THE FORMATION OF THE NEW TESTAMENT CANON

AN ECUMENICAL
APPROACH

Introduction by Albert C. Outler

Formation Of The New Testament Canon An Ecumenical Approach

Eojin Lee

Formation Of The New Testament Canon An Ecumenical Approach:

The Formation of the New Testament Canon William Reuben Farmer, Denis M. Farkasfalvy, 1983 **The Making of the New Testament** Arthur G. Patzia, 2025-11-04 The story of the making of the New Testament is one in which scrolls bumped across cobbled Roman roads and pitched through rolling Mediterranean seas finally finding their destinations in stuffy dimly lit Christian house churches in Corinth or Colossae There they were read aloud and reread handled and copied forwarded and collected studied and treasured And eventually they were brought together to make up our New Testament This revised and expanded edition of The Making of the New Testament is a textbook introduction to the origin collection copying and canonizing of the New Testament documents Like shrewd detectives reading subtle whispers of evidence biblical scholars have studied the trail of clues and pieced together the story of these books Arthur Patzia tells the story answering our many questions How were books and documents produced in the first century What motivated the early Christians to commit teaching and narrative and vision to papyrus How were the stories and sayings of Jesus circulated handed down and shaped into Gospels What do we know about ancient letter writing secretaries and copy shops Why were four Gospels included instead of just one How were Paul's letters sent here and there gathered into a single collection Who decided and by what criteria which documents would be included in the New Testament Explore these questions and more about these Scriptures whose everyday gritty story rings true to their extraordinary message the palpable mystery of the Word made flesh **The Canon of the New Testament** Bruce M. Metzger, 1997-03-06 A study of the long and gradual process in Church history which led to recognition of the canonical status of the books of the New Testament **Five Views on the New Testament Canon** Stanley E. Porter, Benjamin Laird, 2022-10-18 What historical political and ecclesial realities drove the canonization of the New Testament How are the doctrines of Early Christianity related to the formation of the New Testament Should the New Testament differ in authority from other early Christian texts As these questions demonstrate the enduring influence of the New Testament does not lessen the dispute over the events and factors leading to its adoption Five Views on the New Testament Canon presents five distinct ways of understanding how the New Testament came to be A Conservative Evangelical Perspective Darian R Lockett A Progressive Evangelical Perspective David R Nienhuis A Liberal Protestant Perspective Jason David BeDuhn A Roman Catholic Perspective Ian Boxall An Orthodox Perspective George L Parsenios Each contributor addresses historical theological and hermeneutical questions related to the New Testament canon such as what factors precipitated the establishment and recognition of the New Testament canon the basis of any authority the New Testament has and what the canon means for reading and interpreting the New Testament Contributors also include a chapter each responding to the other views presented in the volume The result is a lively exchange suitable for both undergraduate and graduate students seeking to grasp the best canon scholarship in biblical studies From Canonical Criticism to Ecumenical Exegesis? Peter-Ben Smit, 2015-07-14 This study explores and compares the role of the

canon in the work of Brevard S Childs James A Sanders Peter Stuhlmacher Joseph Ratzinger Benedict XVI and the Amsterdam School of exegesis thus offering a broad overview of approaches and perspectives within the spectrum covered by canonical criticism In doing so both the theory of canonical criticism offered by each of the five is analysed and a sample of an actual exegesis is discussed Observing that the interplay between text reader and community of interpretation is key to all of these approaches the study proceeds to create a dialogue between canonical criticism and ecumenical hermeneutics which leads to a proposal for an approach to exegesis that integrates elements of canonical hermeneutics ecumenical hermeneutics and intercultural perspectives

An Introduction to the New Testament Charles B Puskas, C Michael Robbins, 2012-08-30 This second edition of An Introduction to the New Testament provides readers with pertinent material and a helpful framework that will guide them in their understanding of the New Testament texts Many new and diverse cultural historical social scientific sociorhetorical narrative textual and contextual studies have been examined since the publication of the first edition which was in print for twenty years The authors retain the original tripartite arrangement on 1 The world of the New Testament 2 Interpreting the New Testament and 3 Jesus and early Christianity An appropriate book for anyone who seeks to better understand what is involved in the exegesis of New Testaments texts today

