

Foundations Of Despotism Peasants The Trujillo Regime And Modernity In Dominican History

April Yoder

Foundations Of Despotism Peasants The Trujillo Regime And Modernity In Dominican History:

Foundations of Despotism Richard Lee Turits, 2003 This book explores the history of the Dominican Republic as it evolved from the first European colony in the Americas into a modern nation under the rule of Rafael Trujillo It investigates the social foundations of Trujillo's exceptionally enduring and brutal dictatorship 1930-1961 and more broadly the way power is sustained in such non-democratic regimes The author reveals how the seemingly unilateral imposition of power by Trujillo in fact depended on the regime's mediation of profound social and economic transformations especially through agrarian policies that assisted the nation's large independent peasantry By promoting an alternative modernity that sustained peasants free access to land during a period of economic growth the regime secured peasant support as well as backing from certain elite sectors This book thus elucidates for the first time the hidden foundations of the Trujillo regime

Foundations of Despotism Richard Lee Turits, 2022 This book explores the history of the Dominican Republic as it evolved from the first European colony in the Americas into a modern nation under the rule of Rafael Trujillo It investigates the social foundations of Trujillo's exceptionally enduring and brutal dictatorship 1930-1961 and more broadly the way power is sustained in such non-democratic regimes The author reveals how the seemingly unilateral imposition of power by Trujillo in fact depended on the regime's mediation of profound social and economic transformations especially through agrarian policies that assisted the nation's large independent peasantry By promoting an alternative modernity that sustained peasants free access to land during a period of economic growth the regime secured peasant support as well as backing from certain elite sectors This book thus elucidates for the first time the hidden foundations of the Trujillo regime **The**

Dominican Racial Imaginary Milagros Ricourt, 2016-11-18 This book begins with a simple question why do so many Dominicans deny the African components of their DNA culture and history Seeking answers Milagros Ricourt uncovers a complex and often contradictory Dominican racial imaginary Observing how Dominicans have traditionally identified in opposition to their neighbors on the island of Hispaniola Haitians of African descent she finds that the Dominican Republic's social elite has long propagated a national creation myth that conceives of the Dominican as a perfect hybrid of native islanders and Spanish settlers Yet as she pores through rare historical documents interviews contemporary Dominicans and recalls her own childhood memories of life on the island Ricourt encounters persistent challenges to this myth Through fieldwork at the Dominican-Haitian border she gives a firsthand look at how Dominicans are resisting the official account of their national identity and instead embracing the African influence that has always been part of their cultural heritage Building on the work of theorists ranging from Edward Said to Édouard Glissant this book expands our understanding of how national and racial imaginaries develop why they persist and how they might be subverted As it confronts Hispaniola's dark legacies of slavery and colonial oppression *The Dominican Racial Imaginary* also delivers an inspiring message on how multicultural communities might cooperate to disrupt the enduring power of white supremacy **Natural Experiments of**

History Jared Diamond, James A. Robinson, 2012-10-01 This book consists of eight comparative studies drawn from history archeology economics economic history geography and political science The studies cover a spectrum of approaches geographically they include the United States Mexico Brazil western Europe tropical Africa India Siberia Australia New Zealand and other Pacific islands

Deysi, Gender, and Violence Ana S.Q. Liberato, 2024-12-03 This book shares the life narrative of Deysi Qui ones to shed light on the intricate relationship between her life and the wider cultural political social and historical contexts of the Dominican Republic Deysi s life narrative is a microhistory that sheds light on the intersection of gender violence and poverty under the Trujillo regime and in its wake Her story recovers pieces of rural life which has been disrupted transformed and made less visible by the neoliberal order It emphasizes the significance of expanding the Trujillo regime archive to encompass a broader spectrum of perspectives and attract more scholarly attention to Pet n Trujillo s legacies Deysi s life story can provide meaningful lessons and insights for today in the realm of gendered violence and children s exploitation This book is intended as reading for sociology gender and women s studies history Latin American politics and Caribbean and Latin American Studies courses and for a general educated audience The book intersects with topics that are widely covered in research in the humanities and social sciences and is appropriate for both advanced undergraduate and graduate courses The book can appeal to human rights activists novelists and individuals and organizations interested in history politics authoritarian societies and gendered violence

