The Fathom Flies Again James Walley, 2017-12-29 It's time to wake up and smell the carnage Just as every night gives way to dawn all dreams yield to the break of day For Marty that's kind of a problem When you've fought killer clowns sailed the seven skies and generally laid waste to your own dreamspace real life can be kind of a drag At least until your nightmares crawl through the cracks and shadows and take a liking to your town When the jesters come a knocking it's time to man up When the unmentionables under your bed come a biting it's time to grab your trusty pint sized pirate compadre and lead a charge against the night terrors What does this mean for Marty It means the crew of The Flying Fathom are back surfing on rainbows swashing their buckles and saving the world one sleepy little town at a time Book one of this series The Forty First Wink brought you a glimpse of utter rum swilling madness Now The Fathom Flies Again pushing you over the edge and chuckling at your plummeting screams before scuttling off to find something shiny to steal Remember if you hear something under your bed don't move Don't make a sound Draw your cutlass and think of something devilishly witty to shout because things my friend are about to get all too real
