Johnson,Marianne F. Johnson,Warren J. Samuels,2004-05-20 Under the impressive editorship of Warren Samuels et al this book addresses the state of the history of economic thought today An important contribution to the study of the history of economics this eagerly awaited book will develop an unsurprisingly large following      **Review of Current Information in the Treasury Department Library** United States. Department of the Treasury. Library,1954      Monthly Labor Review United States. Bureau of Labor Statistics,2003-10 Publishes in depth articles on labor subjects current labor statistics information about current labor contracts and book reviews      **Creation and Transfer of Knowledge** Giorgio Barba Navaretti,Partha Dasgupta,Karl-Göran Mäler,Domenico Siniscalco,2013-03-09 Is knowledge an economic good Which are the characteristics of the institutions regulating the production and diffusion of knowledge Cumulation of knowledge is a key determinant of economic growth but only recently knowledge has moved to the core of economic analysis Recent literature also gives profound insights into events like scientific progress artistic and craft development which have been rarely addressed as socio economic institutions being the domain of sociologists and historians rather than economists This volume adopts a multidisciplinary approach to bring knowledge in the focus of attention as a key economic issue      Elgar Encyclopedia on the Economics of Knowledge and Innovation Antonelli, Cristiano,2022-10-14 A landmark reference work in

the field this Elgar Encyclopedia presents over 60 entries from scholars that have shaped the making of the economics of innovation as a distinct and specialised field of investigation within the broad range of economic disciplines This will be a critical read for economics scholars particularly those focusing on knowledge and innovation as it offers an understanding of the definitions of key terms in the field the founding tenets of the topic and the economics of knowledge and innovation in more specific contexts      The State and Economic Knowledge Mary O. Furner, Barry Supple, 1990-08-31 This book addresses an important but inadequately recognized dimension of the activities of the modern state the role it plays in producing the theoretical and practical knowledge necessary for economic policy making Over time governments in modern societies have assumed the ultimate responsibility for ensuring the economic well being of their citizens and for protecting their competitive positions in the international economy To perform their various coordinating functions effectively and to maintain legitimacy governments have found it necessary to rely on accurate information regarding economic conditions and trends and on empirically based theories or models that allow officials to anticipate the economy's performance under specified conditions The traditional assumption which this collection of essays challenges is that despite this profound dependence governments have generally acted as passive consumers of whatever ideas economists in the private sector and professions had to offer This book brings together papers that reveal the ways in which modern states have helped to generate new economic knowledge and how that process interacts with economic changes specific political institutions and ideological contexts      **Subject Index of Modern Books Acquired** British Library, 1974      *Theory as Critique: Essays on Capital* Paul Mattick, 2018-06-12 Theory as Critique while discussing many central issues of Marxian theory has two main emphases First as the title suggests it takes seriously Capital's claim to be a critique of economic theory rather than a contribution to political economy Understanding what this means it shows goes far to unravelling many difficulties traditionally found in Marx's book from the nature of his theory of class to the transformation problem Secondly Mattick's volume carefully explores how to bridge the gap between the extreme abstraction of Marx's ideas and the complex reality that they are intended to help us understand      Monographic Series Library of Congress,
