Fruchte Des Zorns:

Die Früchte des Zorns, 1993 **Die Früchte des Zorns und der Zärtlichkeit** Astrid Johanna Ofner, 2004 **Sisters in Arms** Katharina Karcher, 2017-05-01 Few figures in modern German history are as central to the public memory of radical protest than Ulrike Meinhof but she was only the most prominent of the countless German women and militant male feminists who supported and joined in revolutionary actions from the 1960s onward Sisters in Arms gives a bracing account of how feminist ideas were enacted by West German leftist organizations from the infamous Red Army Faction to less well known groups such as the Red Zora It analyzes their confrontational and violent tactics in challenging the abortion ban opposing violence against women and campaigning for solidarity with Third World women workers Though these groups often diverged ideologically and tactically they all demonstrated the potency of militant feminism within postwar protest movements John Steinbeck in East Europe Translation Danica Čerče, 2017-05-11 This volume narrows a huge gap in regard to Steinbeck translations in Eastern Europe here considered in terms of the political division between Western Europe and the Soviet dominated East As the only book of its kind and although intended for both literature scholars and the broader arts community it makes an important contribution to Steinbeck and American literature studies and is useful for scholars of the languages discussed here Although Steinbeck is regarded as an American writer of high repute his appeal and influence extend far beyond the borders of North America As documented here he was particularly popular in Eastern Europe where he inadvertently served political purposes Evaluated through an ideological lens the sole value of his works was seen to reside in their utility to oppressive political regimes Even works that clearly showed Steinbeck venturing into new topics and forms could not escape an ideological burden whereas several others that lacked social necessity and documentary integrity were unjustifiably marginalised or consigned to oblivion As this study also shows only recently following the fall of totalitarian rule have Steinbeck s works started to be approached from the various angles of contemporary criticism The acknowledgement that there is much more to recommend in his books than that which was praised by those who blinded by their commitment or because of imposed limitations on expectations showed no appreciation for the variety and subtlety of Steinbeck s writing explains the recent renaissance of interest in the whole of Steinbeck s oeuvre Indeed viewed without preconceived ideas and accepted for what they are it is impossible not to respond to Steinbeck s exploration of issues of freedom individual choice and relationships and not to notice that he was much more than merely a proletarian writer

Young Girl Patricia Melzer, 2015-04-24 In the early 1970s a number of West German left wing activists took up arms believing that revolution would lead to social change In the years to come the bombings shootings kidnappings and bank robberies of the Red Army Faction RAF and Movement 2nd June dominated newspaper headlines and polarized legislative debates Half of the terrorists declaring war on the West German state were women who understood their violent political actions to be part of their liberation from restrictive gender norms As women participating in a brand of systematic violence usually associated with masculinity they presented a cultural paradox and their political decisions were viewed as gender transgressions by the state the public and even the burgeoning women s movement which considered violence as patriarchal and unfeminist *Death in the Shape of a Young Girl* questions this separation of political violence from feminist politics and offers a new understanding of left wing female terrorists actions as feminist practices that challenged existing gender ideologies Patricia Melzer draws on archival sources unpublished letters and interviews with former activists to paint a fresh and interdisciplinary picture of West Germany s most notorious political group from feminist responses to sexist media coverage of female terrorists to the gendered nature of their infamous hunger strikes while in prison Placing the controversial actions of the Red Army Faction into the context of feminist politics *Death in the Shape of a Young Girl* offers an innovative and engaging cultural history that foregrounds how gender shapes our perception of women s political choices and of any kind of political violence

Localizing Global Food Agni Kalfagianni, Sophia Skordili, 2018-11-05 Short food supply chains SFSCs rely primarily on local production and processing practices for the provision of food and are in principle more sustainable in social economic and environmental terms than supply chains where production and consumption are widely separated This book reviews and assesses recent initiatives on this topic from an interdisciplinary perspective In theoretical terms it draws on and advances two key concepts namely place particularly embeddedness in local economic networks and communities and governance particularly in addressing sustainability concerns in an inclusive and socially just manner Empirically the book examines a diverse set of SFSCs such as small scale entrepreneurship farmers markets community supported agriculture and grassroots and solidarity networks The main examples discussed are from Europe and North America but the issues are applicable in a global context The book is of interest to advanced students researchers and professionals in food studies sociology geography planning politics and environmental studies

