J. Cherryh,2006-02-07 The seventh novel in Cherryh s Foreigner space opera series a groundbreaking tale of first contact and its consequences It has been two years since the starship Phoenix left Alpha Station on a rescue mission where over four thousand human spacers were under attack by a hostile alien race Now exhausted from their journey the crew of the Phoenix yearns for home But when the ship makes the jump into atevi space and contacts Alpha they learn the worst that supplies to the station have been cut off that civil war has broken out on the atevi mainland that the powerful Western Association has

been overthrown and that Tabini aiji Bren Cameron's primary supporter and Ilisidi's grandson and ally is missing and may be dead. With no one left to lead the Western Association, Ilisidi and Bren know that the survival of their allies lies in their hands. And with the atevi world at war, the only safe landing strip lies on the human colony at Mospheira. Although there are many dangers inherent in bringing a powerful atevi leader such as Ilisidi onto human lands, Bren realizes they have no other choice. But even if they safely survive, their landing will. Bren and Ilisidi together prove strong enough to muster the remaining shards of the Western Association and regain control of their planet. The long running *Foreigner* series can also be enjoyed by more casual genre readers in sub-trilogy installments. *Destroyer* is the 7th *Foreigner* novel and the 1st book in the third subtrilogy.

Pretender C. J. Cherryh, 2007-02-06 The eighth novel in Cherryh's *Foreigner* space opera series, a groundbreaking tale of first contact and its consequences. Exhausted from a two-year rescue mission in space, the crew of the starship *Phoenix* return home to find disaster: civil war has broken out. The powerful Western Association has been overthrown, and Tabini aiji, its forceful leader, is missing. In a desperate move, paidhi Bren Cameron and Tabini's grandmother Ilisidi, the aiji dowager, along with Cajeiri, Tabini's eight-year-old heir, make planetfall and succeed in reaching the mainland. The brilliant and forceful Ilisidi seeks refuge at the estate of an old ally, and Tabini aiji arrives at the door. As word of Tabini's whereabouts circulates, clans allied with Tabini descend upon the estate, providing a huge civilian presence that everyone involved hopes will deter impending attacks by the usurpers. But as more and more supporting clans arrive, Bren finds himself increasingly isolated, and it becomes clear that both his extremely important report of alien contact in space and even his life rest on the shoulders of only two allies: Ilisidi and Cajeiri. Can one elderly ateva and an eight-year-old boy himself a prime target for assassination protect Bren, a lone human involved in a civil war that most atevi believe he caused? The long running *Foreigner* series can also be enjoyed by more casual genre readers in sub-trilogy installments. *Pretender* is the 8th *Foreigner* novel and the 2nd book in the third subtrilogy.

Deliverer C. J. Cherryh, 2007-02-06 The ninth novel in Cherryh's *Foreigner* space opera series, a groundbreaking tale of first contact and its consequences. In the aftermath of civil war, the world of the atevi is still perilously unstable. Tabini aiji, powerful ruler of the Western Association, along with his son and heir Cajeiri and his human paidhi Bren Cameron, have returned to the seat of power. The usurper Murini has escaped to the lands of his supporters, but the danger these rebels pose is far from over. Ilisidi, Tabini's grandmother, the aiji dowager, has returned to her ancient castle in the East, for she has powerful ties in the lands of the rebels and she seeks to muster whatever support for her grandson that she can from among those enemy strongholds. In his father's tightly guarded headquarters, eight-year-old Cajeiri is horribly bored. Two years on an interstellar starship surrounded by human children have left him craving excitement. But unbeknownst to this dissatisfied youngster, he has become a target for forces bent on destroying his father's rule and everything it stands for. Though still a child, Cajeiri embodies a unique threat to the venerable tradition-defined lifestyle of his people. For this young boy is the first ateva youth to have lived in a human environment. And

after hundreds of years of tenuous atevi human coexistence Cajeiri may very well be the first ateva to ever truly understand the so similar yet so dangerously different aliens who share his home planet and threaten the hidebound customs of his race The long running *Foreigner* series can also be enjoyed by more casual genre readers in sub trilogy installments *Deliverer* is the 9th *Foreigner* novel and the 3rd book in the third subtrilogy *Alternate Realities* C.
