INTRODUCTION
TO
THE PROPHETS

RODNEY R. HUTTON

Fortress Introduction To The Prophets

Eugene H. Merrill

Fortress Introduction To The Prophets:

Fortress Introduction to the Prophets Rodney R. Hutton, 2004-07-29 Rodney Hutton begins this book by asking five basic questions about Israelite prophecy and the prophetic books Do the prophetic books witness to a real phenomenon of prophecy in Israel What is the relationship of the classical or writing prophets to the pre classical prophets Where do we look for the origins of Israelite prophecy How do the prophets relate to their culture and society How does the prophetic collection of writings relate to the legal and historical traditions of Israel Through literary social and theological analysis the author then introduces the most noted of the Hebrew prophets including Amos Hosea Isaiah and Micah with special attention to Jeremiah From publisher s description

Introduction to the Prophets Paul L. Redditt, 2008-11-03 Writing in a conversational rather than a scholarly tone Paul Redditt assumes little or no prior knowledge of the Old Testament as he presents and introduces the Major and Minor Prophets in the canonical order of the English Bible The chapters of Redditt s *Introduction to the Prophets* discuss the place of each book in the canon the literary setting of each book their structure integrity and authorship the main genre s in each special features of each book basic emphases of each book and problems theological literary or historical raised by a study of the book Among other things Redditt demonstrates that the prophets were both foretellers and forthtellers and he argues that the Old Testament prophets developed the concept of monotheism Each chapter ends with questions for further reflection Concluding the volume are a helpful glossary and several indexes

Old Testament Introduction Robin Routledge, 2016-07-21 The Old Testament is part of the canon of Christian Scripture and as such has continuing significance for the church However the writings are set within a different historical era a different culture and a different religious context To understand the Old Testament in a meaningful way it must be read against its historical cultural and theological background Here Robin Routledge enables readers to engage with the text He discusses date authorship the writers intention and purpose and significant textual issues key scholarly approaches to the text including historical critical and literary approaches To help us comprehend and interpret the Old Testament and so apply it to current belief and praxis Routledge includes an overview of exegetical and hermeneutical approaches He also offers some guidance through the maze of new treatments and terminology The volume provides specific introductions to the sections and books of the Old Testament following the canonical order of the Hebrew text In addition Routledge notes key distinctive issues and points to sources for further study The author s hope is that this volume will not only aid students but will also benefit others who want to take the Old Testament seriously and to apply its message to the life and ministry of the church today Scholarly and lucid *Old Testament Introduction* is designed especially for those who want to understand how to read the Old Testament as Christian Scripture while doing justice to its nuances and enormous diversity I commend it warmly Gordon McConville Professor of Old Testament Theology University of Gloucestershire

A Guide to Biblical Commentaries and Reference Works, 11th Edition John F. Evans, 2025-01-21 A Guide to Biblical Commentaries and

Reference Works 11th Edition by John F Evans summarizes and briefly analyzes all recent and many older commentaries on each book of the Bible giving insightful comments on the approach of each commentary and its usefulness for biblical interpretation The easy to use book provides analysis in canonical order and includes helpful appendices for compiling a personal research library A Guide to Biblical Commentaries and Reference Works 11th Edition is a key reference tool for any student of the Bible pastors laity and scholars alike

The ^AOxford Handbook of the Prophets Carolyn Sharp,2016-09-01 This volume engages the cultural norms and theological convictions of ancient Israel in the shadow of the Egyptian Babylonian and Persian empires Essays explore ancient Near Eastern historical contexts interpret prophetic narratives and poetry offer feminist materialist and postcolonial readings and more Indispensable for scholars and students of the prophets

Interpreting the Prophets Aaron Chalmers,2014-07-17 Aaron Chalmers equips the reader with the knowledge and skills they need to interpret the Prophets in a faithful and accurate fashion Providing the basic contextual and background information needed for sound exegesis and sensitive interpretation he also gives guidelines for practical application and preaching and teaching the Prophets today

