Karen Tashek

Full Moon On The Reservation:

Native American Women Gretchen M. Bataille, Laurie Lisa, 2003-12-16 This A Z reference contains 275 biographical entries on Native American women past and present from many different walks of life Written by more than 70 contributors most of whom are leading American Indian historians the entries examine the complex and diverse roles of Native American women in contemporary and traditional cultures This new edition contains 32 new entries and updated end of article bibliographies Appendices list entries by area of woman s specialization state of birth and tribe also includes photos and a comprehensive index

The Columbia Guide to American Indian Literatures of the United States Since 1945 Eric Cheyfitz, 2006-04-04 The Columbia Guide to American Indian Literatures of the United States Since 1945 is the first major volume of its kind to focus on Native literatures in a postcolonial context Written by a team of noted Native and non Native scholars these essays consider the complex social and political influences that have shaped American Indian literatures in the second half of the twentieth century with particular emphasis on core themes of identity sovereignty and land In his essay comprising part I of the volume Eric Cheyfitz argues persuasively for the necessary conjunction of Indian literatures and federal Indian law from Apses to Alexie Part II is a comprehensive survey of five genres of literature fiction Arnold Krupat and Michael Elliott poetry Kimberly Blaesser drama Shari Huhndorf nonfiction David Murray and autobiography Kendall Johnson and discusses the work of Vine Deloria Jr N Scott Momaday Joy Harjo Simon Ortiz Louise Erdrich Leslie Marmon Silko Gerald Vizenor Jimmy Santiago Baca and Sherman Alexie among many others Drawing on historical and theoretical frameworks the contributors examine how American Indian writers and critics have responded to major developments in American Indian life and how recent trends in Native writing build upon and integrate traditional modes of storytelling Sure to be considered a groundbreaking contribution to the field The Columbia Guide to American Indian Literatures of the United States Since 1945 offers both a rich critique of history and a wealth of new information and insight

American Indian Literature Kimberly Wieser-Weryackwe, 2025-07-10 Discover the essential people works movements and themes in American Indian literature American Indian literature is a varied and vibrant collection of Indigenous artistic expression American Indian novelists poets essayists and critics have over the last four centuries asserted powerful forms of intellectual and artistic sovereignty writing in English while building on discrete tribal oral traditions and forms of storytelling This encyclopedia introduces readers to the key historical and contemporary figures in American Indian literature and their defining works From the fiery sermons of Methodist minister William Apses to the Pulitzer Prize winning novel *House Made of Dawn* by N Scott Momaday to the critically acclaimed and commercially successful novels of Louise Erdrich this book illustrates the indelible and influential imprint American Indians have on the landscape of American letters Readers are also introduced to the key themes and context of American Indian literature exploring how it is inextricable from American literary history the American literary canon and the narrative of American history not on the fringes of the American

experience but central to it Encyclopedia of Women in the American West Gordon Moris Bakken, Brenda Farrington, 2003-06-26 Click Additional Materials for downloadable samples This is a sound purchase for college and university libraries with women s studies or American West programs as well as for large public libraries BOOKLIST This is the first encyclopedia to focus on this neglected group There is a clear need for this encyclopedia recommended for academic and public libraries and all libraries with a special interest in the western region and women s studies LIBRARY JOURNAL A highly educational and enlightening resource the Encyclopedia of Women in the American West is a core recommendation for academic and public library American Western History Studies and Women s Studies reference collections as well as an invaluable resource for writers and non specialist general readers with an interest in studying women s experiences and contributions to American society and culture THE MIDWEST BOOK REVIEW Unites the American West and Women s History American women have followed their manifest destiny since the 1800 s moving West to homestead found businesses author novels and write poetry practice medicine and law preach and perform missionary work become educators artists judges civil rights activists and many other important roles spurred on by their strength spirit and determination Encyclopedia of Women of the American West captures the lives of more than 150 women who made their mark from the mid 1800s to the present contextualizing their experiences and contributions to American society Including many women profiled for the first time the encyclopedia offers immense value and interest to practicing historians as well as students and the lay public Multidisciplinary and Multicultural Cowgirls ranchers authors poets artists judges doctors educators and reformers although these women took many different paths they are united in their role in history fighting not only for women s rights but equal rights for all in this rich and promised land The Encyclopedia of Women in the American West chronicles the work of Native American activists such as Mildred Imach Cleghorn and Sarah Winnemucca the champion of rights of indigenous peoples who established Nevada s first school for Native Americans in 1884 The encyclopedia also explores the stories of early ranchers Among them is Freda Ehmman who founded the California Ripe Olive Association where according to her grandson science and chemical exactness failed the experience and care of a skillful and conscientious housewife succeeded Women in the American West have long thrived in the arts This is evidenced by the work of authors such as Pulitzer Prize winner Willa Cather Amy Tan and Linda Hasselstrom poets such as Hildegard Flanner and journalist Molly Ivins All are profiled in this comprehensive work The arts are used to address both aesthetic and serious societal issues such as Maxine Hong Kingston s The Woman Warrior the story of a woman s struggle with identity as a minority in American culture Academics will appreciate a study of Ruth Underhill s Autobiography of a Papago Woman which deals with the role of feminist ideology in changing the discipline of anthropology during the first part of the twentieth century Women in the American West have also achieved many firsts such as Utah s Ivy Baker Priest the first woman to hold the office of Treasurer of the United States and Georgia Bullock the first woman judge in the State of California The Many Roles of Women in the