Hermeneutics, Authority, and Canon D. A. Carson, John Woodbridge, 2005-03-09 Among the many recent discussions of the nature and authority of Scripture I would judge this to be one of the most valuable Particularly in those essays that deal with the actual phenomena of the text of Scripture it displays a level of sophistication and of sympathetic awareness of alternative views that has too often been lacking In contrast to the backs to the wall tone of some conservative defenses of inerrancy these authors write for the most part with the confidence of those who have a coherent and well grounded position to offer The volume will I believe both help to commend Evangelical doctrine to those who suspect it of blind obscurantism and also contribute significantly to mutual understanding among Evangelicals who are too ready to polarize over their different assessments of what it means to honor Scripture as the Word of God R T France Vice Principal London Bible College These thought minded essays are the channel through which conservative scholars must steer for competent interaction with current critical theories for helpful direction in focusing the battle over Scripture and for reflection of conflict areas that Evangelicals must themselves resolve This work rises above the shallow shadow boxing over inerrancy and engages central concerns with academic ability and dignity It puts on the agenda issues that Evangelical leaders must now wrestle Does the Bible contain different kinds of truth Is all divine revelation rational Is the canon really post apostolic No reader will agree with all that is said some will loudly disagree here and there But all students will be stimulated and serious readers edified at the frontiers of current debate Carl F H Henry Lecturer at Large World Vision

Canon and Biblical Interpretation Zondervan, 2010-10-05 Drawing on a broad array of contributors volume seven of the Scripture and Hermeneutics Series assesses the current state of canonical interpretation and uses that as a starting point for exploring ingredients in theological

interpretation of the Bible today Canon and Biblical Interpretation begins with a masterful examination of the canonical approach and the various criticisms that have been leveled against it Additional chapters look at canonical interpretation in relation to different parts of the Bible such as the Pentateuch the Wisdom books the Psalms and the Gospels Articles address such issues as canonical authority and the controversial relationship between canonical interpretation and general hermeneutics A unique chapter explores the relationship between academic exegesis and lectio divina Editors Craig Bartholomew Robin Parry Scott Hahn Christopher Seitz Al Wolters **Biblical Exegesis, Fourth Edition** John H. Hayes, Carl R. Holladay, 2022-10-04 This is a beginner's guide to biblical exegesis providing exegetical methods practices and theories This book provides simple helpful information and guidance about doing exegesis without being overly prescriptive succinctly introduces students to various methods provides basic bibliographies that take students beyond an introductory discussion and emphasizes exegesis as an everyday activity based on commonsense principles rather than as an esoteric enterprise This revised edition of this perennially best selling textbook includes discussions of emerging methods of interpretation aimed at a contemporary audience Several chapters have been updated and improved and readers will find an incisive new chapter on exegesis with a focus on identity and advocacy Holladay has also written a new concluding chapter on exegesis as the art of seeing Bibliographies are updated and a helpful glossary is included in this new edition **New Testament Apocrypha** Wilhelm Schneemelcher, Robert McLachlan Wilson, 2005-07-28 Translation of Neutestamentliche Apokryphen *Canonical Texts: Bearers of Absolute Authority - Bible, Koran, Veda, Tipiaka* Rein Fernhout, 2023-12-28 This book introduces a new approach to the comparative study of sacred texts here the Christian Bible the Islamic Koran the Hindu Veda and the Buddhist Tipiaka The author demonstrates that in spite of their great differences these works show a fundamental analogy Considered as canonical within their own religious context each text possesses absolute authority in comparison with other authoritative texts from their respective religious traditions This fundamental analogy allows one to describe the growth and history of these canons step by step as a process that takes place in analogous phases that are clearly distinguishable The author follows a strictly phenomenological method he tries to understand the development of these canons in terms of a potential that lies within the phenomena themselves i.e. the texts while refraining in any way from assessing their claim to absolute authority In part I the author describes the development from the revelation of the texts to a climax with respect to reflection on the canons This climax has been reached in all four cases Part II investigates the crisis that these canons are currently undergoing as a consequence of the modern intellectual climate Can we expect that this crisis will be overcome by the canons And if so will they be in a position of mutual exclusion or will they form a sort of unity such as for example the Old and New Testament in the Christian Bible Finally the author traces what the religions themselves have postulated about the future of their respective canons The result is surprising the current crisis is only faint reflection of what according to age old predictions awaits the canons in the future **The Canonical Function of Acts**