Kingdom of Priests Eugene H. Merrill,2008-03-01 From the origins and exodus to the restoration and new hope Kingdom of Priests offers a comprehensive introduction to the history of Old Testament Israel Merrill explores the history of ancient Israel not only from Old Testament texts but also from the literary and archeological sources of the ancient Near East After selling more than 30 000 copies the book has now been updated and revised The second edition addresses and interacts with current debates in the history of ancient Israel offering an up to date articulation of a conservative evangelical position on historical matters The text is accented with nearly twenty maps and charts

A Guide to Biblical Commentaries and Reference Works John F. Evans,2016-05-03 A Guide to Biblical Commentaries and Reference Works by John F Evans summarizes and briefly analyzes all recent and many older commentaries on each book of the Bible giving insightful comments on the approach of each commentary and its interpretive usefulness especially for evangelical interpreters of the Bible A Guide to Biblical Commentaries and Reference Works is essentially an annotated bibliography of hundreds of commentators More scholarly books receive a longer more detailed treatment than do lay commentaries and highly recommended commentaries have their author s names in bold The author keeps up on the publication of commentaries and intends to update this book every three to four years

Prophecy and Apocalyptic D. Brent Sandy,Daniel M. O'Hare,2007-11 A current and accessible guide to the literature on Old Testament prophecy

Pastoral Essays in Honor of Lawrence Boadt, CSP Lawrence Boadt,2013 Pastoral Essays in Honor of Lawrence Boadt CSP is a tribute to the late Old Testament scholar by his colleagues and friends The twelve essays by leading biblical scholars address various questions that contemporary lay audiences have about the Old Testament covering the major genres in the Old Testament narrative law prophecy poetry and proverbs as well as foundational issues encountered in serious engagement with the Bible translations the nature of God the contributions of historical background to the Bible Each

essay is followed by questions and there are bibliographies to foster further study The book can be used on its own as the basis for a multiweek or yearlong Bible study or in the classroom as a supplement to Boadt's introductory textbook and is suitable for personal reflection as well as for group settings Publisher **Israel's Prophets and Israel's Past** John Haralson Hayes, 2006-11-01 A festschrift for John Hayes that highlights the intersection between the prophetic texts and Israelite historiography **Interpreting the Old Testament Theologically** Andrew T. Abernethy, 2018-12-18 How should Christians read the Old Testament today Answers to this question gravitate between two poles On the one hand some pay little attention to the gap between the Old Testament and today reading the Old Testament like a devotional allegory that points the Christian directly to Jesus On the other hand there are folks who prioritize an Old Testament passage's original context to such an extent that it is by no means clear if and how a given Old Testament text might bear witness to Christ and address the church This volume is a tribute to Willem A VanGemeren an ecclesial scholar who operated amidst the tension between understanding texts in their original context and their theological witness to Christ and the church The contributors in this volume share a conviction that Christians must read the Old Testament with a theological concern for how it bears witness to Christ and nourishes the church while not undermining the basic principles of exegesis Two questions drive these essays as they address the topic of reading the Old Testament theologically Christology If the Old Testament bears witness to Christ how do we move from an Old Testament text theme or book to Christ Ecclesiology If the Old Testament is meant to nourish the church how do scriptures originally given to Israel address the church today The volume unfolds by first considering exegetical habits that are essential for interpreting the Old Testament theologically Then several essays wrestle with how topics from select Old Testament books can be read theologically Finally it concludes by addressing several communal matters that arise when reading the Old Testament theologically **The Fulfilment of Doom?** Elizabeth Boase, 2006-06-15 It has long been noted that the book of Lamentations shares at least in part a theological outlook with the prophetic literature that the destruction of Jerusalem was the result of Yahweh's decisive action against the sins of the nation Too often however this relationship has simply been presupposed or assumed to be a relationship of shared perspective To date there has been no systematic exploration of how it is that Lamentations accepts and or modifies the theological outlook of the prophetic literature In addition when the theology of the prophets has been discussed in relation to Lamentations there has been a tendency to group all the prophetic books together as if they existed as a homogeneous whole and shared amongst themselves a singular outlook This tendency to simplify the theological complexity of the prophetic literature coincides with a similar tendency to reduce the theology of Lamentations to simple monotheistic assertions Drawing on the literary insights of Mikhail Bakhtin this study aims to explore in detail the nature of the relationship between Lamentations and the pre exilic exilic prophetic literature Drawing on the notions of dialogism polyphony and double voicing the study argues that Lamentations enters into a dialogic relationship with prophetic literature a relationship that both affirms and

