his desire to have us carry out the very best research work we were capable of Together we feel particularly fortunate to have had such a dedicated and distinguished individual as Professor Cohn as our Ph D research advisor It is with great pleasure that we acknowledge him as our mentor and friend We began in 1989 to plan this volume as a tribute to Professor Cohn on the occasion of his 65th birthday in 1991 Upon contacting his many former students and research associates from around the world we were not surprised to find that they too shared our feelings of respect and admiration for Mircea Cohn as an educator researcher and man
