad Many other examples are adduced in the writings of influential Muslim jurists theologians and scholars from the Middle Ages through the contemporary era These primary sources and seminal secondary analyses translated here for the first time into English such as Hartwig Hirschfeld s mid 1880s essays on Muhammad s subjugation of the Jews of Medina and George Vajda s elegant comprehensive 1937 study of the hadith detail the sacralized rationale for Islam s anti Jewish bigotry Numerous complementary historical accounts illustrate the resulting plight of Jewish communities in the Muslim world across space and time culminating in the genocidal threat posed to the Jews of Israel today Scholars educators and interested lay readers will find this collection an invaluable resource for understanding the phenomenon of Muslim antisemitism past and present FURTHER PRAISE FOR THE LEGACY

OF ISLAMIC ANTISEMITISM Stimulating and informative a fascinating and disturbing voyage of historical discovery It is magnificent Martin Gilbert official biographer of Winston Churchill Author of Never Again A History of the Holocaust and The Jews of Arab Lands Their History in Maps Boston s eye opening anthology should become an essential resource Ilan Stavans Lewis Sebring Professor in Latin American and Latino Culture and Five College 40th Anniversary Professor Amherst College Dr Andrew Bostom has written a *The Arab Jews* Yehouda A. Shenhav, 2006 This book is about the social history of the Arab Jews Jews living in Arab countries against the backdrop of Zionist nationalism By using the term Arab Jews rather than Mizrahim which literally means Orientals the book challenges the binary opposition between Arabs and Jews in Zionist discourse a dichotomy that renders the linking of Arabs and Jews in this way inconceivable It also situates the study of the relationships between Mizrahi Jews and Ashkenazi Jews in the context of early colonial encounters between the Arab Jews and the European Zionist emissaries prior to the establishment of the state of Israel and outside Palestine It argues that these relationships were reproduced upon the arrival of the Arab Jews to Israel The book also provides a new prism for understanding the intricate relationships between the Arab Jews and the Palestinian refugees of 1948 a link that is usually obscured or omitted by studies that are informed by Zionist historiography Finally the book uses the history of the Arab Jews to transcend the assumptions necessitated by the Zionist perspective and to open the door for a perspective that sheds new light on the basic assumptions upon which Zionism was founded The Jewish Divide Over Israel Paul Bogdanor, 2017-07-05 Before 1967 Israel had the overwhelming support of world opinion So long as Israel s existence was in harmony with politically correct assumptions it was supported or at least accepted by the majority of progressive Jews especially in the wake of the Holocaust This is no longer the case The Jewish Divide Over Israel explains the role played by prominent Jews in turning Israel into an isolated pariah nation After their catastrophic defeat in 1967 Arabs overcame inferiority on the battlefield with superiority in the war of ideas Their propaganda stopped trumpeting their desire to eradicate Israel Instead in a calculated appeal to liberals and radicals they redefined their war of aggression against the Jews as a struggle for the liberation of Palestinian Arabs The tenacity of Arabs rejection of Israel and their relentless campaign in schools universities churches professional organizations and above all the news media to destroy Israel s moral image had the desired impact Many Jewish liberals became desperate to escape from the shadow of Israel s alleged misdeeds and found a way to do so by joining other members of the left in blaming Israeli sins for Arab violence Today Jewish liberals rationalize violence against the innocent as resistance to the oppressor excuse Arab extremism as the frustration of a wronged party and redefine eliminationist rhetoric and physical assaults on Jews as criticism of Israeli policy Israel s Jewish accusers have played a crucial and disproportionate role in the current upsurge of antisemitism precisely because they speak as Jews The essays in this book seek to understand and throw back the assault on Israel led by such Jewish liberals and radicals as Tony Judt Noam Chomsky George Steiner Daniel Boyarin Marc Ellis Israel Shahak and many others Its writers demonstrate that the

foundation of the state of Israel far from being the primal sin alleged by its accusers was one of the few redeeming events in a century of blood and shame

Seek the Peace of Jerusalem Omer Salem, 2017-12-19 Over the last seven decades since the formation of the State of Israel there has been no shortage of Jews and Arabs desiring peace in Israel Palestine the Holy Land Most peacemaking attempts failed because the parties did not see peace as a win win deal The prevailing mantra in this conflict is win lose or no deal Today the Palestinians are not willing to make a deal with the Israeli Jews because they perceive that a deal with the Israeli Jews means the Palestinians will lose Also the Israelis are not willing to make a deal with the Palestinian Arabs because they perceive that a deal with the Palestinian Arabs means the Israelis will lose There are also other geopolitical factors affecting this conflict This conflict is gradually shifting toward a battle fueled by people relying on religious texts to prolong the struggle