The Paradox of Paternalism Elizabeth S. Manley, 2022-06-28 Relying on a rich supply of archives and primary sources Manley demonstrates that Dominican women participated in national and transnational politics and employed current global political discourse to become a vital component of the successes and failures of the Dominican authoritarian regime

Forms of Dictatorship Jennifer Harford Vargas, 2018 An intra ethnic study of Latina o fiction written in the United States from the early 1990s to the present *Forms of Dictatorship* examines novels that depict the historical reality of dictatorship and exploit dictatorship as a literary trope This literature constitutes a new sub genre of Latina o fiction which the author calls the Latina o dictatorship novel The book illuminates Latina os central contributions to the literary history of the dictatorship novel by analyzing how Latina o writers with national origin roots in the Caribbean Mexico and Central and South America imaginatively represent authoritarianism The novels collectively generate what Harford Vargas terms a Latina o counter dictatorial imaginary that positions authoritarianism on a continuum of domination alongside imperialism white supremacy heteropatriarchy neoliberalism and border militarization Focusing on novels by writers such as Junot D az Hector Tobar Cristina Garcia Salvador Plascencia and Francisco Goldman the book reveals how Latina o dictatorship novels foreground more ubiquitous modes of oppression to indict Latin American dictatorships U S imperialism and structural discrimination in the U S as well as repressive hierarchies of power in general Harford Vargas simultaneously utilizes formalist analysis to investigate how Latina o writers mobilize the genre of the novel and formal techniques such as footnotes focalization emplotment and

metafiction to depict dictatorial structures and relations In building on narrative theories of character plot temporality and perspective Harford Vargas explores how the Latina o dictatorship novel stages power dynamics Forms of Dictatorship thus queries the relationship between different forms of power and the power of narrative form that is between various instantiations of repressive power structures and the ways in which different narrative structures can reproduce and resist repressive power *Nation and Citizen in the Dominican Republic, 1880-1916* Teresita Martínez-Vergne, 2006-05-18

Combining intellectual and social history Teresita Martinez Vergne explores the processes by which people in the Dominican Republic began to hammer out a common sense of purpose and a modern national identity at the end of the nineteenth and beginning of the twentieth centuries Hoping to build a nation of hardworking peaceful voting citizens the Dominican intelligentsia impressed on the rest of society a discourse of modernity based on secular education private property modern agricultural techniques and an open political process Black immigrants bourgeois women and working class men and women in the capital city of Santo Domingo and in the booming sugar town of San Pedro de Macoris however formed their own surprisingly modern notions of citizenship in daily interactions with city officials Martinez Vergne shows just how difficult it was to reconcile the lived realities of people of color women and the working poor with elite notions of citizenship entitlement and identity She concludes that the urban setting rather than defusing the impact of race class and gender within a collective sense of belonging as intellectuals had envisioned instead contributed to keeping these distinctions intact thus limiting what could be considered Dominican *Symbolism 15* Rüdiger Ahrens, Klaus Stierstorfer, 2015-10-16

While paratexts among them headnotes footnotes or endnotes have never been absent from American literature the last two decades have seen an explosion of the phenomenon including mock scholarly footnotes to an extent that they seem to take over the text itself In this Special Focus we shall attempt to find the reasons for this astonishing development In our first diachronic section we shall explore such texts as might have fostered the present boom from fictions by Edgar Allan Poe to Vladimir Nabokov to Mark Z Danielewski The second synchronic section will concentrate on paratexts by David Foster Wallace perhaps the father of the post postmodern footnote as well as those to be found in novels by Bennett Sims Jennifer Egan and Junot Diaz among others It appears that while paratexts definitely point to a high degree of self reflexivity in the author they equally draw attention to the textual and authorial functions of the works in which they exist They can thus cause a reflection on the boundaries between genres like fiction faction and autobiography as well as serving to highlight a host of pedagogical and social concerns that exist in the interstices between fiction and reality **Dividing Hispaniola** Edward Paulino, 2016-02-16

The island of Hispaniola is split by a border that divides the Dominican Republic and Haiti This border has been historically contested and largely porous Dividing Hispaniola is a study of Dominican dictator Rafael Trujillo s scheme during the mid twentieth century to create and reinforce a buffer zone on this border through the establishment of state institutions and an ideological campaign against what was considered an encroaching black inferior and bellicose

