The Grand Tour Tim Moore, 2002-06 The tradition of the Grand Tour was started in 1608 by an intrepid but down at the heels English courtier named Thomas Coryate who walked across Europe miraculously managed to return home in one piece and wrote a book about his bawdy misadventures. With *The Grand Tour* Tim Moore proves not only that he is Coryate's worthy successor but one of the finest and funniest travel writers working today. Armed with a well thumbed reprint of Coryate's book Moore donned a purple plush suit and set off in a second hand and highly temperamental Rolls Royce through France Italy Germany Switzerland and Holland. Like Coryate Moore possesses an astonishing ability to land himself in humiliating predicaments. His account of his hilariously memorable misadventures on Venice's canals on one fateful afternoon is by itself worth the price of admission. Moore brings new life to the Old World and in the process sends readers into paroxysms of laughter and delight.