David E. Smith, 2002 The book of Acts was recognized as canonical throughout most of the Catholic Christian world by the early third century Its canonization was due largely to its linking of the Old Testament with the ministries of Jesus the Jerusalem apostles Paul and the bishops of Ephesus In this way it functioned as a unifier of the developing Biblical canon and provided justification for episcopal hermeneutical authority Chapters in The Canonical Function of Acts are The Patristic Use of Acts Late Second Early Third Centuries The Patristic Use of Acts Fourth Century The Patristic Use of Acts The Works of Bede as Synthesis and Development A Comparative Analysis of the Apocryphal Acts Acts and Contemporary Issues and References to the Holy Spirit in Acts **Irenaeus' Use of Matthew's Gospel in Adversus Haereses** D. Jeffrey Bingham, Dwight Jeffrey Bingham, 1998 This book shows how Irenaeus creatively selects and develops distinctive Matthean material within his interpretive networks of other biblical texts in order to verbally and conceptually oppose the theses of the heretics and provide helpful language for his expression of the church's faith He is attracted to this Matthean material not because it holds an extraordinary place in the canon but because in his view each gospel makes a distinctive but equal contribution to the church's canon and polemic Irenaeus sees some of Matthew's distinctive contributions in terms of language which emphasizes Christ's humanity and virgin birth explains the theological and economical unity of the two covenants and opposes the heretics' cosmological anthropological Christological theological and economical dualism Although the bishop works within the framework of the church's tradition the interpretive inter-textual networks he builds his magnification of particular terms and his polemic against dualism demonstrate his creative anti-heretic innovation Rarely does he ever merely repeat the thought of a predecessor Irenaeus exegetes Matthew for the church within a particular milieu using a methodology of inter-textual connection common to his milieu and developing theological language which counters the heretics of his milieu *Theology of the Open Table* Eojin Lee, 2016-11-23 Theology of the Open Table begins with research on the traditional eucharistic understanding in the Presbyterian Church of Korea PCK through cultural and social analyses In developing his argument Eojin Lee has especially researched the biblical theological and early church sources in relation to his subject the Eucharist and the open table This book seeks to provide sound theological justification for the open table with an introduction of practices of the open table in the Uniting Church in Australia UCA *The Shepherd of Hermas* Caroline P. Buie, Michael Svigel, 2024-11-28 A notoriously puzzling text the Shepherd of Hermas has been as challenging to scholars as it was revered in the patristic period This volume offers a new lucid translation recreating the original colloquial tone of the work to help dispel some of the mystery and misunderstanding surrounding this work With introductory essays exploring authorship genre and theological and practical content this volume draws out the powerful images and practical principles which remain relevant for readers Accompanied by a commentary that unpacks the meanings of this ancient text this volume allows the Shepherd of Hermas' unique voice to be illuminated and understood **Hebrews, the General Letters, and Revelation** Charles B. Puskas, 2016-10-28 Most New Testament NT introductions because of page limitations

and other reasons tend to minimize their treatment of the last nine books of the Christian Bible from Hebrews to Revelation. The focus in these introductions is often on the four Gospels and the Letters of Paul. As important as these books are, one should not neglect with only a brief survey the treatment of Hebrews, the General Letters, and the book of Revelation. The title given later to the collection, Catholic Epistles or General Letters, is a reminder of its general appeal to the whole church despite its slow canonical recognition and authorship issues. Nevertheless, these writings from Hebrews to Revelation continue to capture our attention and ignite our imagination. My purpose for this book is to supplement my NT introduction and others like it with a focus on specific questions about each book from Hebrews to Revelation: When and why was each book written? By whom and to whom was each book written? What are some special features of each book? How soon or late was each book included in the NT collection? Answers to many of these questions are tentative. The assured results of scholarship are in continual need of reevaluation. Since the 1980s, a host of diverse studies have emerged, and I have endeavored to include them when they are relevant to the discussion.