Haitian state The success of this program relied on convincing Dominicans that regardless of their actual color whiteness was synonymous with Dominican cultural identity Paulino examines the campaign against Haiti as the construct of a fractured urban intellectual minority bolstered by international politics and U S imperialism This minority included a diverse set of individuals and institutions that employed anti Haitian rhetoric for their own benefit i e sugar manufacturers and border officials Yet in reality these same actors had no interest in establishing an impermeable border Paulino further demonstrates that Dominican attitudes of admiration and solidarity toward Haitians as well as extensive intermixture around the border region were commonplace In sum his study argues against the notion that anti Haitianism was part of a persistent and innate Dominican ethos

Unmastering the Script Sheridan Wigginton, Richard T. Middleton, 2019-09-03 Analyzes textbooks in the Dominican Republic for evidence of reproducing Haitian Otherness Unmastering the Script Education Critical Race Theory and the Struggle to Reconcile the Haitian Other in Dominican Identity examines how school curriculum based representations of Dominican identity navigate black racial identity its relatedness to Haiti and the culturally entrenched pejorative image of the Haitian Other in Dominican society Wigginton and Middleton analyze how social science textbooks and historical biographies intended for young Dominicans reflect an increasing shift toward a clear and public inclusion of blackness in Dominican identity that serves to renegotiate the country's long standing antiblack racial master script The authors argue that although many of the attempts at this inclusion reflect a lessening of black denial when considered as a whole the materials often struggle to find a consistent and coherent narrative for the place of blackness within Dominican identity particularly regarding the ways in which blackness continues to be meaningfully related to the otherness of Haitian racial identity Unmastering the Script approaches the text materials as an example of reconstructing and unburying an African past supporting the uneven slow and highly context specific nature of the process This work engages with multiple disciplines including history anthropology education and race studies building on a new wave of Dominican scholarship that considers how contemporary perspectives of Dominican identity both accept the existence of an African past and seek to properly weigh its importance The use of critical race theory as the framework facilitates unfolding the past political and legal agendas of governing elites in the Dominican Republic and also helps to unlock the nuance of an increasingly black inclusive Dominican identity In addition this framework allows the unveiling of some of the socially damaging effects the Haitian Other master script can have on children particularly those of Haitian ancestry in the Dominican Republic

Pitching Democracy April Yoder, 2023-03-14 How Dominicans contribute to Major League Baseball and what they receive in return From Juan Marichal and Pedro Martinez to Albert Pujols and Juan Soto Dominicans have long been among Major League Baseball's best How did this small Caribbean nation become a hothouse of baseball talent To many fans the answer is both obvious and disconcerting pro teams use their riches to develop talent abroad creating opportunities for superhuman athletes and corrupt officials while the rest of the population sees little benefit Yet this

interpretation of history is incomplete April Yoder traces how baseball has empowered Dominicans in their struggles for democracy and social justice While the dictatorship of Rafael Trujillo saw the sport as a means of cementing its power at home and abroad the Dominican people fashioned an emancipated civic sphere by seeing their potential for democratic success in their compatriots baseball success Later Dominicans articulated demands for democracy economic opportunity and civil rights through successful calls for public support of amateur and professional baseball Today Dominicans continue to demand that incentives for the baseball industry foster human as well as economic development A revelatory and innovative history Pitching Democracy restores agency to the Dominican people and honors their true love of the game

Censorship and Exile Johanna Hartmann, Hubert Zapf, 2015-05-20 Dieser Band behandelt aus interdisziplinärer und transnationaler Perspektive die Zusammenhänge zwischen Exilerfahrung und Zensurmechanismen Er versammelt literatur- und sprachwissenschaftliche Beiträge die den Themenkomplex aus komparativer historischer politischer und kreativer Perspektive beleuchten Dabei werden die Kontinuitäten und Diskontinuitäten der Exilliteraturforschung der Entstehung verschiedener Formen von Exilliteratur und Zensurpraktiken als institutionalisierte Form der Unterdrückung freier Meinungsäußerung und künstlerischer Freiheit in Beziehung zueinander gesetzt Der Band stellt somit einen in bedeutenden Beitrag zur theoretisch wie auch anwendungsbezogenen Zensur- und Exilforschung dar

