Mississippi was caught in the hateful embrace of a white caste system that enforced segregation Rather than troubling the Closed Society state news media on the whole marched in lockstep or worse promoted the continued subservience of blacks Surprisingly challenges from Mississippi's college basketball courts questioned segregation's validity and its gentleman's agreement that prevented college teams in the Magnolia State from playing against integrated foes Mississippi State University stood at the forefront of this battle for equality in the state with the school's successful college basketball program From 1959 through 1963 the Maroons won four Southeastern Conference basketball championships and created a dynasty in the South's preeminent college athletic conference However in all four title winning seasons the press feverishly debated the

merits of a National Collegiate Athletic Association appearance for the Maroons culminating in Mississippi State University's participation in the integrated 1963 NCAA Championship Full Court Press examines news articles editorials and columns published in Mississippi's newspapers during the eight year existence of the gentleman's agreement that barred black participation the challenges posed by Mississippi State University and the subsequent integration of college basketball While the majority of reporters opposed any effort to integrate a segment of sports journalists led by the charismatic Jimmie McDowell of the Jackson State Times emerged as bold advocates for equality Full Court Press highlights an ideological metamorphosis within the press during the civil rights movement The media which had long minimized the struggle of blacks slowly transformed into an industry that considered the plight of black Mississippians on equal footing with whites

Fields, 2010-10-01 *Female Gladiators* is the first book to examine legal and social battles over the right of women to participate with men in contact sports The impetus to begin legal proceedings was the 1972 enactment of Title IX which prohibited discrimination in educational settings but it was the Equal Protection Clause of the U S Constitution and the equal rights amendments of state constitutions that ultimately opened doors Despite court rulings however many in American society resisted and continue to resist allowing girls in dugouts and other spaces traditionally defined as male territories Inspired women and girls began to demand access to the contact sports which society had previously deemed too strenuous or violent for them to play When the leagues continued to bar girls simply because they were not boys the girls went to court Sarah K Fields's *Female Gladiators* is the only book to examine the legal and social battles over gender and contact sport that continue to rage today *O God of Players* Julie Byrne, 2003 This is the remarkable story of the first stars of women's basketball In the early 1970s few women participated in organized athletics but in Catholic Philadelphia women's basketball was already a well established thirty year tradition In this vivid account of Immaculata basketball Julie Byrne explores the unusual lives of these young women the rare opportunities and pleasures they were allowed their religious culture and the broader ideas of womanhood that they inspired and helped redefine