Terror and Democracy in West Germany Karrin Hanshew, 2012-08-20 Karrin Hanshew examines West German responses to 1970s terrorism to explain why the experience had lasting significance for German politics and society

Feminist Translation Studies Olga Castro, Emek Ergun, 2017-02-17 *Feminist Translation Studies* Local and Transnational Perspectives situates feminist translation as political activism Chapters highlight the multiple agendas and visions of feminist translation and the different political voices and cultural heritages through which it speaks across times and places addressing the question of how both literary and nonliterary discourses migrate and contribute to local and transnational processes of feminist knowledge building and

political activism This collection does not pursue a narrow fixed definition of feminism that is based solely on Eurocentric or West centric gender politics rather Feminist Translation Studies Local and Transnational Perspectives seeks to expand our understanding of feminist action not only to include feminist translation as resistance against multiple forms of domination but also to rethink feminist translation through feminist theories and practices developed in different geohistorical and disciplinary contexts In so doing the collection expands the geopolitical sociocultural and historical scope of the field from different disciplinary perspectives pointing towards a more transnational interdisciplinary and overtly political conceptualization of translation studies

Between Marx and Coca-Cola Axel Schildt, Detlef Siegfried, 2006 In the 1960s and 70s a new youth consciousness emerged in Western Europe which gave this period its distinct character This volume demonstrates how international developments fused with national traditions producing specific youth cultures that became leading trendsetters of emergent post industrial Western societies

Recoding World Literature B. Venkat Mani, 2016-12-01 Winner 2018 Aldo and Jeanne Scaglione Prize for Studies in Germanic Languages and Literatures Modern Language Association Winner 2018 German Studies Association DAAD Book Prize in Germanistik and Cultural Studies From the current vantage point of the transformation of books and libraries B Venkat Mani presents a historical account of world literature By locating translation publication and circulation along routes of bibliomigrancy the physical and virtual movement of books Mani narrates how world literature is coded and recoded as literary works find new homes on faraway bookshelves Mani argues that the proliferation of world literature in a society is the function of a nation s relationship with print culture a Faustian pact with books Moving from early Orientalist collections to the Nazi magazine Weltliteratur to the European Digital Library Mani reveals the political foundations for a history of world literature that is at once a philosophical ideal a process of exchange a mode of reading and a system of classification Shifting current scholarship s focus from the academic to the general reader from the university to the public sphere Recoding World Literature argues that world literature is culturally determined historically conditioned and politically charged

Consumption and Violence Alexander Sedlmaier, 2018-05-09 Reveals the relationship between the rise of political violence in West Germany to the unprecedented growth of consumption

Screening the Red Army Faction Christina Gerhardt, 2018-07-12 Screening the Red Army Faction Historical and Cultural Memory explores representations of the Red Army Faction RAF in print media film and art locating an analysis of these texts in the historical and political context of unfolding events In this way the book contributes both a new history and a new cultural history of post fascist era West Germany that grapples with the fledgling republic s most pivotal debates about the nature of democracy and authority about violence its motivations and regulation and about its cultural afterlife Looking back at the history of representations of the RAF in various media this book considers how our understanding of the Cold War era of the long sixties and of the RAF is created and re created through cultural texts

