Forty Days Lost Survival:

40 Days Eddie Newton,2001-02 Once when the world was new God looked down on His creation and was disappointed The skies rained down on His world for forty days and forty nights He made Noah the inheritor of His creation What would He think if He looked down upon us now What would we do if it started to rain and it did not stop Where would we run when the water is everywhere And who would be our Noah Nine people have been chosen to build a new ark to survive the Second Flood to make good God s vision of humanity Who are these Nine And what about everyone else It is time Sink Or swim