American West The Encyclopedia of Women in the American West covers nine diverse topical categories Agriculture Ranching Arts and Letters Education Entrepreneurs Law Pioneers Public Performance Religion Women s organizations The West is often portrayed as a rough and tumble man s world but behind these men and often independently were women with the dreams strength and determination to make a difference The Encyclopedia of Women in the American West is a tribute to their independence intelligence courage spirit perseverance and daring Key Features Authoritative and in depth articles on a wide range of salient issues in women s history Suggested readings and interpretive materials for every entry Bridges two perennially popular areas of academic and lay interest the American West and women s history Developed and priced to appeal to high school and public libraries as well as academic libraries Recommended Libraries Public school academic special and private corporate

Indian Killer Sherman Alexie,2013-10-15 A New York Times Notable Book A series of brutal racially charged murders sets a city on edge in this thriller by a National Book Award winning author A serial murderer dubbed the Indian Killer has Seattle living in fear As he scalps his victims and adorns their bodies with owl feathers the city consumes itself in a nightmare frenzy of racial tension Then a possible suspect emerges John Smith An Indian raised by whites John is lost between cultures He fights for a sense of belonging that may never be his but has his alienation made him angry enough to kill The New York Times bestselling author of You Don t Have to Say You Love Me and many other acclaimed works Sherman Alexie traces John Smith s rage with scathing wit and masterly suspense delivering both a scintillating thriller and a searing parable of race identity and violence This ebook features an illustrated biography including rare photos from the author s personal collection

Encyclopedia of American Indian Literature Jennifer McClinton-Temple,Alan Velie,2015-04-22 Presents an encyclopedia of American Indian literature in an alphabetical format listing authors and their works

Johnny Eagle, An American Indian - My Best Friend ARLEY PINO,2011-07-30 Johnny Eagle an Apache Indian and Charley a white boy become best of friends at the age of eight They survive the Great Depression extreme prejudice because Johnny is an Indian intimidation by an influential lawyer and his crooked sheriff because they witness a murder that involved the lawyer The boys and their families are threatened with harm if they mention to anyone what they have seen Charley moves to California at the age of thirteen Years later they meet again when Charley now in the military recruits Johnny for the military intelligence Johnny becomes famous with other agents because of his skills Disappointed in the people our government put in charge to replace the corrupt people we overthrew both men leave the military in 1955 Charley marries and raises a fine family Johnny returns to the mountains he loves and becomes almost a legend to the mountain people he helps

Amelia Stone Quinton and the Women's National Indian Association Valerie Sherer Mathes,2022-03-17 This first full account of Amelia Stone Quinton 1833 1926 and the organization she cofounded the Women s National Indian Association WNIA offers a nuanced insight into the intersection of gender race religion and politics in our shared history Author Valerie Sherer Mathes shows how Quinton like Helen Hunt Jackson was a

true force for reform and progress who was nonetheless constrained by the assimilationist convictions of her time The WNIA which Quinton cofounded with Mary Lucinda Bonney in 1879 was organized expressly to press for a more just protective and fostering Indian policy but also to promote the assimilation of the Indian through Christianization and civilization Charismatic and indefatigable Quinton garnered support for the WNIA s work by creating strong working relationships with leaders of the main reform groups successive commissioners of Indian affairs secretaries of the interior and prominent congressmen The WNIA s powerful network of friends formed a hybrid organization religious in its missionary society origins but also political using its powers to petition and actively address public opinion Mathes follows the organization as it evolved from its initial focus on evangelizing Indian women and promoting Victorian society s ideals of true womanhood through its return to its missionary roots establishing over sixty missionary stations supporting physicians and teachers and building houses chapels schools and hospitals With reference to Quinton s voluminous writings including her letters speeches and newspaper articles as well as to WNIA literature Mathes draws a complex picture of an organization that at times ignored traditional Indian practices and denied individual agency even as it provided dispossessed and impoverished people with health care and adequate housing And at the center of this picture we find Quinton a woman and reformer of her time