Jewish and Greek Communities in Egypt Najat Abdulhaq, 2016-02-18 In the years following Nasser's rise to power the demographic landscape and the economy of Egypt underwent a profound change Related to the migration of diverse communities that had a distinguished role in Egyptian economy from Egypt these shifts have mostly been discussed in the light of postcolonial studies and the nationalisation policies in the wider region Najat Abdulhaq focuses instead on the role that these minorities had in the economy of pre Nasser Egypt and by giving special attention to the Jewish and Greek communities residing in Egypt investigates the dynamics of minorities involved in entrepreneurship and business With rigorous analysis of the types of companies that were set up Abdulhaq draws out the changes which were occurring in the political and social sphere at the time This book whilst primarily focused on the economic activities of these two minority communities has implications for an understanding analysis of the political the juridical the intellectual and the cultural trends at the time It thus offers vital analysis for those examining the economic history of Egypt as well as the political and cultural transformations of the twentieth century in the region

In Ishmael's House Martin Gilbert, 2010-08-24 In this epic examination a celebrated historian explores the evolution of Judaism and Islam through a lens of Middle Eastern stability Publishers Weekly The relationship between Jews and Muslims has been a flashpoint that affects stability in the Middle East with global consequences In this eloquent book Martin Gilbert presents a fascinating account of the hope and fear that have characterized these two peoples through the 1 400 years of their intertwined history Harking back to the Biblical story of Ishmael and Isaac Gilbert takes the reader from the origins of the fraught relationship the refusal of Medina's Jews to accept Mohammed as a prophet through the ages of the Crusader reconquest of the Holy Land and the great Muslim sultanates to the present day He explores the impact of Zionism in the early twentieth century the clash of nationalisms during the Second World War the mass expulsions and exodus of 800 000 Jews from Muslim lands following the birth of Israel the Six Day War and the political sensitivities of the current Middle East Ishmael's House sheds light on a time of prosperity and opportunity for Jews in Muslim lands stretching from Morocco to Afghanistan with many instances of Muslim openness support and courage Drawing on Jewish Christian and Muslim sources

Gilbert uses archived material poems letters memoirs and personal testimony to uncover the human voice of this centuries old conflict Ultimately Gilbert s moving account of mutual tolerance between Muslims and Jews provides a perspective on current events and a template for the future A reliable source and a pleasure to read Herman Wouk Pulitzer prize winning author of The Caine Mutiny Moving and important The Independent **Rereading Israel** Bonna Devora

Haberman,2014-10-01 Setting aside vitriolic debates and worn postures Rereading Israel refreshes current conversations about Israel opening Jewish sources to interpret Israel in critical innovative and inspiring ways The book presents readers with an opportunity to engage ethically intellectually and emotionally challenging them to apply the resources at their disposal to grapple honestly and creatively with land and people history text and spirit This consideration invites those who read into a deep exploration of their roles and their relationships to the destiny of a profoundly human and unfinished sacred project

Antisemitism and Anti-Zionism Rusi Jaspal,2016-04-15 Antisemitism and anti Zionism are complex delineable yet inter related social psychological phenomena While antisemitism has been described as an irrational age old prejudice anti Zionism is often represented as a legitimate response to a rogue state Drawing upon media and visual sources and rich interview data from Iran Britain and Israel Antisemitism and Anti Zionism Representation Cognition and Everyday Talk examines the concepts of antisemitism and anti Zionism tracing their evolution and inter relations and considering the distinct ways in which they are manifested and responded to by Muslim and Jewish communities in Iran Britain and Israel Providing insights from social psychology sociology and history this interdisciplinary analysis sheds light on the pivotal role of the media social representations and identity processes in shaping antisemitism and anti Zionism As such this provocative book will be of interest to social scientists working on antisemitism race and ethnicity political sociology and political science media studies and Middle Eastern politics

Sites of Jewish Memory Glenda Abramson,2018-10-24 This book brings together a collection of 16 essays first published in the Journal of Modern Jewish Studies that explore Jewish communities in North Africa Turkey and Iraq The discussions are located primarily in the 20th century but essays also examine the Jewish community in 16th century Istanbul and in early modern Morocco Topics include traumatic departures of communities from countries of centuries old Jewish residence and relocations pilgrimages to holy sites by Mizrahi Jews in Israel resonances of Shabbetai Zevi in Turkey and Morocco otherness and the nature of homeland the Sephardi culinary heritage as realised in the cookbooks of Claudia Roden sites of memory such as Kuzguncuk in Turkey and a controversial view of the exclusions and erasures that Arabized Jews have undergone In this unique collection a major but not exclusive theme is that of the instability of memory and the attempt to understand the interactions between memory and history as Jews recount their experiences of living in and often leaving their past homelands This book was originally published as a special issue of the Journal of Modern Jewish Studies