subverts that literature Central to the acknowledgement of the dialogic interaction between Lamentations and the prophetic literature is the recognition of Lamentations as a multivalent polyphonic text in which unmerged viewpoints exist in a tension filled relationship *Encountering the Book of Isaiah (Encountering Biblical Studies)* Bryan E. Beyer, 2007-10-01 Bryan E Beyer follows previous bestselling texts with this comprehensive introduction to the book of Isaiah Here is a survey with depth presenting the prophet's overarching themes and sweeping issues while including copious details that round out a study of the man and his work Chapters begin with outlines and objectives that allow easy entry into the discussion and end with conclusions and study questions that aid comprehension and recall Informative sidebars delve further into the language theological connections and controversies of Isaiah This volume is useful to any serious student of the Bible *Dictionary of the Old Testament: Prophets* G MCCONVILLE, MARK J BODA, 2020-05-21 The writings of the prophets make up over a quarter of the Old Testament But perhaps no other portion of the Old Testament is more misunderstood by readers today For some prophecy conjures up knotted enigmas opaque oracles and terrifying visions of the future For others it raises expectations of a plotted out future to be reconstructed from disparate texts And yet the prophets have imprinted the language of faith and imagination with some of its most sublime visions of the future nations streaming to Zion a lion lying with a lamb and endlessly fruiting trees on the banks of a flowing river We might view the prophets as stage directors for Israel's unfolding drama of redemption Drawing inspiration from past acts in that drama and invoking fresh words from its divine author these prophets speak a language of sinewed poetry their words and images arresting the ear and detonating in the mind For when Yahweh roars from Zion and thunders from Jerusalem the pastures of the shepherds dry up the crest of Carmel withers and the prophetic word buffets those selling the needy for a pair of sandals The Dictionary of the Old Testament Prophets is the only reference book of its kind Not only does it focus exclusively on the prophetic books it also plumbs their imagery of mountains and wilderness flora and fauna temple and Zion It maps and guides us through topics such as covenant and law exile and deliverance forgiveness and repentance and the Day of the Lord Here the nature of prophecy is searched out in its social historical literary and psychological dimensions as well as its synchronic spread of textual links and associations And the formation of the prophetic books into their canonical collection including the Book of the Twelve is explored and weighed for its significance Then too contemporary approaches such as canonical criticism conversation analysis editorial redaction criticism feminist interpretation literary approaches and rhetorical criticism are summed up and assayed Even the afterlife of these great texts is explored in articles on the history of interpretation as well as on their impact in the New Testament [A Chorus of Prophetic Voices](#) Mark McEntire, 2015-08-24 While there are many textbooks about the prophetic literature most have taken either a historical or literary approach to studying the prophets A Chorus of Prophetic Voices by contrast draws on both historical and literary approaches by paying careful attention to the prophets as narrative characters It considers each unique prophetic voice in the canon in its fully developed literary form

while also listening to what these voices say together about a particular experience in Israel's story. It presents these four scrolls: Isaiah, Jeremiah, Ezekiel, and the Book of the Twelve as works produced in the aftermath of destruction, works that employ prophetic characters and as the words uttered during the crises. The prophetic literature became for Israel, living in a context of dispersion and imperial domination, a portable and adaptable resource at once both challenging and comforting. This book provides the fullest picture available for introducing students to the prophetic literature by valuing the role of the original prophetic characters, the finished state of the books that bear their names, the separate historical crises in the life of Israel they address, and the chorus of prophetic voices one hears when reading them as part of a coherent literary corpus.