Digital Feminisms Christina Scharff, Carrie Smith-Prei, Maria Stehle, 2018-04-19 The relative rise or decline of feminist movements across the globe has been debated by feminist scholars and activists for a long time In recent years however these debates have gained renewed momentum Rapid technological change and increased use of digital media have raised questions about how digital technologies change influence and shape feminist politics This book interrogates the digital interface of transnational protest movements and local activism in feminist politics Examining how global feminist politics is articulated at the nexus of the transnational national we take contemporary German protest culture as a case study for the manner in which transnational feminist activism intersects with the national configuration of feminist political work The book explores how movements and actions from outside Germany s borders circulate digitally and resonate differently in new local contexts and further how these border crossings transform grass roots activism as it goes digital This book was originally published as a special issue of Feminist Media Studies

Knowledge as Resistance Stevienna de Saille, 2017-11-27 This book presents a historicised account of the Feminist International Network of Resistance to Reproductive and Genetic Engineering FINRRAGE a coordinated effort during the 1980s and 1990s by an international group of women to create and disseminate feminist knowledge about the then new field of reproductive technologies Bringing insights from science and technology studies together with social movements and feminist theory it seeks to examine larger questions about knowledge and expertise in activist engagements with rapidly developing technologies as well as explore an important and neglected episode of feminist history Its findings will be relevant to scholars in science studies gender and women s studies and social movements as well as to anyone with an interest in reproductive technologies and the history of feminist activism

Three Faces of Antisemitism Jeffrey Herf, 2023-12-11 Three Faces of Antisemitism examines the three primary forms of antisemitism as they emerged in modern and contemporary Germany and then in other countries The chapters draw on the author s historical scholarship over the years on the form antisemitism assumed on the far right in Weimar and Nazi Germany in the Communist regime in East Germany and in the West German radical left and in Islamist organizations during World War II and the Holocaust and afterward in the Middle East The resurgence of antisemitism since the attacks of September 11 2001 has origins in the ideas

events and circumstances in Europe and the Middle East in the half century from the 1920s to the 1970s This book covers the period since 1945 when neo Nazism was on the fringes of Western and world politics and the persistence of antisemitism took place primarily when its leftist and Islamist forms combined antisemitism with anti Zionism in attacks on the state of Israel The collection includes recent essays of commentary that draw attention to the simultaneous presence of antisemitism s three faces While scholarship on the antisemitism of the Nazi regime and the Holocaust remains crucial the scholarly intellectual and political effort to fight antisemitism in our times requires the examination of antisemitism s leftist and Islamist forms as well This book will be of interest to scholars researching antisemitism racism conspiracy theories the far right the far left and Islamism

The Planning Moment Sarah Blacker,Emily Brownell,Anindita Nag,Martina Schlünder,Sarah Van Beurden,2024-05-07 Empires and their aftermaths were massive planning institutions in the past two hundred years the natural and social sciences emerged at least in part as modes of knowledge production for imperial planning Yet these connections are frequently under emphasized in the history of science and its corollary fields The Planning Moment explores the myriad ways plans and planning practices pervade recent global history The book is built around twenty seven brief case studies that explore the centrality of planning in colonial and postcolonial environments relationships and contexts through a range of disciplines the history of science science and technology studies colonial and postcolonial studies urban studies and the history of knowledge If colonialism made certain landscapes populations and institutions legible while obscuring others The Planning Moment reveals the frequently disruptive and violent processes of erasure in imperial planning by examining how common sense was produced and how the intransigence of planning persists long after decolonization In recognizing the resistance and subversion that often met colonial plans the book makes visible a range of strategies and techniques by which planning was modified and reappropriated and by which decolonial futures might be imagined Contributors Itty Abraham Benjamin Allen Sarah Blacker Emily Brownell Lino Camprub John DiMoia Mona Fawaz Lilly Irani Chihyung Jeon Robert Kett Monika Kirloskar Steinbach Karen McAllister Laura Mitchell Gregg Mitman Aaron Moore Nada Moumtaz Tahani Nadim Anindita Nag Ra l Necochea L pez Tamar Novick Benjamin Peters Juno Salazar Parre as Martina Schlünder Sarah Van Beurden Helen Verran Ana Carolina Vimieiro Gomes Alexandra Widmer and Alden Young
