Baker,1986-04-28 The innocence and cruelty of first love adult passion and eroticism doomed romance and psychotic jealousy are played out against a backdrop of sex rock music drugs and obsession in Los Angeles Fuel Injected Dream James Robert Ba Staff,1986-10-16 The Beatles , *Bruce Springsteen, Cultural Studies, and the Runaway American Dream* Jerry Zolten,2016-05-23 There is little question about the incredible power of Bruce Springsteen s work as a particularly transformative art as a lyrical and musical fusion that never shies away from sifting through the rubble of human conflict As Rolling Stone magazine s Parke Puterbaugh observes Springsteen is a peerless songwriter and consummate artist whose every painstakingly crafted album serves as an impassioned and literate pulse taking of a generation s fortunes He is the foremost live performer in the history of rock and roll a self described prisoner of the music he loves for whom every show is played as if it might be his last In recent decades Puterbaugh adds Springsteen s music developed a conscience that didn t ignore the darkening of the runaway American Dream as the country greedily blundered its way through the 1980s and into the sociocultural detritus of a new century paralysed by isolation and uncertainty Bruce Springsteen Cultural Studies and the Runaway American Dream reflects the significant critical interest in understanding Springsteen s resounding impact upon the ways in which we think and feel about politics religion gender and the pursuit of the American Dream By assembling a host of essays that engage in interdisciplinary commentary regarding one of Western culture s most enduring artistic and socially radicalizing phenomena this book offers a cohesive intellectual and often entertaining introduction to the many ways in which Springsteen continues to impact our lives by challenging our minds through his lyrics and music **Tearing Down The Wall of Sound** Mick Brown,2012-10-17 In 2002 the reclusive and legendary record producer Phil Spector gave his first interview in twenty five years to Mick Brown The day after it was published an actress named Lana Clarkson was shot dead in Spector s LA castle This is Brown s odyssey into the strange life and times of Phil Spector Beginning with that fateful meeting in Spector s home and going on to explore his colourful and extraordinary life and career including the unfolding of the Clarkson case this is one of the most bizarre and compelling stories in pop history **The Publishers' Trade List Annual** ,1989 A Carousel of Sorts Grant Guimont,2001-06 A Carousel of Sorts is a dizzying leap into the shallow end of the pool of life The story embraces the enormity of the world and the underlying idiosyncrasies that connect us all in the end And perhaps along the way on the wings of the fabled Carik birds from the tale some of those answers will appear somewhere amidst the infinite spectrum between Bob Dylan s song lyrics and the ingredients to Cocoa Puffs cereal Sawyer Redwine happens upon his own chance at redemption by stumbling into the life of Ashton James during a robbery They hightail their lives across country in order to create a fresh start careening into Blaiku Willy Williams the final piece in this triangle of fate From the festive weirdness of a religious carnival located in Iowa to the eccentric values of a cosmetics mogul in Minneapolis the triumvirate s

Marcus,2015-01-01 The Washington Post hails Greil Marcus as our greatest cultural critic Writing in the London Review of Books D D Guttenplan calls him probably the most astute critic of American popular culture since Edmund Wilson For nearly thirty years he has written a remarkable column that has migrated from the Village Voice to Artforum Salon City Pages Interview and The Believer and currently appears in the Barnes Noble Review It has been a laboratory where Marcus has fearlessly explored and wittily dissected an enormous variety of cultural artifacts from songs to books to movies to advertisements teasing out from the welter of everyday objects what amounts to a de facto theory of cultural transmission Published to complement the paperback edition of The History of Rock Roll in Ten Songs Real Life Rock reveals the critic in full direct erudite funny fierce vivid astute uninhibited and possessing an unerring instinct for art and fraud The result is an indispensable volume packed with startling arguments and casual brilliance *The Heroin Diaries: Ten Year Anniversary Edition* Nikki Sixx,2007-09-18

The shocking gripping and at times darkly hilarious bestselling memoir of Nikki Sixx's yearlong war with a vicious heroin addiction featuring exclusive new content When Motley Crue was at the height of its fame there wasn't any drug Nikki Sixx wouldn't do He spent days sometimes alone sometimes with other addicts friends and lovers in a coke and heroin fueled daze The highs were high and Nikki's journal entries reveal some euphoria and joy But the lows were lower often ending with Nikki in his closet surrounded by drug paraphernalia and wrapped in paranoid delusions Here Nikki shares the diary entries some poetic some scatterbrained some bizarre of those dark times Joining him are Tommy Lee Vince Neil Mick Mars Slash Rick Nielsen Bob Rock and a host of ex managers ex lovers and more Brutally honest utterly riveting and surprisingly moving The Heroin Diaries follows Nikki during the year he plunged to rock bottom and his courageous decision to pick himself up and start living again **The Heroin Diaries** Nikki Sixx,2008-09-04