From the Reservation to Washington Debra Goodrich,2024-10-15 The first person of color to serve as vice president Charles Curtis was once a household name but has become a footnote in American history As a mixed race person who became a public figure in the nineteenth and early twentieth centuries his story is more relevant today than ever He was constantly forced to choose whether to be Indian or white Society would not let him be both When his temper flared it was his savage nature coming through when he presided over the United States Senate with an unprecedented knowledge of the rules and procedures it was evidence of his civilized ancestry Charles Curtis was born into Bleeding Kansas and came of age during the most turbulent of times His father participated in the violence as a Kansas Redleg avenging the actions of Missouri bushwhackers As Civil War evolved into the Plains Indian Wars Curtis was an eyewitness as his own people were starving and even the most powerful of tribes were confined to reservations These forces shaped his philosophy and perspective To this day he holds the distinction of being the only person of Native American heritage to be elected the second highest office in the land He served as the 31st vice president of the United States from 1929 to 1933 under Herbert Hoover Private and pragmatic he became a respected statesman championing citizenship for Native Americans and rights for women But his path of inclusion was perceived by others as destroying tribal sovereignty Perhaps he realized that But in his experience the most powerful force on earth was the federal government and he learned to play the government game and to be better at it than almost anyone else

Horse of Seven Moons Karen Taschek,2005 The story of a sixteen year old Apache boy a fourteen year old Anglo girl and the horse they share unbeknownst to each other

The World, the Text, and the Indian Scott Richard Lyons,2017-03-27 Advances critical conversations in Native American literary studies by situating its subject in global

transnational and modernizing contexts Since the rise of the Native American Renaissance in literature and culture during the American civil rights period a rich critical discourse has been developed to provide a range of interpretive frameworks for the study recovery and teaching of Native American literary and cultural production For the past few decades the dominant framework has been nationalism a critical perspective placing emphasis on specific tribal nations and nationalist concepts While this nationalist intervention has produced important insights and questions regarding Native American literature culture and politics it has not always attended to the important fact that Native texts and writers have also always been globalized The World the Text and the Indian breaks from this framework by examining Native American literature not for its tribal national significance but rather its connections to global transnational and cosmopolitan forces Essays by leading scholars in the field assume that Native American literary and cultural production is global in character even claims to sovereignty and self determination are made in global contexts and influenced by global forces Spanning from the nineteenth century to the present day these analyses of theories texts and methods from trans indigenous to cosmopolitan George Copway to Sherman Alexie and indigenous feminism to book history interrogate the dialects of global indigeneity and settler colonialism in literary and visual culture Indian Dances of North America Reginald Laubin, Gladys Laubin, 1989 Descriptions of the dances costumes body decorations and musical accompaniment supplement information on the cultural background of Indian dancing

Backroads & Byways of New Mexico: Drives, Day Trips, and Weekend Excursions (First) (Backroads & Byways) Sharon Niederman, 2020-04-07 15 drives and detours in The Land of Enchantment In this brand new first edition guide Sharon Niederman presents the best of New Mexico through 15 scenic tours designed to make the most of every mile Readers will journey across the state and take in New Mexico's unparalleled diversity in both natural beauty and cultural heritage Drives will include peaceful side roads through quiet towns highways with stunning canyon vistas the streets of Spanish missions and stone cities sweeping views of New Mexico's famous mesas and much more Included with each drive are recommendations for food shopping sightseeing and lodging as well as detailed directions and fascinating local history from a veteran Southwestern travel writer Expert navigation curation and beautiful photography will have readers eager to explore New Mexico in a whole new light *The Indian's Friend*, 1913 *Reservation Politics* Raymond I. Orr, 2017-02-03 For Native Americans tribal politics are paramount They determine the standards for tribal enrollment guide negotiations with outside governments and help set collective economic and cultural goals But how asks Raymond I Orr has history shaped the American Indian political experience By exploring how different tribes politics and internal conflicts have evolved over time *Reservation Politics* offers rare insight into the role of historical experience in the political lives of Native Americans To trace variations in political conflict within tribes today to their different historical experiences Orr conducted an ethnographic analysis of three federally recognized tribes the Isleta Pueblo in New Mexico the Citizen Potawatomi in Oklahoma and the Rosebud Sioux in South Dakota His extensive interviews and research reveal that at

the center of tribal politics are intratribal factions with widely different worldviews These factions make conflicting claims about the purpose experience and identity of their tribe Reservation Politics points to two types of historical experience relevant to the construction of tribes political and economic worldviews historical trauma such as ethnic cleansing or geographic removal and the incorporation of Indian communities into the market economy In Orr s case studies differences in experience and interpretation gave rise to complex worldviews that in turn have shaped the beliefs and behavior at play in Native politics By engaging a topic often avoided in political science and American Indian studies Reservation Politics allows us to see complex historical processes at work in contemporary Native American life Orr s findings are essential to understanding why tribal governments make the choices they do