The Great Depression in Latin America Paulo Drinot, Alan Knight, 2014-09-18 Although Latin America weathered the Great Depression better than the United States and Europe the global economic collapse of the 1930s had a deep and lasting impact on the region The contributors to this book examine the consequences of the Depression in terms of the role of the state party political competition and the formation of working class and other social and political movements Going beyond economic history they chart the repercussions and policy responses in different countries while noting common cross regional trends in particular a mounting critique of economic orthodoxy and greater state intervention in the economic social and cultural spheres both trends crucial to the region's subsequent development The book also examines how regional transformations interacted with and differed from global processes Taken together these essays deepen our understanding of the Great Depression as a formative experience in Latin America and provide a timely comparative perspective on the recent global economic crisis Contributors Marcelo Bucheli Carlos Contreras Paulo Drinot Jeffrey L Gould Roy Hora Alan Knight Gillian McGillivray Luis Felipe Senz Angela Vergara Joel Wolfe Doug Yarrington

Conspiracy Theories and Latin American History Luis Roniger, Leonardo Senkman, 2021-09-09 This book is a systematic inquiry of conspiracy theories across Latin America Conspiracy theories project not only an interpretive logic of reality that leads people to believe in sinister machinations but also imply a theory of power that requires mobilizing and taking action Through history many have fallen for the allure of conspiratorial narratives even the most unsubstantiated and bizarre This book traces the main conspiracy theories developing in Latin America since late colonial times and into the present and identifies the geopolitical socioeconomic and cultural scenarios of their diffusion

and mobilization Students and scholars of Latin American history and politics as well as comparatists will find in this book penetrating analyses of major conspiratorial designs in this multi state region of the Americas *Joaquín Balaguer, Memory, and Diaspora* Ana S. Q. Liberato, 2013-09-26 Joaquín Balaguer *Memory and Diaspora* draws on the growing interest in the legacies of authoritarianism and state violence and its interplay with migration and memory Ana S Q Liberato discusses the relationship between memory and government pedagogy or the meanings constructed and disseminated by Joaquín Balaguer in political ads and public speeches and through public policy and autobiographical work Liberato argues that there is a revival of memory in the Dominican Republic today including pro Balaguer memorialization efforts and that Balaguer's political pedagogy had an effect on public memory The influence of his political pedagogy on memory transpires in memorializations which reproduce notions of Balaguer's political and moral exceptionalism This book shows that Balaguer's authoritarian pedagogy has been consumed anchored and shared among different Dominican publics in the island and overseas through the prism he created Liberato also reveals Balaguer as a contested political character who provokes particular emotions and well defined experiences and notions of the past She demonstrates how his legacy was legitimized and contested by comparing him to caudillos José Francisco Peña Gómez and Juan Bosch as well as through instances when he is praised or questioned for being an American protégé This book exhibits how diasporic Dominicans maintain and transplant their political knowledge after migration In particular notions of democracy political trust political accountability human rights and sovereignty associated with authoritarian pedagogy accumulate in their narratives of the past and in their accounts of politics and history Key roles are played by shared historical cultural and linguistic symbols associated with the legacy of authoritarianism Liberato demonstrates how Balaguer influenced the Dominican nation through implementing effective political pedagogies which in turn helped reinforce and reinscribe some aspects of the pedagogies implemented by Dictator Trujillo and previous authoritarian leaders Joaquín Balaguer *Memory and Diaspora* will be of particular interest to Caribbean and Latin American Studies students and scholars as well as anyone working in the areas of migration studies sociology Latin American politics U S foreign policy Latino studies Caribbean studies and the sociology of knowledge

Humanities, 2002 *The Bloomsbury Handbook to Edwidge Danticat* Jana Evans Braziel, Nadège T.

