Fruity Stories:

Natalja's Stories Inger Christensen, 2025-05-27 A brilliant elegant and playful novella newly in English by one of Denmark's most honored poets Publishers Weekly Known primarily for her poetry Inger Christensen 1935 2009 remains one of Denmark's most distinguished and original authors Natalja's Stories modeled after Boccaccio's Decameron takes an usual approach to the theme of migration by focusing on the shifting ground of meaning itself It is a tale told to the narrator by her grandmother about her mother abducted by a Russian from Copenhagen taken to Russia she tries to flee the Revolution she dies and her ashes are carried back to Denmark But the story is told and retold in marvelous ways digressing playfully often hilariously and involving murders and absurd characters with wonderful repeating motifs and passages Natalja's Stories springs surprise after surprise and as one Danish critic put it instead of a conventional heartbreaking story of loss and disaster the book appears as a tantalizing account of a character seizing the moment leaving the past behind and becoming someone else offering in fact a deconstruction of the usual take on migrant fate as a tragic narrative Secret Drama Constance I. Smith, 1923

Caribbean Stories Fabian Comrie, 2013-09-19 Although the Islands of the Caribbean are comprised of many different cultures the people of the Islands respect each other's differences and embrace their similarities Caribbean Stories celebrates the wide diversity of the Islands combining historical background and fiction for a fascinating read that will both educate and entertain The book begins in 1692 with James and Hazel who have survived a devastating earthquake and must work together to run a sugar plantation They will face opposition from the British Empire and surmount personal tragedy hardship even encounters with pirates to keep their dreams alive From the Bahamas to Trinidad and Belize to Barbados and Cuba to Jamaica this sweeping family saga is as captivating as the Caribbean itself *A Dove from the Ark*, 2008