The Early Church at Work and Worship - Volume 1 Everett Ferguson, 2013-01-22. This is the first volume of Ferguson's collected essays and includes some of his most memorable work, especially on laying on of hands.

Resourcing New Testament Studies Allan J. McNicol, David B. Peabody, J. Samuel Subramanian, 2011-12-22. Resourcing New Testament Studies includes fifteen essays contributed by twenty internationally known scholars, including representatives from North America, Europe, Asia, Africa, and Australia. These colleagues joined together to honor David Laird Dungan, Emeritus Professor of New Testament and Early Christianity, University of Tennessee, Knoxville, whose impressive teaching, research, and publishing career has now spanned over four decades. Opening Part I, In Honor of David L. Dungan, is a lively and revealing Cooperative Essay on a Collaborative Scholar composed by five of Dungan's colleagues: three from the University of Tennessee, a fourth from the editorial team with Dungan for The International Bible Commentary, and the fifth, Dungan's friend from childhood and co-author of their popular Sourcebook for the Study of the Gospels. Part I concludes with a full bibliography of Dungan's published work. Subsequent Parts of the volume focus on three themes, each reflecting some aspect of Dungan's own work: Part II, The Synoptic Problem; Part III, Jesus, the Gospels, and Acts; and Part IV, Canon, Theology, and Ethics. Contributors to this Festschrift include David R. Cartlidge, Robert A. Derrenbacker Jr., William R. Farmer, David Noel Freedman, Henry Innes MacAdam, Albert Fuchs, Birger Gerhardsson, Jan Lambrecht, Adrian Leske, David E. Linge, Sean McEvenue, Ralph V. Norman, Samuel Oyin Obogunrin, Charles H. Reynolds, Hans Hartmut Schroeder, Joseph B. Tyson, William O. Walker Jr., and the three co-editors, Allan J. McNicol, David B. Peabody, and J. Samuel Subramanian.

Surpassing Wonder Donald H. Akenson, 2001-09-29. Elegant and inventive, Surpassing Wonder uncovers how the ancient Hebrew scriptures, the Christian New Testament, and the Talmuds of the Rabbis are related and how collectively they make up the core of Western consciousness. Donald Harman Akenson provides an incisive critique of how religious scholars have distorted the holy books and argues that it was actually the inventor of the

Hebrew scriptures who shaped our concept of narrative history thereby founding Western culture **The Early Church at Work and Worship, Vol I** Everett Ferguson, 2014-08-28 Many recognise Everett Ferguson as the definitive voice on early Christianity patristic writing and ecclesiology The Early Church at Work and Worship is a challenging collection broad in scope and formidable in depth This is the first volume of Ferguson's collected essays and includes some of his most memorable work especially on laying on of hands Practices of Ordination and attitudes to religious schism in antiquity are analysed by the scholar in this collection which not only includes articles and publications from various sources but also previously unpublished material

Formation Of The New Testament Canon An Ecumenical Approach Introduction

In today's digital age, the availability of Formation Of The New Testament Canon An Ecumenical Approach books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Formation Of The New Testament Canon An Ecumenical Approach books and manuals for download, along with some popular platforms that offer these resources.

One of the significant advantages of Formation Of The New Testament Canon An Ecumenical Approach books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Formation Of The New Testament Canon An Ecumenical Approach versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Formation Of The New Testament Canon An Ecumenical Approach books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable.

Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing.

When it comes to accessing Formation Of The New Testament Canon An Ecumenical Approach books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Formation Of The New Testament Canon An Ecumenical Approach books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system.

Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF

books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Formation Of The New Testament Canon An Ecumenical Approach books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Formation Of The New Testament Canon An Ecumenical Approach books and manuals for download and embark on your journey of knowledge?

FAQs About Formation Of The New Testament Canon An Ecumenical Approach Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Formation Of The New Testament Canon An Ecumenical Approach is one of the best book in our library for free trial. We provide copy of Formation Of The New Testament Canon An Ecumenical Approach in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Formation Of The New Testament Canon An Ecumenical Approach. Where to download Formation Of The New Testament Canon An Ecumenical Approach online for free? Are you looking for Formation Of The New Testament Canon An Ecumenical Approach PDF? This is definitely going to save you time and cash in something you should think about.