Set against the frenzied world of heavy metal superstardom the co founder of legendary Motley Crue offers an unflinching and gripping look at his own descent into drug addiction When Motley Crue were at the height of their fame there wasn't a drug Nikki Sixx wouldn't do He spent days sometimes alone sometimes with others addicts friends and lovers in a coke and heroin fuelled daze THE HEROIN DIARIES reveals Nikki's personal diary entries alongside commentary from the people who know Nikki best including band mates Tommy Vince and Mick The book is a candid look at a nightmare come true a punishing heroin addiction that brought Nikki to the edge of losing his talent his career his family and finally to a near fatal overdose which left him clinically dead for a few minutes before being revived Brutally honest utterly riveting and shockingly moving THE HEROIN DIARIES follows Nikki during the year he plunged to rock bottom and his courageous decision to pick himself up and start living again *Write in Tune: Contemporary Music in Fiction* Erich Hertz,Jeffrey Roessner,2014-05-22

Contemporary popular music provides the soundtrack for a host of recent novels but little critical attention has been paid to the intersection of these important art forms. *Write in Tune* addresses this gap by offering the first full length study of the relationship between recent music and fiction. With essays from an array of international scholars the collection focuses on how writers weave rock, punk and jazz into their narratives both to develop characters and themes and to investigate various fan and celebrity cultures surrounding contemporary music. *Write in Tune* covers major writers from America and England including Don DeLillo, Jonathan Franzen, Zadie Smith and Jim Crace. But it also explores how popular music culture is reflected in postcolonial Latino and Australian fiction. Ultimately the book brings critical awareness to the power of music in shaping contemporary culture and offers new perspectives on central issues of gender, race and national identity. *Phil Spector* Sean MacLeod, 2017-11-15. Phil Spector is a musician, songwriter and producer whose musical ability and visionary foresight as a producer charted the future of popular music and culture of the late 20th century. He revolutionized recording processes and re-shaped the business and marketing approach of the music industry. While he raised the bar for other musicians and producers to follow and gave a voice to groups struggling to achieve equality during the 60s, Spector was however a complex character whose need for control brought much damage and confusion into the lives of those around him as well as into his own career and life. *Phil Spector: Sound of the Sixties* follows the ups and downs of Spector's career as an entrepreneur and businessman, technical wizard and musical visionary, record label master and collaborator with the biggest bands of the age. Spector left an indelible mark on American pop music, creating an iconic soundtrack that still attracts new listeners today. **Popular Music and the Poetics of Self in Fiction**, 2021-11-29. *Popular Music and the Poetics of Self in Fiction* explores the various links between the self and popular music in contemporary fiction. In the novels discussed in this volume, musical references go far beyond creating a tapestry of sound; they make literary characters come alive by giving an account of the physiological and psychological effects of their musical experiences and of their ways of life in different sub-cultural and social groups. With plots revolving around songs and albums, musicians and bands, and fans and scenes, the thematic focus on the self encompasses the relation of musical taste and identity construction, popular music's function as a medium of individual and collective memory and its uses in everyday life across decades, spaces and genres. *Born in Flames* Howard Hampton, 2007-01-15. Twenty years as an outsider scouring the underbelly of American culture has made Howard Hampton a uniquely hard-nosed guide to the heart of pop darkness. Bridging the fatalistic, intensely charged space between *Apocalypse Now Redux* and Nirvana's *Smells Like Teen Spirit*, his writing breaks down barriers of ignorance and arrogance that have segregated art forms from each other and often from the world at large. In the freewheeling spirit of Pauline Kael, Lester Bangs and Manny Farber, Hampton calls up the extremist underground tendencies and archaic forces simmering beneath the surface of popular forms. Ranging from the kinetic poetry of Hong Kong cinema and the neo-New Wave energy of *Irma Vep* to the punk heroines of *Sleater Kinney* and *Ghost World*, *Born in Flames* plays odd couples off one
