Baker,2021-07-22 This innovative cultural history of financial risk taking explores how a new concept of the future emerged in Renaissance Italy and its consequences **Theological and Ethical Perspectives on Climate Engineering** Forrest

Clingerman, Kevin J. O'Brien,2016-09-09 The climate is changing as an unintended consequence of human industrialization and consumerism Recently some scientists and engineers have suggested climate engineering technological solutions that would intentionally change the climate to make it more hospitable This approach focuses on large scale technologies to alleviate the worst effects of anthropogenic climate change This book considers the moral philosophical and religious questions raised by such proposals bringing Christian theology and ethics into the conversation about climate engineering for the first time The contributors have different views on whether climate engineering is morally acceptable and on what kinds of climate engineering are most promising and most dangerous but all agree that religion has a vital role to play in the analysis and decisions called for on this vital issue Calming the Storm presents diverse perspectives on some of the most vital questions raised by climate engineering Who has the right to make decisions about such global technological efforts What have we learned from the decisions that caused the climate to change that might shed light on efforts to reverse that change What frameworks and metaphors are helpful in thinking about climate engineering and which are counterproductive What religious beliefs practices and rituals can help people to imagine and evaluate the prospect of engineering the climate

Spring Leila Rafei,2020-08-25 Three stories One revolution Eighteen days in Egypt Sami is no revolutionary When the Arab Spring breaks out in 2011 he s busy finishing school in Cairo and hiding his relationship with an American woman from his conservative mother Suad It s a task that s becoming impossible as events take a catastrophic turn But Suad won t be fooled her son has been distant and she knows it s not about politics Far away in the Nile Delta she spends her days tending obsessively to her lemon grove which is quickly becoming her last vestige of control The only child who remains by her side is her daughter but as she too gets involved with the protests Suad realizes it won t last for long There s one person who knows exactly what s going on in the family and she wishes she didn t The maid Jamila already has too much to worry about as a refugee who s lobbying for resettlement expecting a baby and looking for her missing husband All she wants is stability and that her dreams won t be thwarted by the unrest sweeping a city she doesn t belong to a city that doesn t even want her

there As the country revolts against the regime it has always known Jamila Sami and Suad find themselves caught in the whirlwind as they examine their own life choices and in some cases deal with the inevitable heartbreak that follows when revolution is not always what it seems **A Concordance to Shakespeare's Poems** Helen Kate Rogers Furness,1875