Clitandre, 2021-01-28 Edwidge Danticat's prolific body of work has established her as one of the most important voices in 21st century literary culture Across such novels as *Breath Eyes Memory* *Farming the Bones* and short story collections such as *Krik Krak* and most recently *Everything Inside* essays and writing for children the Haitian American writer has throughout her oeuvre tackled important contemporary themes including racism imperialism anti immigrant politics and sexual violence With chapters written by leading and emerging international scholars this is the most up to date and in depth reference guide to 21st century scholarship on Edwidge Danticat's work *The Bloomsbury Handbook to Edwidge Danticat* covers such topics as The full range of Danticat's writing from her novels and short stories to essays life writing and writing for children

and young adults Major interdisciplinary scholarly perspectives including from establishing fields of literary studies Caribbean Studies Political Science Latin American Studies feminist and gender studies African Diaspora Studies and emerging fields such as Environmental Studies Danticat's literary sources and influences from Haitian authors such as Marie Chauvet Jacques Roumain and Jacques St phen Alexis to African American authors like Zora Neale Hurston Toni Morrison and Caribbean American writers Audre Lorde to Paule Marshall Known and unknown Historical moments in experiences of slavery and imperialism the consequence of internal and external migration and the formation of diasporic communities The book also includes a comprehensive bibliography of Danticat's work and key works of secondary criticism and an interview with the author as well as and essays by Danticat herself

The Revolution from Within Michael J. Bustamante, Jennifer L. Lambe, 2019-02-14 What does the Cuban Revolution look like from within This volume proposes that scholars and observers of Cuba have too long looked elsewhere from the United States to the Soviet Union to write the island's post 1959 history Drawing on previously unexamined archives the contributors explore the dynamics of sociopolitical inclusion and exclusion during the Revolution's first two decades They foreground the experiences of Cubans of all walks of life from ordinary citizens and bureaucrats to artists and political leaders in their interactions with and contributions to the emerging revolutionary state In essays on agrarian reform the environment dance fashion and more contributors enrich our understanding of the period beginning with the utopic mobilizations of the early 1960s and ending with the 1980 Mariel boatlift In so doing they offer new perspectives on the Revolution that are fundamentally driven by developments on the island Bringing together new historical research with comparative and methodological reflections on the challenges of writing about the Revolution The Revolution from Within highlights the political stakes attached to Cuban history after 1959 Contributors Michael J Bustamante Mar a A Cabrera Ar s Mar a del Pilar D az Casta n Ada Ferrer Alejandro de la Fuente Reinaldo Funes Monzote Lillian Guerra Jennifer L Lambe Jorge Macle Cruz Christabelle Peters Rafael Rojas Elizabeth Schwall Abel Sierra Madero

Warriors, Rebels, and Saints Moshik Temkin, 2023-11-07 Do leaders make history or does history make leaders A deep dive into how we define seek and become leaders We live in a period of leadership in crisis At home and across the globe we sense that unqualified and irresponsible individuals are being elevated to positions of power strong men and autocrats are consolidating their hold on governance and the people are losing faith in the prospect of a better future How have we arrived at this point And how can we correct our course For the past decade Moshik Temkin has challenged his students at Harvard University's Kennedy School of Government and around the world to grapple with the nature of leadership as part of his wildly popular course Leaders and Leadership in History Now in Warriors Rebels and Saints Temkin refashions the classroom for a wider audience Using art film and literature to illustrate the drama of the past Temkin considers how leaders have made decisions in the most difficult circumstances from the Great Depression of the 1930s to the dictatorship of Rafael Trujillo and from the anticolonial wars of the 20th century to the civil rights struggle and

how in a world desperate for good leadership we can evaluate those decisions and draw lessons for today

While this might not be the Foundations Of Despotism Peasants The Trujillo Regime And Modernity In Dominican History full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Foundations Of Despotism Peasants The Trujillo Regime And Modernity In Dominican History eBooks, including some popular titles.

FAQs About Foundations Of Despotism Peasants The Trujillo Regime And Modernity In Dominican History Books

What is a Foundations Of Despotism Peasants The Trujillo Regime And Modernity In Dominican History PDF? A

Foundations Of Despotism Peasants The Trujillo Regime And Modernity In Dominican History

PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Foundations Of Despotism Peasants The Trujillo Regime And Modernity In Dominican History PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Foundations Of Despotism Peasants The Trujillo Regime And Modernity In Dominican History PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Foundations Of Despotism Peasants The Trujillo Regime And Modernity In Dominican History PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Foundations Of Despotism Peasants The Trujillo Regime And Modernity In Dominican History PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
