Lawrence** Hillel Matthew Daleski,1965      *The Forked Flame* Hillel Matthew Daleski,1965      *The Forked Flame* Hermann M. Daleski,1967      **The forked flame** Herman M. Daleski,      [Reader's Guide to Literature in English](#) Mark Hawkins-Dady,2012-12-06 Reader s Guide Literature in English provides expert guidance to and critical analysis of the vast number of books available within the subject of English literature from Anglo Saxon times to the current American British and Commonwealth scene It is designed to help students teachers and librarians choose the most appropriate books for research and study      **A D.H. Lawrence Handbook** Keith Sagar,1982 Includes information on author and playwright D H Lawrence such as a chronology of his life a chronology of his writings a checklist of his reading calendar and maps of his travel bibliography filmography and discography      **D. H. Lawrence and Ambivalence in the Age of Modernity** Gaku Iwai,2024-05-01 D H Lawrence is renowned for his scathing criticism of the ruling class industrialisation of the country and wartime patriotism However his texts bear the imprint of contemporary dominant ideologies and discourses of the period Comparing Lawrence s texts to various major and minor contemporary novels journal articles political pamphlets and history books this book aims to demonstrate that Lawrence s texts are ambivalent his texts harbour the dynamism of conflicting power struggles between the subversive and the reactionary For example in some apparently apolitical texts such as *The White Peacock* and *Movements in European History* reactionary ideologies and wartime propaganda are embedded Some texts like *Lady Chatterley s Lover* are intended to be a radical critique of the period wherein it was composed but they also bear discernible traces of the contemporary frame of reference that they intend to subvert Focusing on Lawrence s stories and novels set in the mining countryside and the works composed under the impact of the First World War this book establishes that Lawrence s texts in fact consist of multiple layers that are often in conflict with each other serving as a testimony to the age of modernity      **Visionary Closure In The Modern Novel** William R Thickstun,1988-03-29      **The Consciousness of D.H. Lawrence** Daniel J. Schneider,1986 This biography of Lawrence is unlike any other in its focus on the essential character of the artist and in its synthesis of the facts of his life and thought It is written not for specialists but for general readers who wish to deepen their understanding of the development of Lawrence s thought and feeling over the course of his lifetime The author blends intellectual biography and psychology to focus on Lawrence s religious nature as a shaping force in his life      **Naked Liberty and the World of Desire** Simon Casey,2004-06 In this new and original study Simon Casey explores the long neglected link between D H Lawrence and philosophical anarchism Focusing on the writings of some of the major anarchists with particular emphasis on Stirner Godwin Bakunin and Thoreau this book argues that the conceptual parallels between Lawrence and anarchism are strong and extensive and that reading Lawrence within the context of this tradition significantly enhances any understanding of his work Lawrence s faith in the essential decency of