The Prophetic Critique of the Priority of the Cult Theresa V. Lafferty, 2012-04-09 When Jesus overturned the tables of the merchants in the temple, he was just the latest in a long line of people who decried the activities that took place there. To understand his actions better, one must go back in history to the eighth century BCE to the first two prophets to criticize the temple cult: Amos and Isaiah. Their criticism of all worship activities came as a result of the people setting wrong priorities in their lives. What happens in the temple should extend into regular everyday activities in the home, in the market, in business dealings, at work, and at the city gate. Amos and Isaiah present similar oracles that address the prioritization of worship over real life. This book looks closely at their oracles, comparing and contrasting them, and analyzes what they were trying to teach the people.

God's Word for Our World, Vol. 1 Deborah L. Ellens, J. Harold Ellens, Isaac Kalimi, Rolf Knierim, 2004-03-01 This two-volume work in biblical studies is a commemorative presentation to Simon John DeVries, noted Old Testament Scholar. Volume one offers a series of essays on issues in Hebrew Bible studies. The topics addressed include the nature of Yahweh as God of Israel, a reexamination of the Exodus tradition, the Priestly code and practices, prophets and revelation, biblical poetry, issues in biblical linguistics, dramatic narrative in Hebrew Bible tradition, and Yahweh's deliverance as redemption in Israel.

Minor Prophets I (Understanding the Bible Commentary Series) Elizabeth Achtemeier, 2012-07-01 The New International Biblical Commentary (NIBC) offers the best of contemporary scholarship in a format that both general readers and serious students can use with profit. Based on the widely used NIV translation, the NIBC presents careful section-by-section exposition with key terms and phrases highlighted, and all Hebrew transliterated. A separate section of notes at the close of each chapter provides additional textual and technical comments. Each commentary also includes a selected bibliography, as well as Scripture and subject indexes. Hosea, Joel, Amos, Obadiah, Jonah, and Micah are included in this volume.

Pentecostal Prophets Stephen D. Barkley, 2023-04-20 Prophets come in many varieties: ecstatic worshippers, inspired preachers, social justice advocates, and even political pundits. Their messages vary accordingly. The purpose of this book is to dig beneath the message to understand how. How do modern-day prophets experience the prophetic impulse? The phenomenological study at the core of this book answers that question directly by examining the experience of Canadian Pentecostals. From there, the experience of modern-day prophets is compared with Old Testament

prophets with special attention given to Jeremiah It turns out that prophets today share in the same experience as their Old Testament predecessors This book can benefit three audiences For the academy this work provides the first phenomenological study of prophecy in Canada For pastors reading this book will be an exercise in empathy placing you in the shoes of the prophets in your congregation helping you to understand what goes on when someone prophesies For everyday prophets this book will affirm your connection through Jesus to the Old Testament prophetic tradition enabling you to read those Old Testament books in a new experiential light

Discover tales of courage and bravery in Crafted by is empowering ebook, **Fortress Introduction To The Prophets** . In a downloadable PDF format (*), this collection inspires and motivates. Download now to witness the indomitable spirit of those who dared to be brave.

Fortress Introduction To The Prophets Introduction

In today's digital age, the availability of Fortress Introduction To The Prophets books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Fortress Introduction To The Prophets books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Fortress Introduction To The Prophets books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Fortress Introduction To The Prophets versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Fortress Introduction To The Prophets books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Fortress Introduction To The Prophets books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Fortress Introduction To The Prophets books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Fortress Introduction To

The Prophets books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Fortress Introduction To The Prophets books and manuals for download and embark on your journey of knowledge?

FAQs About Fortress Introduction To The Prophets Books

What is a Fortress Introduction To The Prophets PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Fortress Introduction To The Prophets PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Fortress Introduction To The Prophets PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Fortress Introduction To The Prophets PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Fortress Introduction To The Prophets PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out

forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