Jewish Internationalism and Human Rights after the Holocaust Nathan A. Kurz,2020-11-26 Nathan A Kurz charts the fraught relationship between Jewish internationalism and international rights protection in the second half of the

twentieth century For nearly a century Jewish lawyers and advocacy groups in Western Europe and the United States had pioneered forms of international rights protection tying the defense of Jews to norms and rules that aspired to curb the worst behavior of rapacious nation states In the wake of the Holocaust and the creation of the State of Israel however Jewish activists discovered they could no longer promote the same norms laws and innovations without fear they could soon apply to the Jewish state Using previously unexamined sources Nathan Kurz examines the transformation of Jewish internationalism from an effort to constrain the power of nation states to one focused on cementing Israel's legitimacy and its status as a haven for refugees from across the Jewish diaspora

A Concise History of the Middle East Ibrahim Al-Marashi, Arthur Goldschmidt Jr., 2024-10-07 A Concise History of the Middle East provides a comprehensive introduction to the history of this region Spanning from the pre Islamic era to the present it explores the evolution of Middle Eastern institutions and culture the influence of European colonialism and Western imperialism regional modernization efforts the struggle of various peoples for political independence the Arab Israeli conflict the reassertion of Islamist values and power the issues surrounding the Palestinian Question and the Middle East following 9 11 the 2011 Arab uprisings and the regional crisis that erupted after 7 October 2023 The thirteenth edition has been fully revised to reflect the most recent events in and concerns of the region including its future in the face of climate change and challenges in Iraq and developments in the Israeli Palestinian conflict In addition the important role of Middle Eastern women in the history of the region is woven into the narrative New parts and part timelines will help students grasp and contextualize the long and complicated history of the region With updated biographical sketches and a new concluding chapter this book remains the quintessential text for students of Middle East history

Eurabia-cloth Bat Ye'or, 2005 This book is about the transformation of Europe into Eurabia a cultural and political appendage of the Arab Muslim world Eurabia is fundamentally anti Christian anti Western anti American and antisemitic The institution responsible for this transformation and that continues to propagate its ideological message is the Euro Arab Dialogue developed by European and Arab politicians and intellectuals over the past thirty years From publisher description

Memory and Ethnicity Dario Miccoli, Emanuela Trevisan Semi, 2013-12-05 In recent times ethnicity and issues of origin have become a hotly debated topic among Jews both in Israel and in the Diaspora This is particularly true both of Jews from the Middle East and North Africa who for years had remained at the margins of the Israeli national narrative as well as the Israeli Palestinian minority Much the same may be said of Diaspora Jews Among the public spaces where ethnicity has become more visible are museums together with heritage centres art galleries and the Internet The aim of *Memory and Ethnicity* is to investigate how ethnicity is represented and narrated in such spaces How have groups of Jews from such different backgrounds as Morocco Egypt India or the US elaborated their past legacies and traditions vis vis a variety of national narratives and cultural or political ideologies This volume describes the emergence of a new museological scene that mirrors a multi vocal Jewish and Israeli public sphere in which ethnicity has become central to a nation's cultural imagination

By considering museums as places of memory where an ethnic communal identity is displayed Memory and Ethnicity analyses which memories are preserved and which suppressed This study sets out to enrich the understanding of Israeli and Jewish cultural history and also to deepen the field of museum studies from little investigated perspectives Islam and Dhimmitude Bat Ye'or,2002 Dhimmitude is thus discussed from the perspective of Muslim theory and also in regard to divergent Christian attitudes to Jews and Zionism BOOK JACKET **Refugee Repatriation** Megan Bradley,2013-03-21 Voluntary repatriation is now the predominant solution to refugee crises yet the responsibilities states of origin bear towards their repatriating citizens are under examined Through a combination of legal and moral analysis and case studies of the troubled repatriation movements to Guatemala Bosnia and Mozambique Megan Bradley develops and refines an original account of the minimum conditions of a just return process The goal of a just return process must be to recast a new relationship of rights and duties between the state and its returning citizens and the conditions of just return match the core duties states should provide for all their citizens equal effective protection for security and basic human rights including accountability for violations of these rights This volume evaluates the ways in which different forms of redress such as restitution and compensation may help enable just returns and traces the emergence and evolution of international norms on redress for refugees **The Jews of Libya** Maurice M. Roumani,2008-03-01 Investigates the transformative period in the history of the Jews of Libya 1938-52 This book reveals the capacity of Libyan Jewry to adapt to and integrate into environments without losing its historical traditions Anglo-American Diplomacy and the Palestinian Refugee Problem, 1948-51 S. Waldman,2016-01-12 This volume examines British and US attitudes towards the means and mechanisms for the facilitation of an Arab Israeli reconciliation focusing specifically on the refugee factor in diplomatic initiatives It explains why Britain and the US were unable to reconcile the local parties to an agreement on the future of the Palestinian refugees
