

She is Gone

***You can shed tears that she is gone
Or you can smile because she has lived***

***You can close your eyes and pray that she will come back
Or you can open your eyes and see all that she has left***

***Your heart can be empty because you can't see her
Or you can be full of the love that you shared***

***You can turn your back on tomorrow and live yesterday
Or you can be happy for tomorrow because of yesterday***

***You can remember her and only that she is gone
Or you can cherish her memory and let it live on***

***You can cry and close your mind, be empty and turn your back
Or you can do what she would want:
smile, open your eyes, love and go on.***

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
