*Frost on the Window and Other Poems* Mary Stewart,1990      *Frost on the Window* Mary Stewart,Paul Stewart,1993-07-03      **The Thirteenth Cæsar and Other Poems** Sacheverell Sitwell,1924      *The Robert Frost Encyclopedia* Nancy L. Tuten,John Zubizarreta,2000-12-30 Often thought of as the quintessential poet of New England Robert Frost is one of the most widely read American poets of the 20th century He was a master of poetic form and imagery his works seemed to capture the spirit of America and he became so emblematic of his country that he read his work at President Kennedy s inauguration and traveled to Israel Greece and the Soviet Union as an emissary of the U S State Department While many readers think of him as the personification of New England he was born in San Francisco published his first book of poetry in England matured as a poet while abroad taught for several years at the University of Michigan and spent many of his winters in Florida This reference helps illuminate the hidden complexities of his life and work Included in this volume are hundreds of alphabetically arranged entries on Frost s life and writings Each of his collected poems is treated in a separate entry and the book additionally includes entries on such topics as his public speeches various colleges and universities with which he was associated the honors that he won his biographers films about him poets and others whom he knew and similar items Each entry is written by an expert contributor and closes with a brief bibliography The volume also provides a chronology and concludes with a general bibliography of major studies      *Books for Young People* ,1929      **The Road Not Taken and Other Poems** Robert Frost,2015-08-18 Frost s early poems selected by poet David Orr for the centennial of *The Road Not Taken* A Penguin Classics Deluxe edition For one hundred years Robert Frost s *The Road Not Taken* has enchanted and challenged readers with its deceptively simple premise a person reaches a fork in the road facing a choice full of doubt and possibility *The Road Not Taken and Other Poems* presents Frost s best loved poem along with other works from his brilliant early years including such poems as *After Apple Picking* *The Oven Bird* and *Mending Wall* Award winning poet and critic David Orr s introduction discusses why Frost remains so central if often misunderstood in American culture and how the beautiful intricacy of his poetry keeps inviting generation after generation to search for meaning in his work For more than sixty five years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 500 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators      *The Ladies' Repository* ,1874 The idea of this women s magazine originated with Samuel Williams a Cincinnati Methodist who thought that Christian women needed a magazine less worldly than Godey s *Lady s Book* and Snowden s *Lady s Companion* Written largely by ministers this exceptionally well printed little magazine contained well written essays of a moral character plenty of poetry articles on historical and scientific matters and book reviews Among western writers were Alice Cary who

contributed over a hundred sketches and poems her sister Phoebe Cary Otway Curry Moncure D Conway and Joshua R Giddings and New England contributors included Mrs Lydia Sigourney Hannah F Gould and Julia C R Dorr By 1851 each issue published a peice of music and two steel plates usually landscapes or portraits When Davis E Clark took over the editorship in 1853 the magazine became brighter and attained a circulation of 40 000 Unlike his predecessors Clark included fictional pieces and made the Repository a magazine for the whole family After the war it began to decline and in 1876 was replaced by the National Repository The Ladies Repository was an excellent representative of the Methodist mind and heart Its essays sketches and poems its good steel engravings and its moral tone gave it a charm all its own Cf American periodicals 1741 1900