human nature his forceful defense of individual liberty and his intolerance of all forms of domination and control all reflect the essential features of anarchism Naked Liberty and the World of Desire looks at where these attitudes find explicit articulation in Lawrence's essays poems and letters and shows how they are illustrated in his major works of fiction **The Moon's Dominion** Gavriel Reisner, 1981 Posits a causal relationship between two themes in Lawrence's fiction usually thought to be unrelated the dominance of women and the conflict between the tale and the teller The connection is revealed in the course of a systematic analysis of the tale teller division in Lawrence's earlier novels *Like a Black and White Kaleidoscope Tossed at Random* Jean-Paul Pichardie, Philippe Romanski, 2001 First privately published in the United States in 1920 and ruthlessly reviewed on both sides of Atlantic Women in Love remains one of the most provoking novels of this century Largely because it defies single mindedness or dogmatic preconceptions the text has consistently thwarted the critics in their attempts at nailing it down The present collection of essays sets out to explore how the novel keeps walking away with the nail as Lawrence himself wrote in *Morality and the Novel* **Visions and Ideas of Europe during the First World War** Matthew D'Auria, Jan Vermeiren, 2019-08-02 Given the destruction and suffering caused by more than four years of industrialised warfare and economic hardship scholars have tended to focus on the nationalism and hatred in the belligerent countries holding that it led to a fundamental rupture of any sense of European commonality and unity It is the central aim of this volume to correct this view and to highlight that many observers saw the conflict as a European civil war and to discuss what this meant for discourses about Europe Bringing together a remarkable range of compelling and highly original topics this collection explores notions images and ideas of Europe in the midst of catastrophe **The Rainbow** D. H. Lawrence, 1993-10-26 A multi generational family saga that chronicles the lives of three generations of the Brangwen family on their Nottinghamshire farm and the riveting prequel to Women in Love from one of the greatest and most controversial writers of the 20th century Rooted in an agrarian past Tom and Lydia Brangwen and their descendants find themselves navigating a rapidly changing world a world of unprecedented individualism alienation and liberation Banned after an obscenity trial in 1915 for its frankness about sexuality THE RAINBOW was most remarkable for the pathbreaking journeys of its female characters particularly that of Ursula Brangwen whose destiny Lawrence explored further in his next novel Women in Love In its surface drama in its capacious and expansive rhythms that so resemble the rhythms of nature itself THE RAINBOW is one of the world's great examples of the multi generational family saga But the large claim that Lawrence's masterpiece has made on the attention of readers and critics stems less from this fact than from the deeper parallel history he provides for the Brangwens a history of the growth of their souls moving in a great arc from sensuality to self awareness and freedom **Love and Death in Lawrence and Foucault** Barry Jeffrey Scherr, 2008 Love and Death in Lawrence and Foucault is the first full length study of Foucault and the Foucaultians not to look at them from a quasi hagiographical perspective The Lawrentian point of view employed here to deal with Foucault and his oeuvre is utterly

unique imaginative and efficacious in explicating demystifying Foucaultian theory while at the same time promoting Barry J Scherr's courageous indefatigable project of restoring D H Lawrence to his rightfully and supremely high place in the pantheon of great British literature. Rebellious and unconventional yet scholarly and mature, *Love and Death in Lawrence and Foucault* is the bravest and most unorthodox study of Foucault to date. It is a worthy addition to Scherr's previous literary cultural studies *D H Lawrence Today* and *D H Lawrence's Response to Plato*. A supremely lively incisive lucid and profound critique, *Love and Death in Lawrence and Foucault* is indispensable to students and scholars of Lawrence and Foucault alike.

**The Changing Fictions of Masculinity** David Rosen, 1993. In a sensitive and provocative study of six great works of British literature, David Rosen traces the evolution of masculinity, inviting readers to contemplate the shifting joys and sorrows men have experienced throughout the last millennium and the changing but constant tensions between their lives and ideals. Focusing on *Beowulf*, *Sir Gawain and the Green Knight*, *Hamlet*, *Paradise Lost*, *Hard Times*, and *Sons and Lovers*, Rosen shows how the actions of heroes fail to resolve tensions between masculine ideals and male experiences. **Supreme Fictions** B. John, 1974-05-01. In grouping together in a single study the work of Blake, Carlyle, Yeats, and D H Lawrence, one becomes aware of a common tradition in which they all participate of certain shared principles, attitudes, and values, and despite the individual inflexion of voice, a common language. No matter how distinct each author may be, and the intrinsic individuality of each should not be underestimated, that tradition is obviously Romantic and more particularly vitalist. Moreover, as one sees the continuation of that Romantic vitalism, often to varying degrees and taking different forms in more contemporary writers from Dylan Thomas, Richard Eberhart, the American Beat writers of the fifties to Ted Hughes, and more recently the Children of Albion, one recognizes also that Yeats's prediction, "We were the last romantics," was too gloomy in its finality. **D. H. Lawrence, Transport and Cultural Transition** Andrew F. Humphries, 2017-04-07. This book discusses D H Lawrence's interest in and engagement with transport as a literal and metaphorical focal point for his ontological concerns. Focusing on five key novels, this book explores issues of mobility, modernity, and gender. First exploring how mechanized transportation reflects industry and patriarchy in *Sons and Lovers*, the book then considers issues of female mobility in *The Rainbow*, the signifying of war transport in *Women in Love*, revolution and the meeting of primitive and modern in *The Plumed Serpent*, and the reflection of dystopian post-war concerns in *Lady Chatterley's Lover*. Appealing to Lawrence, modernist, and mobilities researchers, this book is also of interest to readers interested in early twentieth-century society, the First World War, and transport history.
